### **Framework for Intellectual Property Rights in 2015-2018**

In the establishment of the Intellectual Property Rights cell of Pt. Ravishankar Shukla University, the faculty and scholars hoped to translate their intellectual properties into innovative products, processes, and services for commercialization in the economy. IPR cell was established by the University in 2015. UGC notifications and constant directives to academic institutions led to the preparation of a draft IPR policy for the University. Dr. Swarnlata Saraf prepared the first draft of the document with the objective of transferring academic technology to the industry. Under the aegis of Prof. S.K. Pandey, Vice Chancellor of the University, a four-member committee was formed in 2017: Prof. Mitashree Mitra from the Department of Anthropology, Prof. H.K. Pathak from the Department of Statistics, Prof. B. Hassan from the Department of Education, and Prof. Swarnlata Saraf from the University Institute of Pharmacy. In many sessions of the committee meetings the draft was discussed in depth. The prepared draft was sent to three vice-chancellors for their suggestions: Prof. A.K. Pati, Vice-Chancellor, Gangadhar Meher University (GMU), Sambalpur, Odisha, Prof. M.K.Verma, Chhattisgarh and Prof. Shailendra Saraf, Hemchand Yadav University, Durg. After receiving the suggestions, the draft policy was altered, which was then sent to the committee for review. The committee recommended that the university authority proceed with the process. Under the chairmanship of Professor K.L.Verma, Vice-Chancellor of the University, the University authority passed the revised IPR policy on 25th October 2018 as Pt. Ravi Shankar Shukla University Regulation 181 under section (5) of the University Act 1973. The IPR Policy Framework committee would like to thanks University Finance Controller Mr. Umesh Agrawal and his subordinate Dr. Hemant Sharma for their support.
