From the Desk of Alumni Coordinator

Dear Alumni,

We are proud to remember you as an alumnus of the University and we feel immense pleasure to add to your knowledge that our University has grown up in various dimensions up till now as the oldest and biggest center for higher education in the newly carved state of Chhattisgarh (India).

As is evident since ancient times, an institution is known not by means of the infrastructure, but rather by the persons like you who have occupied eminent positions in India and abroad and have brought about the true sense of education by disseminating knowledge and service to human society.

However, the University needs your active cooperation in terms of your latest developments in the field not only to update our knowledge about your profile but also to make it an inspiration for the present and future generations.

It would be very kind of you if you provide us with your suggestions to strengthen our relations as well as to uplift the glory of this institution as a landmark in the history of higher education. The University website www.prsu.ac.in is enough to acquaint you with its progress and prospects that always calls for your *alma mater* to enrich it for better.

The Pt. Ravishankar Shukla University Alumni Forum has planned to enlist all Alumni and make it available in print and also on University website for interactive communication. We are confident that this will bring out many valuable things by which the University as well as the alumni will benefit each other and share strong bonds as a firm background for the present and future generations. This will also prove an asset for the Golden Jubilee Ceremony of the University in 2014.

Chhattisgarh being an area abounded in tribes and dense forest with rich cultural heritage, the youth are still unaware of the opportunities lying outside. Alumni like you will undoubtedly open new horizons of progress by providing us with new information you have in your treasure.

Keeping the above in view, we have outlined the following format in which the information can be provided by the Alumni:

Name:	Year of Passing:
Discipline/Degree Obtained:	Current Position held:
Contact Address:	Email:
Phone No.:	Any Other Information:
Signature:	

It would be nice of you if you kindly remember other friends and bring into their notice the same to furnish and send us by email on prsualumni@gmail.com

With kind regards,

Alumni Coordinator
