Institute of Teachers Education Pt. Ravishankar Shukla University, Raipur

ABOUT THE INSTITUTE

Institute of Teacher Education is one of the vital bodies of Pt. Ravishankar Shukla University which epitomizes the manifestation of teaching excellence and research attitude among its pupil teachers and researchers. ITE has been envisioned to introduce and initiate future teachers into the process of transformation into efficient and competent beings who can lead and guide the children of tomorrow towards the world of knowledge and inculcate in them human values. With holistic training components, skill-orientation and value-education as the foundation of the teacher education, ITE has a vision of developing the future teachers who can take the task of shaping the next generation of students with a sense of responsibility for the nation. It has facilities to carry out research work in various aspects of education. ITE attracts large numbers of students from all corners of the country.

The Institute of Teacher Education came into existence in the year 2005, at present Prof. C. D. Agashe is holding the post of Head of the Institute and he is nurturing the ITE in a commendable manner. The Institute offers graduate and post graduate degree programs in Education. It enrolls 50 students in B.Ed. course and 50 students in M.Ed. courses annually. Students of B.Ed. courses are required to qualify the Pre- B.Ed. Examination conducted by

the SCERT and students of M.Ed. courses are selected through Entrance Examination conducted by Pt.RSU on the basis of merit.

VISION

To be a premier institution that offers to the society competent teachers who are humane, positive and multicultural in their outlook.

MISSION

To groom individuals to become teachers and facilitators of tomorrow with knowledge of rich traditions of and values of India. To usher in a new era of teachers education, focusing upon the integral development of teachers.

- To impart quality education to the students based on innovative teaching practices, preparing them to excel, to face all the challenges in their professional life and to develop them with competence and skills in their respective disciplines.
- The programme shall develop inclusiveness among the individuals, society and the world as a whole so that the teachers are not just adept in their subjects but also are facilitators of a broader perspective/outlook.
- To promote creative thinking, positive attitude, scientific temper and healthy competence among the students.
- To create awareness and sensitise the younger generation to shoulder greater responsibility towards preserving nature and humanity.
