One day workshop on “modern and conventional extraction techniques and their applications”

On 29th July 2025

University Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur (C.G.) organized one day workshop on “modern and conventional extraction techniques and their applications” at Centre for Herbal technology laboratory on 29th July 2025. The program was started with the keynote address of Prof. Swarnlata Saraf, Professor, University Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur (C.G.). She welcomed the gathering and underlined the importance of research on herbal drug and drug discovery. She also enlightens the knowledge of significant novel approaches for herbal drug research, as well as novel methods for pharmaceutical research. Program continued with the demonstration session in Herbal technology laboratory, Pt. Ravishankar Shukla University, Raipur (C.G.).

In the demonstration session, program coordinator Dr. Rakesh Tirkey demonstrated modern and conventional extraction techniques and their applications”.

All the students of M. Pharmacy and B. Pharmacy were actively participated and benefitted with his informative demonstration session, and the event ended with vote of thanks.
