UNIVERSITY GRANTS COMMISSION

GUIDELINES FOR THE UGC CHAIRS IN UNIVERSITIES DURING XII PLAN (2012-17)

1. Preamble:

India has a long history of scholarship in a variety of disciplines. The Universities provide the right platform for generation and dissemination of knowledge. The imperatives of skills and excellence to meet the challenges at national and global levels in a highly dynamic contemporary context require integration of social, cultural, and scientific dimensions into their teaching and research programmes. The university system should facilitate insightful thinking on all issues connected with focus on knowledge generation with an inter-disciplinary perspective. In order to enrich the academic resources of the university system for a deeper reflection on critical issues, the University Grants Commission has formulated the Scheme of Chairs in the name of Nobel Laureates and other illustrious persons who have been either Indian Citizen or are of an Indian Origin. In this background, Chairs are being established in the areas of their outstanding contributions. UGC will decide the number of Chairs to be established in different universities in the Plan Period.

2. Creation of the Chair:

Chair will be designated in the name of illustrious persons; Nobel Laureates and persons of eminence in the areas/fields of their contribution.
