School of Studies in Geology & WRM

Vision

To provide the highest levels of education through continuous revision and expansion of our educational, research, and outreach programs so as to turn out trained, competent geoscientists, academicians and professionals; capable of responding to the needs of the Society.

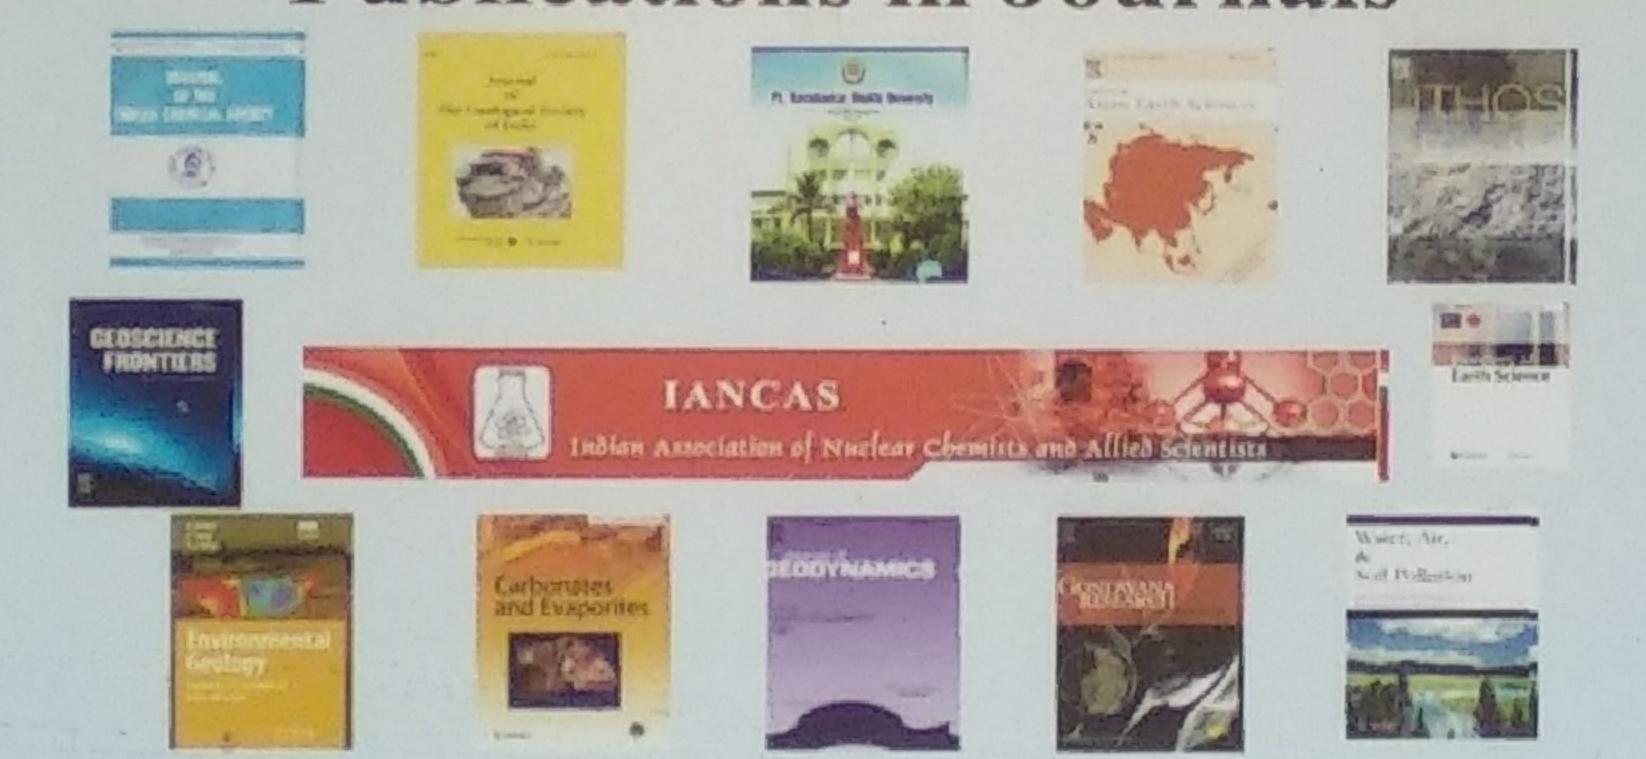

Mission

- · To develop in each student, critical thinking, enthusiasm, and the necessary skills to contribute for the betterment of the Society.
- Creation and dissemination of new knowledge through scientific research, so to contribute for the enrichment of Science and Society.

Laboratories Facilities-

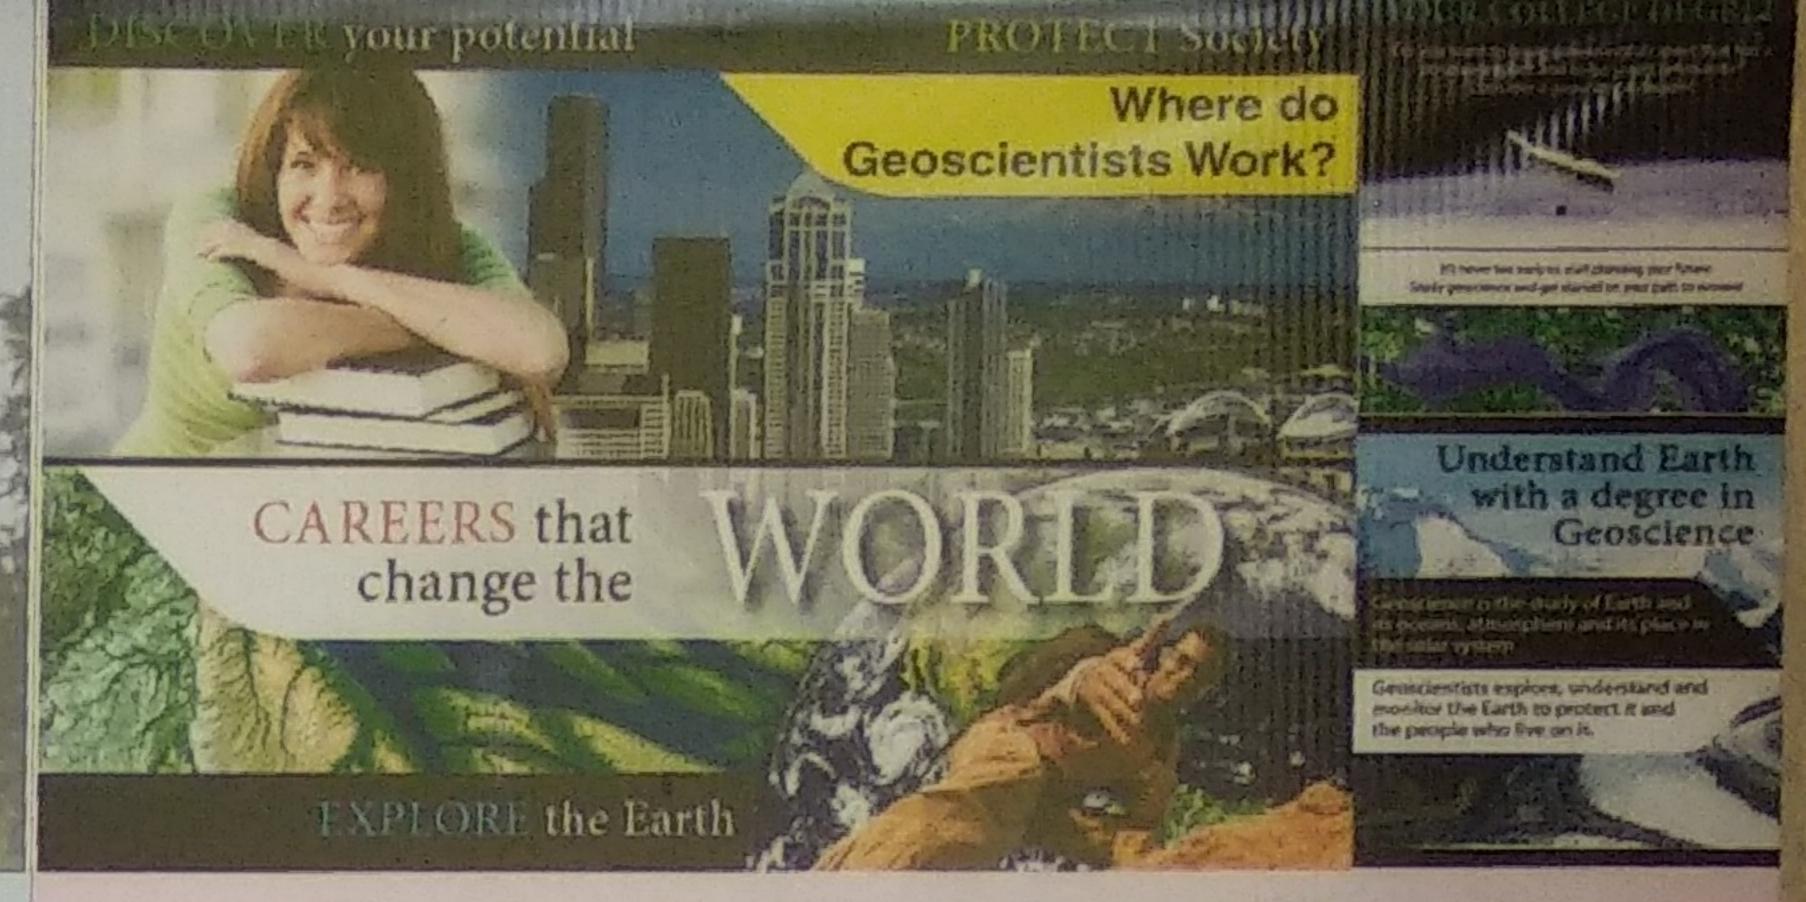

- Workshop for Rock Cutting & Thin-section preparation
- Petrology Laboratory
- Sedimentological Studies Facility
- Software for Petrology (Igpet)
- Geochemistry Laboratory
- Hydrogeology Laboratory
- Geophysical Instrumentation
- Remote Sensing Laboratory
- Computer Laboratory

Placement

evedanta

Academic Programs Offered.

Research Degree

- Ph D in Geology
- M Phil in Geology

Post Graduate Degree

- M Sc in Geology

Post Graduate Diploma

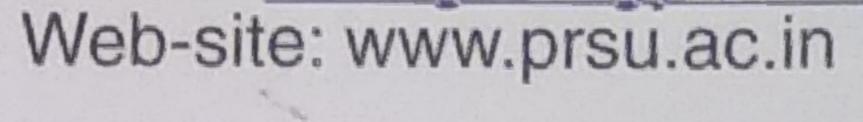

- Remote Sensing & GIS (MoU with CCOST)
- Water Resource Management
- Watershed Technology & Management
- Applied Hydrogeology (MoU with RGNGWTRI)
