Intellectual Property Rights Cell, Pandit Ravishankar Shukla University, Raipur, C.G. organized "**Mahamana Vyakhya Mala**" in association with Mahamana Malviya Mission Raipur Unit on 20th January 2024. Prof. Swarnlata Saraf, Chairperson, Intellectual Property Rights Cell, Pt. Ravishankar Shukla University Raipur C.G extended a hearty welcome to Swami Paripatayanand Ji from Vivekananda Ashram Raipur, Prof. S.K.Singh former Vice Chancellor, Bastar University and Prof. Vyas Dubey, Pt. Ravishankar Shukla University Raipur C.G, and to all the faculty members, research scholars, and students. She addressed Malaviya ji's message for the present era and described holistic education, imbibing the ideals of Indian ethics and human values to inculcate in our future generation. Thereafter Prof. S.K.Singh former Vice Chancellor, Bastar University delivered a speech on the New Education Policy (NEP) 2024 which ensures learners from diverse backgrounds with equal opportunities with emphasis on local languages and cultures, the policy promises a rooted yet global outlook for students, and also shared his experience with us. Swami Paripatayanand Guru Ji from Vivekananda Ashram Raipur has enlightened us and advocated for his followers to be divine, pious, and unselfish. He emphasized that success resulted from focused thoughts and action; in his lecture on Raja Yoga, he said, "Take up one idea. Make that one idea your life- think of it, dream of it, live on it." He said that purity, patience, and perseverance overcome all obstacles and suggested taking courage and work on patience and steady work, is the only way to get success. He quoted Swami Vivekananda, "Faith in ourselves and faith in God- this is the secret of greatness". His philosophy of education is based on universal principles of morality and ethics. He wanted to teach the common masses of India the ideals of synthesis, tolerance, and universal harmony. He inspired and motivated all with his verses. Prof. Vyas Dubey concluded the session with his remarkable words. At the end of the program, Dr. B. L. Sonekar proposed a vote of thanks to all.
