One day seminar on “Awareness of intellectual property among Researcher” On 27th March 2023

Intellectual property right cell, Pt. Ravishankar Shukla University, Raipur (C. G.) organized **one day seminar on “Awareness of intellectual property among Researcher”** on 27th March 2023. The program was started with Saraswati pooja followed by lamp lightening ceremony. The inaugural function was started with the welcome address by **Prof. Swarnlata Saraf, Chairperson of IPR Cell**, and Director, University Institute of Pharmacy of Pt. Ravishankar Shukla University, Raipur (C.G.). She briefed about theme of the program and explained the importance of intellectual property rights among the researcher. She welcomed Chief guest of the program **honorable Vice-chancellor, Prof. K.L. Verma**, Pt. Ravishankar Shukla University, Raipur (C.G.), guest speaker, faculty members, researchers of the university and the colleges. **Hon’ble Vice Chancellor Prof. K.L. Verma** appreciated for organizing such event for young scholars and outlined the role of the IPR cell in the academic development of the university. **Dr. Rohit Raja** Associate Professor & Head of Information Technology from Guru Ghasidas Central University Bilaspur was the special guest of the function. In the first session, the special guest and keynote speaker was **Dr. Rohit Raja** who explained the patent and types of patents by illustrating the different examples. **Prof. Swarnlata Saraf** highlighted the objectives and framework policy chronology framed by the IPR Cell, Pt. Ravishankar Shukla University, Raipur (C.G.). **The session was chaired by Prof. C D Agashe**, Department of physical education of the university. The second session started by the speaker **Dr. B. K. Sahu**, Scientist NRDC Nagpur. In his speech, **Dr. Sahu** highlighted the importance of patents and the role of NRDC to facilitate the scholars in filling the patent. Afterwards, a live demo session was conducted by **Mr. Mukesh Mishra** and **Pooja Menon**, in which they explained the process of e-filing with demonstration. The session was chaired by **Prof. Sanjay Kumar**, Professor & Head, School of Studies in Computer Science and IT of the university. In his speech **Prof. Sanjay Kumar** explained the process of copyright and motivated the scholars to file the copyrights. At the end of the program **Dr. L. S. Gajpal** finally proposed the vote of thanks to all speakers, resource persons and participants. The program was attended by lots of students, Research Scholars, Faculty Members and Guests across the state etc.
