**Sub: Additional Assistance for Construction of Building under Plan Block Grant during XII Plan. (2012-2017)**

Sir/Madam,

As you are aware the UGC has made allocation of its XII<sup>th</sup> Plan Assistance to the Colleges named as Plan Block Grant (PBG). This includes General Development Assistance + 14 Merged Schemes – 5 Equal Opportunity Schemes. Out of the Plan Block Grant, 80% is allocated for Capital Assets and 20% for Grant-In-aid. Under Capital Assets up to 50 % can be utilized for Building purpose and remaining 50 % can be utilized for Non-Building Heads.

Even though, there is a provision to utilize the 50% of Capital Assets grant for Buildings Construction, there are several representations that this grant is not adequate enough to meet the increasing needs of construction of the colleges. This is also true with escalation of construction cost and also the need to make provision for Ramps, Toilets for Physically Challenged persons in all Govt. funded Buildings. In order to meet these requirements, the UGC has decided to invite proposals to provide Additional Assistance for Construction of Building under Plan Block Grant during XII<sup>th</sup> Plan (2012-2017) with a maximum ceiling of One Crore to adequately meet the needs of the colleges.

**This assistance will be in addition to the Building component grant under Capital Assets already allocated and intimated to the colleges.**

The objective of the scheme is to provide financial assistance to Colleges for construction as well as renovation/extension (of existing buildings) viz. **classrooms, library, laboratories, administrative block, staff quarters and other buildings**, etc. under the scheme of 'Development Assistance' to the Colleges. The aim of this scheme is to help Colleges in the consolidation and expansion of infrastructure

Interested colleges, which are under 2(f) & 12(B) of U.G.C. Act 1956 (only govt. and govt. aided-private colleges), are requested to send their proposals as per the enclosed format. Since the proposals are to be placed before the Expert Committee for approval the proposals may be sent on or before **22 December 2014 to this office of UGC CRO, BHOPAL (M.P.)**. It may be noted that the XII<sup>th</sup> plan building construction guidelines have to be followed for implementing the construction.

With regards,

Yours faithfully  
  
(Dr. G.S. Chauhan)  
Deputy Secretary

**( Last date of submission of tentative proposal of Additional Assistance for Construction of Building is 22 December 2014.)**
