|       |                                                                                                                                                                                                                                                                                                                                         |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| PO-9  | <b>Ethics:</b> Demonstrate heightened ethical awareness, evaluating texts and cultural contexts responsibly. The learners will apply ethical considerations in scholarly pursuits, contributing ethically to the discourse within the field.                                                                                            |
| PO-10 | <b>Further Education or Employment:</b> Excel in further education or employment, equipped with advanced skills in analysis, communication, and critical thinking. The learners will showcase adaptability and strong foundation that will open doors to diverse career paths in academia, writing, publishing, or related professions. |
| PO-11 | <b>Global Perspective:</b> Possess a global perspective, adept at analyzing and interpreting diverse literary and cultural expressions. The learners will navigate global complexities, fostering a nuanced understanding of literature in a broader socio-cultural context.                                                            |

**PROGRAMME SPECIFIC OUTCOMES (PSOs):** At the end of the Programme, the student will be able to:

|      |                                                                                                                                                                                                              |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| PSO1 | Demonstrate a comprehensive understanding of literary theories and analytical skills, enabling identification, analysis, and documentation of specific linguistic characteristics in various literary works. |
| PSO2 | Attain a high level of employability in fields related to literary research, writing, and education, showcasing proficiency in literary analysis and interpretation.                                         |
| PSO3 | Appreciate, understand, and critically analyse the diverse roles of language in everyday interactions, literature, and cultural contexts.                                                                    |
| PSO4 | Get insight into Basic Pedagogical Principles relating to the teaching of both the English Language and Literature in English with fair understanding of existing formal structure of the various genres.    |
| PSO5 | Successfully qualify for national/state-level tests such as NET/SET, showcasing a mastery of literary knowledge and analytical skills in the English language.                                               |
