## **12. STRENGTH (In 100 words):**

Being keen interest in research and academic activities, actively engaged in Analysis, Investigation of Criminal cases and successful administration of Forensic Science Laboratories and Scene of crime mobile units of Chhattisgarh State which includes-

- Up- gradation of State Forensic Science Laboratory Raipur by installing high-precision latest equipments to improve quality of examination:
  - Ballistic Identification Systems
  - Write Blocker
  - Magneto Optical Sensor
  - FTIR
  - HPLC
  - Workstation for Cyber Crime
- Interoperable criminal justice system (ICJS) :  
Interoperable criminal justice system (ICJS) being one of the most useful real time digital platform for criminal network visualization. Real time online entries of cases received for examination and generating online receipt is being done under my supervision and after examination of the cases, information regarding report is sent through ICJS to concerning Superintendent of Police. Simultaneously reports are being uploaded on ICJS plate form facilitating each pillar of criminal justice system to see the reports immediately.
- With great efforts got Govt. permission for opening the Narco-test and Polygraph Test. Related training is also done by one Joint Director and one Senior Scientific Officer at Bangaluru and Mumbai lab. Working procedure manual has been prepared for polygraph

test. MOU with AIIMS Raipur for conducting Narco-test is under process. Both of these tests will start very soon in SFSL Raipur.

Cyber Crime branch is going to be established soon.

One more Regional Forensic Science Laboratory is being established in Durg.

Pendency is reduced to maximum of one month in all sections of forensic science laboratory being a big support to quick disposal of criminal justice system.
