Dear Sir,

Sub: Approval for student exposure cum training visit to Mainpur, Gariaband district

Greetings from Oxfam India!

We, at Oxfam India are implementing a project titled 'Access to Energy to improve forest based livelihoods' in 5 villages of Mainpur block, Gariaband district. One of the project activities is to train the newly constituted village energy committee members on renewable energy. We think this is a good opportunity for students studying renewable energy to understand and get exposed to rural energy dynamics so that they can link their theoretical learning with practical applications. We hope that the students will get to understand the energy needs of the forest fringe tribal communities and return to their study with a fresh outlook which is more solution driven.

They are expected to be present at Mainpur on 6th and 7th December 2018 (5 at a time). The travelling and fooding expenses will be borne by our partner NGO Khoj Evam Janjagriti Samiti based in Mainpur. Kindly grant your permission for this exposure visit.

Thanking you,

Yours sincerely,
Sandip Chowdhury
