Top 2% Scientists Worldwide 2023 by Stanford University

Stanford University has recently released an update of the list that represents the top 2 percent of the most-cited scientists in various disciplines. The report was prepared by a team of experts led by Prof. John Ioannidis, the eminent Professor at the Stanford University. The updated database (version 6) provides standardized information on citations, h-index, co-authorship-adjusted hm-index, citations to papers in different authorship positions, and a composite indicator.
