Preamble

Pt. Ravishankar Shukla University (PRSU), Raipur, is the citadel of higher education and provides excellent educational opportunities to a significant population, including the tribes in the Chhattisgarh region of the country. It is one of the oldest and the largest player in the educational arena of the region. It has been sincerely discharging its duty to fulfil the aspirations of the youth of not only Chhattisgarh, but also of those in its vicinity since its inception in 1964. In the last little over five decades it played the role of a mother and delivered many new universities in the region. Notwithstanding the troubles and turmoil associated with the said processes, it never deviated from its interest and investment in serving its students effectively.

It gives us immense pleasure in presenting the Self-Study Report (SSR) of the PRSU, to the National Assessment and Accreditation Council (NAAC) for institutional re-accreditation. We are neither novice nor timid to volunteer ourselves for the healthy mechanism of accreditation process designed and perfected by the NAAC one of the top accrediting agencies of the world. We are proud to say that the PRSU is the one and only HEI of Chhattisgarh that present itself to the THIRD accreditation cycle.

The PRSU has learnt a lot from its experience during two previous accreditation cycles and have taken several significant steps meticulously to convert its weaknesses to strength and challenges to opportunities. However, much remains to be done before we establish ourselves as an international brand in the realm of higher education and research.

We believe in the quote: “Arise! Awake! and stop not until the goal is reached.” – Swami Vivekananda

The SSR that we are presenting to the NAAC chronicles the efforts that we have made in the last five years to establish the PRSU as an excellent destination for the students to fulfil their aspirations apropos higher education.

Seeing is believing!

You are most welcome on our campus.

Making of the SSR-RAR

It is out of the question to complete this SSR-RAR without receiving whole-hearted cooperation from all the members of the PRSU family.

With humility the IQAC acknowledges the role played by every individual hiding inside the heading of each quadrant in the above smart art.

Of course, the IQAC owns responsibility for any errors, omissions or inadequacies that remain in this voluminous SSR-RAR.

Pandit Ravishankar Shukla University, Raipur, Chhattisgarh

Executive Summary

Pandit Ravishankar Shukla University (hereafter, PRSU) is one of the oldest and the largest higher education institutions (HEIs) of Chhattisgarh. It is recognized as the womb that has nurtured, educated and perfected most of the luminaries of Chhattisgarh. It is considered as the most revered bastion of higher education. It came into existence on May 01, 1964 by an Act of Legislature of Madhya Pradesh. It is named after Pandit Ravishankar Shukla (1877 - 1956) – a stalwart by all measures, the then first Chief Minister of Madhya Pradesh.

Chhattisgarh was carved out of Madhya Pradesh on November 01, 2000 as a new political entity. Synchronously the PRSU attained the *Numero Uno* rank among the HEIs of the new State. Its responsibilities accentuated in tandem with the rise in the expectations of the youth not only of the Chhattisgarh, but also of the States, namely Madhya Pradesh, Maharashtra, Odisha, Jharkhand, Andhra Pradesh in its neighborhood. In addition, it also caters to the needs of students, from far flung parts of the country, such as from West Bengal, Kerala, J&K and Andaman & Nicobar Island, in the realm of higher education and research.

The PRSU had a modest beginning with merely 46 affiliated colleges in its jurisdiction, in 1964. During the last 51 years, the university has grown enormously in terms of number of students, about 0.2 million and 11 disciplines, viz., arts, social science, education, physical education, science, life science, law, technology, management, commerce, home science in the university and 247 affiliated colleges spread over ten districts of the Chhattisgarh State.

The PRSU has 27 teaching departments on its campus, and offers basic and professional programs at various levels. Three and eight departments are proud recipients of SAP and FIST grants respectively from UGC and DST. The University is currently running an IRHPA project sponsored by Department of Science & Technology. Apart from these achievements, one of the departments of PRSU is a life-long recipient of library grants from the DAE and another department has received prestigious MODROB from AICTE. Recently, a prestigious Chair entitled, “Swami Vivekananda Chair of Comparative Religion, Philosophy and Yoga” was instituted with the support of the University Grants Commission. The PRSU in collaboration with TATA Institute of Social Sciences, Mumbai successfully completed an international project entitled, “Global Fund for AIDS, Tuberculosis and Malaria” with support received from the WHO.

The PRSU opened a new department “Hindi” after receiving generous support from the UGC under the XII FYP. The PRSU is one of the proud partners in the Vocational Skill Development Scheme for Youth in Higher Education System. The University has established one of the most ambitious program entitled, “Center for Basic Sciences” aimed at offering integrated five year PG programs in Physics, Chemistry, Mathematics and Biology. The most important features of the Centers are that it offers INR 5000.00 per month to all enrolled students of the center. This is considered at par with the centrally funded institution like IISER and NISER; however, most outstanding thing is that this is fully funded by the University and the Govt. of Chhattisgarh.

The PRSU, unlike other HEIs has extremely realistic, pragmatic and focused vision and mission. All its programs are designed in congruence with its vision and mission.

Vision

- To make quality higher education accessible to all sections of society, including the tribal population of Chhattisgarh
- To provide quality education in the disciplines of arts, humanities, social sciences, natural sciences and other disciplines of learning

- To develop human resource with world class competence and skills in the respective disciplines

Mission

- To develop the university as a centre of excellence for higher education and knowledge resource
- To promote understanding the value of self-learning, creativity and competence building:
 - By providing world-class education through university-teaching departments and schools
 - By promoting quality research in university schools and affiliated colleges
 - By creating environment conducive to nurture creativity and scientific temper
- All key aspects of the PRSU reflect its vision and mission. The details have been elaborated in the seven sections starting from criterion I to VII. In this Executive Summary the most important aspects the University has introduced and practiced in the last five years have been outlined.

CRITERION I - CURRICULAR ASPECTS

- The PRSU has a well-knit standard mechanism for the design and development of the curricula.
- The course components of each program are based on the syllabi of NET/SLET and other competitive examinations.
- The research programs of the PRSU follow the guidelines specified in the UGC Regulation 2009 apropos maintenance of minimum standards.
- The PRSU has implemented entrance examination for admission of students in M.Phil. and Ph.D. programs.
- The syllabus of Ph.D. course work is innovative and has incorporated all recent concepts, such as IPR, Plagiarism and Citation analysis.
- The PRSU has introduced several new interdisciplinary and innovative programs, such as PG programs in Environmental Science, Social Work, Geophysics, Five-year Integrated PG programs in Physics, Chemistry, Mathematics, Botany and Zoology; M.Tech. in Optoelectronics and Laser Technology; UG programs, like B.Voc. in Renewable Energy & Technology Management in the last five years.
- The PRSU has tremendous flexibility in the programs it offers. There are about 149 programs that include Certificate, Diploma, PG Diploma, UG, PG, Integrated Masters, M.Phil., Ph.D. and DSc/DLitt.
- The PRSU has introduced CBCS in all its PG programs.
- A few programs, namely Integrated PG and B,Voc, are modular in nature with flexible entry and exit options.
- The under graduates of this University irrespective of their subject can enroll for the PG programs in the following subjects, i.e., Anthropology, Economics, English, Hindi and Philosophy to name a few; reflecting lateral and vertical mobility within and across the offered programs.
- It has many value added programs, namely certificate course in Applied Research Methods, PG Diploma in Regional Planning and Development, PG Diploma in Yoga Education and Philosophy, PG Diploma in Psychology, Counseling and Guidance, PG Diploma in Personal Management and Industrial Relations, Women's Law and Gender Justice, PG Diploma in

Tourism and Hotel Management, Diploma in French and English; and higher order skill development program, namely B.Voc. in Renewable Energy and Technology Management.

- The most important and significant program introduced by the University is MA in Chhattisgarhi – which is in very high demand.
- The University has formalized feedback system and the IQAC regularly undertakes annual academic audit of all UTDs and affiliated colleges.

CRITERION II - TEACHING LEARNING ANDEVALUATION

- The PRSU adopts transparency in its admission policy.
- In Five-year Integrated Programs, national-level entrance test is conducted after publicizing admission notice in electronic, local & national print media.
- Admission into M.Phil. and Ph.D. programs are based on entrance examinations and qualifying mark is set at 50%. The qualifying mark at the Ph.D. course work examination is also set at 50%. The pattern of question paper is a blend of both objective multiple choice and subjective questions in the ratio of 3:2.
- Admission into all its professional programs is executed as per the norms of the respective regulatory bodies.
- The PRSU has shifted from traditional instruction paradigm to learning paradigm.
- The Wi-Fi facility has given tremendous impetus for the effective adoption and sustenance of learner centric teaching methodology. It has excellent ICT infrastructure for the teaching learning process (TLP).
- The 91% permanent faculty of the University is having Ph.D. degree and all of them participate in the process of curriculum design in various capacities in the BoS, Faculty and APEB.
- The IQAC monitors annual performance of each UTD, affiliated colleges and teaching faculty at the UTDs. The HRDC conducts several faculty development programs to keep the teachers abreast with the latest development in the field of teaching and research in their respective subject areas
- The University initiates adequate corrective measures after coming across any shortcomings in the teaching and learning processes.
- The IQAC conducts workshop on awareness programs for HoDs and teachers of the UTDs on feedback inventories.
- The University has introduced continuous mentoring system. The need analysis is performed for each enrolled students and appropriate measures are undertaken through tutorials and remedial classes. The needs of both slow learners and advanced learners are managed differently.
- The University has modified the pattern of question papers setting drastically, making it one of the most important steps taken in the direction of reform in evaluation process. Even the answer book is of 16 pages [8 A4-sized sheets] including the cover.
- This step has made the evaluation system more objective and transparent. It has also reduced the time involved for valuation and the expenses incurred.

CRITERION III - RESEARCH, CONSULTANCY ANDEXTENSION

- The PRSU has excelled tremendously in various research areas in the UTD during the last five years. Currently, **eight** departments have received grants under the DST-FIST scheme, **three** departments have received grants under the UGC-SAP scheme and three were completed during the assessment period.

- The University has received huge grants [**INR 905 Lac**] for research under the prestigious IRHPA scheme of the DST. Through this grant the University has established a center named “National Center for Natural Resources” [NCNR] in 2012. This center is fostering interdisciplinary research involving faculty from Life Science, Pharmacy, Biotechnology, Chemistry and Anthropology.
- The State Government has played a proactive role and granted about INR 300 Lac for the construction of **an independent building for the NCNR**.
- The various departments of the PRSU have mobilized INR 429 Lac from Extramural Funding agencies through ongoing Major & Minor Research Projects and INR 352 Lac in the form of completed projects. Through implementation of UGC-SAP, DST-FIST, AICTE-MODROB, DST-IRHPA and DAE the University has mobilized INR 1859 Lac.
- In the last FIVE years the faculty of the PRSU published 1643 articles, 52 books with ISBN, 25 edited books, 90 chapters in books and 5 monographs/reports.
- The SCOPUS and Google Scholar databases listed respectively 457 and 1158 documents.
- The SCOPUS h-Index increased from 27 [2010-2011] to 33 [Current]. This is the most significant achievement for the PRSU. It has enabled the PRSU as a formidable candidate to get PURSE grant from the DST. The PRSU also tops the chart with reference to h-Index among the 20 universities of Chhattisgarh.
- Top 10 Collaborating Countries [Source: SCOPUS database]. The picture below reflects collaborative documents listed in the SCOPUS database. The faculty of the PRSU published maximum documents collaborating with their peers in USA.

- The University has established SEVEN Innovative and Path-Breaking Research Centers using grants received from UGC (XII FYP Budget) and MHRD (RUSA budget). The centers are outlined below:

Name of the Center	Year of Inception	Grants
Center for Cognitive Science	2015-2016	XII Plan/RUSA
Center for Translational Chronobiology	2015-2016	XII Plan/RUSA

Center for Nano-science and Nano-technology	2015-2016	XII Plan/RUSA
Center for Geriatrics and Gerontology	2015-2016	XII Plan/RUSA
Center for Megaprojects in Multi Wavelength Astronomy	2015-2016	XII Plan/RUSA
Center for Integrated Tribal Studies	2015-2016	XII Plan/RUSA
Center for Herbal Drug Technology	2015-2016	RUSA

- These centers are interdisciplinary and trans-disciplinary in nature and are expected to yield significant research output.
- The faculty of PRSU has carried out consultancy project and has mobilized about INR 40.0 Lac in the last year. The PRSU has published the consultancy expertise of its faculty in the University web page specifying the areas wherein they can offer consultancy with full confidence.
- The NCNR is undertaking vigorous extension work that includes vegetation survey and auto immune disease survey initially in SIX designated districts of Chhattisgarh. This is one of the most important scientifically validated surveys conducted in Chhattisgarh for the first time.
- The PRSU has established the Public Outreach Center (POC) and it is functioning effectively from 2010. Under the aegis of the POC the faculty of this University are visiting different schools in the locality and delivering lectures on various aspects of education and research. The main purpose of the POC is to transmit new knowledge to the masses.
- Many other extension activities were carried out by the faculty of the PRSU [listed in the designated Criterion section].

CRITERION IV - INFRASTRUCTURE AND LEARNING RESOURCES

- University gives top priority for the development of infrastructure and procurement of learning resources. The PRSU is well aware that these are most important components for the enhancement of learning abilities and skills among the students.
- In the last FIVE years the PRSU provided good ambience to inculcate research culture among its faculty and students. It has developed physical infrastructure for ICT-based teaching and learning processes. It has provided very good e-resources in the library accessible to the faculty and students. It has also provided EZproxy facility for remote access to e-resources.
- The PRSU has established a sophisticated high end equipments facility in the IRHPA DST scheme funded NCNR. The facility includes NMR, LC MS MS, HPTLC, HPLC, AAS, RT PCR and PCR to name a few under a single roof. The individual departments supported by UGC and DST under SAP and FIST schemes, respectively, have developed very good instrument facility and network lab facility.
- In its various Departments/ Schools the PRSU has developed well furnished classrooms, ICT infrastructure with Wi-Fi facility. It has well-furnished hostels, health center and day care center, gymnasium and very good sports facility on the campus. The University has a very good language lab in the SoS in Languages & Literature.
- The PRSU has active Placement Cell, Career Guidance & Counseling Cell, Interdepartmental Linkage Cell, Research Promotion Cell, and Finishing School & UGC Coaching Center.
- The PRSU publishes all information related to admissions, examinations, results and notices on the University website.
- University is having well equipped department of Physical Education, Sports Centre, Play

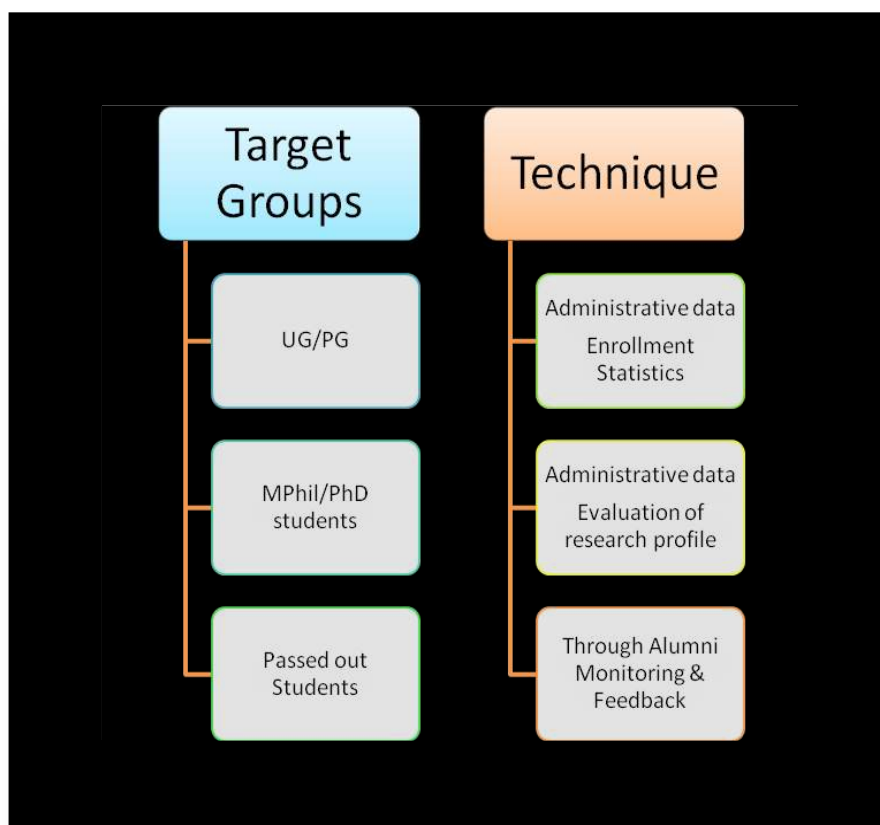

Grounds, Gymnasium to provide sports facilities for nurturing sporting talent.

- University Central Library and IT centre provide diverse learning resources.
- The University Library is well equipped with 192722 books, 2683 e-books, 8500+ e-journals, 142 print journals, and 5+ digital databases. The e-journals and databases are under the UGC INFONET digital consortium. The library uses SOUL software for automating the in-house operations and facilities. The IQAC has become instrumental in providing statistical package [SYSTAT 13] all UTDs.
- The PRSU has 750 sitting capacity Auditorium, Utility Center, Bank, Post Office, Railway Reservation Counter, USIC, Coffee House and Housing facility for teaching & non-teaching staff.

CRITERION V - STUDENT SUPPORT AND PROGRESSION

- The University has a well maintained library with print and electronic journals and other facilities elaborated above. The students are mentored on their academic, cultural and co-curricular activities.
- The PRSU has various cells [as outlined above] apropos, career counseling, placement, ragging, grievance redressal and coaching.
- The University has envisaged a Finishing School in the UGC Coaching Center. The UGC Coaching Center conducts special classes for SC/ST and General students, including Minority students. The students are trained for NET/SLET, Civil Services, Bank PO and other Administrative Services.
- There are no instances of ragging reported from the campus in the past two years.
- The students are encouraged to participate in the sports and other cultural activities. The PRSU conducts cultural and sports activities throughout the year for all-round development of the personality of the students. The students are encouraged to participate in the NSS as registered members.
- The M.Phil. and Ph.D. students are provided with scholarship from its own resources. The research scholars are provided with financial support for attending international conferences organized in India or Foreign countries. **This is one of the Best Practices of the PRSU and it was lauded during the IQAC Coordinator's Workshop held at the NAAC HQs from 4-5 July 2012.**
- The PRSU is one of the proud partners in the Vocational Skill Development Scheme for Youth in Higher Education System among ten universities of the country. The program has been implemented in two of the affiliated colleges, namely Govt. MV PG College, Mahasamund and Kalyan PG College, Bhilai since 2013 and will remain tenable for three years. The focus of this scheme is on rural universities. The aim is enabling students to gain employable skills while undertaking community work that brings about sustainable social change.

- The PRSU continuously tracks the progression of students of various levels, such as UG/PG, Research students and Passed out students through IQAC, Staff Council of each UTDs and Alumni Association.
- The IQAC through annual academic and administrative audits gather information about students profile and examines enrolment statistics and highlights the demand ratio for each academic programs offered by the PRSU.
- The Centre for Women Studies (CWS) of the PRSU organizes workshop on “*Gender Sensitization and Gender Equality*” in order to create awareness among the youth and increase their affirmative contribution in ensuring gender equality.

CRITERION VI - GOVERNANCE, LEADERSHIP AND MANAGEMENT

- The PRSU revises and restructures its curricula on regular basis as per the prescribed guidelines under the supervision of Statutory Bodies.
- Due cognizance was given to the feedback from stakeholders and industry.
- The recommendations of UGC and other regulatory bodies are also considered during the process of curricula development and restructuring.
- Nominated peers and external subject experts also provide valuable inputs during the process of curricula development and restructuring.
- Efforts are made to design the curricula congruent with NET and other competitive examinations. Efforts are made to incorporate new knowledge and development in the curriculum of each subject.
- The University adheres to pre-published academic calendar.
- In regular meetings of the HoDs of various UTDs emphasis is given to make teaching and

learning student centric, i.e., **learning paradigm.**

- All UTDs are provided with Internet connectivity [wired] and WiFi facility for the promotion of ICT based teaching-learning methods.
- Most of the teachers use power point presentation and online resources while teaching.
- ICT-based teaching learning method is encouraged.
- Many departments have interactive Smart Boards.
- Subject specific seminars, poster presentations have been internalized as the regular components of the curriculum.
- Symposia/Conferences/Workshops are regularly organized with student participation in each UTD to ensure exposure to new knowledge and also interactions with the peers.
- The PRSU has made a drastic revision and restructuring in the pattern of question paper and answer book and this is being adopted for the 5-year Integrated PG course from this session and it will be adopted for other programs from the next academic session.
- The PRSU declares all examination results online and retrieval of mark-sheet online.
- The enrolment, examination form/ document submission and examination fees payment have been made online.
- The performance of students is assessed continuously and comprehensibly through internal tests in addition to end semester examinations.
- The PRSU has strengthened its Grievance Redress mechanism through following ways: (a) the revaluation procedure is transparent and student friendly, but only in the programs having annual examination system; (b) the re-totalling method is adopted for programs with CBCS; (c) the PRSU has provision to issue photocopy of the answer book.
- Establishment of Research Promotion Cell and Patent Cell. This year one patent has been filed at the national level.
- Workshop on IPR is organized.
- Establishment of Plagiarism Cell in the Library. It has been made mandatory to get a clearance from this cell prior to submission of Ph.D. thesis.
- Workshop on Scientometrics is organized to ensure that faculty and research scholars publish their findings in quality journals with IF and in those listed in SCOPUS.
- Workshops on “How to write research projects and How to write research papers” are organized periodically.
- This year seven innovative and path-breaking research centers were sanctioned through grants received under the RUSA and XII Plan [Please refer section 1.5 of this AQAR also].
- Entrance examinations are conducted for admission into research programs, such as M.Phil. and Ph.D.
- Rigorous course work is conducted for Ph.D. students and the pass mark is 50% both at the entrance test and also at the course work examination.
- The Ph.D. students write comprehensive reviews while carrying out their course work and at the end they present their review work before a Panel of Examiners.
- The research work is regularly monitored through the DRC established in each department subject-wise.
- It has been mandatory to publish at least one paper in the peer review journal before the submission of the Ph.D. thesis.
- The PRSU organizes national, international, state level symposium, seminars, workshops and conferences regularly to keep research scholars and teachers abreast with the latest

development in their subject/field of research.

- The research scholars were provided with travel grants to attend international conferences from University's own resources. **This is one of the Best Practices that the University has been practicing since 2010-2011.**
- The PRSU motivates the faculty for research linkages at national and international level to carry out collaborative research.
- The University library has e-repository called, "Giyankothi."
- IP-based e-resources can be remotely accessed through the EZproxy.
- Pt. Sundarlal Sharma Library of the PRSU is the largest university library of the State and one among the leading university libraries of the country.
- This year the library developed an independent URL and is linked with PRSU website.
- It has purchased 6297 books in 2014-2015 and overall increase in its collection rose to 7523.
- The library is equipped with ICT and online resources [Please see screen shot below], such as e-journal, e-book, e-thesis, and e-database etc.

- New departmental buildings were inaugurated.
- Buildings of few departments were expanded.
- Arts and Science blocks were renovated.
- New hostels are under construction.
- Utility Center building was inaugurated (Date of Inauguration: 16 November 2015).
- Seminar halls in Life Science and Pharmacy buildings were constructed.
- The Golden Jubilee Gate was inaugurated (Date of Inauguration: 16 November 2015)
- The NCNR is the only center in the whole of the Central and the eastern India that boasts of having state-of-the-art sophisticated equipments [purchased in 2014-2015].
 - NMR
 - LC-MS-MS
 - HPTLC
 - AAS

- FTIR
- RT PCR

This is considered to be a unique facility developed with the efforts of the University through IRHPA scheme of the DST, New Delhi. The facility is open for all researchers of Chhattisgarh state.

- The VC of the PRSU chairs review meetings of each Section and Department of the University to ensure optimization of human resources. He monitors progress of various assigned and designated work assignment personally.
- Facilities and benefits, such as loan for purchase of vehicle/ computers/ grains etc. are extended to enhance cordial and happy-go-lucky work culture in the university.
- The best performing non-teaching and teaching staff are respectively honoured every year on the occasion of the Foundation Day of the University. Certificates of Appreciation are awarded to the non-teaching and teaching staff.
- Workshop and hands-on training programs are organized for the augmentation of the computer skills of the support staff.
- In exceptional conditions financial help is provided to the employees suffering from serious health problems even if they have opted for MA.
- The University practices Performance Based Appraisal System (PBAS) to evaluate the performance of the faculty in teaching, research and extension programs.
- The IQAC computes Academic Performance Indicator (API) as per the guidelines issued by the UGC. The API is regularly used for the implementation of CAS.
- Periodically the University fills in vacant teaching and non-teaching positions. The University has already published vacancy advertisement in the print and electronic media. The process of scrutiny of the applications received through online submission has been initiated. The IQAC monitors promotion of teachers under the CAS.
- The IQAC played key role in designing and finalization of online application form.
- Contract teachers and guest faculty have been appointed for the current session against the vacant posts.
- The University encourages appointment of visiting professors and adjunct professors.
- The process of appointment of faculty is transparent and reliable.
- The University has very active University Industry Partnership Council (UIPC) established in 6th July 2012. It regularly conducts interaction meetings with the local industrialists. In the current session on 2 February 2014, the Hon'ble VC of PRSU addressed the gathering of officials and entrepreneurs of Chhattisgarh during their Corporate Social Responsibility (CSR) Meet and apprised them about the need for carrying out CSR activities under the banner of the UIPC, PRSU. The results of such meetings often bear fruits. One hostel for boys is being constructed [2000 m² constructed area] with grant of INR 400.00 lac received from Power Grid Corporation of India Ltd. A MoU has been signed with the Power Grid Corporation that will remain in force till 31st March 2017.
- In summary, the UIPC of the University is incessantly active to strengthen the bond between the PRSU and the local Industries.
- The PRSU publicizes admission advertisement widely in the print and electronic media, including the university website.
- The application is received online for all UG and PG courses of the UTDs.
- Organizes joint career counseling for students of related subjects for selecting the right

academic programs.

- The prospectus provides detail accounts of the academic programs and specializations available in UTDs.
- The admission to PG programs are made on merit basis following the Reservation policy of the State.
- The admission notice for M.Phil. and Ph.D. program is also widely publicized in both print and electronic media, including the university website.
- Admission to all research programs are made on the basis of Entrance Test.
- For Ph.D. program students are admitted only when they succeed in the Course Work examination.
- The names of successful candidates are published in the university website.
- Admission in the professional programs is made following the guidelines of the respective regulatory bodies.

- Our target is to strengthen the bond between the University and Industry. We have planned to organize sensitization programs involving all stakeholders. Further, we have also planned to organize workshops and seminars at regular intervals with the idea that the concepts and objectives of the UIPC are not easily forgotten or dismissed as unimportant if it is not in the direct view of the Industrial Conglomerates.
- In many UG and PG programs students visit local industry to have onsite experience of industrial setup, management, work culture and technical skills.
- The PRSU publicizes admission advertisement widely in the print and electronic media, including the university website.
- The application is received online for all UG and PG courses of the UTDs.
- Organizes joint career counseling for students of related subjects for selecting the right academic programs.
- The prospectus provides detail accounts of the academic programs and specializations available in UTDs.
- The admission to PG programs are made on merit basis following the reservation policy of the

State.

- The admission notice for M.Phil. and Ph.D. program is also widely publicized in both print and electronic media, including the university website.
- Admission to all research programs are made on the basis of entrance test.
- The Ph.D. program students are admitted only when they succeed in the Course Work examination.
- The names of successful candidates are published in the university website.
- The PRSU has number of welfare schemes for its students [highlighted below], teachers and non-teaching staff.
- Free NET/SET and Remedial Coaching classes for SC/ ST/OBC and Minority
- Free health check-up
- Free medicine
- Students welfare fund
- Travel grant to research students for attending international conference organized in foreign countries and India
- Scholarships to M.Phil. and Ph.D. students

CRITERION VII - INNOVATION AND BEST PRACTICES

Numbers of innovations are introduced in the last five years:

- Awards for Best Performing Department
- Awards for Best Performing Affiliated Colleges
- Best Teacher Awards for academic excellence in each category of teachers belonging to Science Streams and Social Science Streams
- Inception of Center for Basic Sciences that offers Integrated PG programs in Physics, Chemistry, Mathematics, Botany and Zoology
- Inception of IRHPA Center – National Center for Natural Resources
- Initiation of innovative programs like M.Tech. in Optoelectronics and Laser Technology
- Initiation of B.Voc. program in Renewable Energy & Technology Management
- Establishment of seven (7) Innovative Path-breaking Research Centers
- Inauguration of Utility Center
- Giving Awards to best performing Research Scholars has been planned and will be implemented in this session.

The PRSU has a sprawling campus spread over 300.17 acres. The PRSU has taken several initiatives to spread awareness on environment and its protection. Some of them are listed below:

- Substitution of sodium vapour street lamps on the campus with LED lamps/solar-powered lamps
- Domestic waste management mechanism is in place
- Celebration of “World Environmental Day”
- Botanical Survey of campus vegetation
- Regular conduct of plantation drive

- Declaration of a “car free day” in each month
- Survey of exotic African mollusc pest on the campus
- Declaration of campus as “No Horn Please” zone
- Declaration of campus as “Tobacco Free” zone
- Declaration of campus as “Polythene Free” zone
- Water recharge initiative is adopted
- Conduct of green audit in the campus

SWOC Analysis Outcome

Strengths

- One of the oldest and the largest public sector universities in the State of Chhattisgarh with low tuition fees that offers quality higher education that caters to under privileged population from rural back ground.
- Well-qualified research-enabled teaching faculty (92.0% with PhD) that publishes research papers in indexed journals with IF.
- The PRSU has a healthy h-Index of 33 and tops the chart consisting of 20 universities in the State.
- Fully automated central library possessing large number of books, journal and e-learning resources.
- University has state-of-the art instrumentation facility that includes NMR, LC-MS-MS and HPTLC to name a few.
- The University offers CBCS in its academic programs.
- The University hardly encounters student and teacher unrest.

Weaknesses

- Limited linkages with the society, industry and international institutions. Teaching departments does not have financial and administrative autonomy
- The PTR is low in few teaching departments
- The university does not have a finishing school

Opportunities

- Of late, the growth rate in the population of pupil seeking admission in HEIs exhibits upward trend leading to very high demand for UG, PG and Ph.D. programs
- The State has been endowed with rich biological and mineral resources.
- Research initiative for sustainable usage of herbal and medicinal plant resources of the State
- Research initiative in the area of endemic diseases, such as sickle cell anemia, filaria, malaria and auto-immune diseases.
- Tapping of extra-mural research funding from international funding agencies

Challenges

Action Taken Report on the Suggestions of the Previous NAAC Peer Team

(September 23, 2010)

S. No.	Suggestions	Action Taken																																								
1	The institution may strengthen interdepartmental linkage and linkage with other institutions of repute for quality enhancement and with industry for consultancy services and resource generation	<p>Several efforts have been initiated for the strengthening of interdisciplinary linkages. A central facility with the collaboration of five departments, namely SoS Life Sciences, Institute of Pharmacy, SoS Biotechnology, SoS Chemistry and SoS Anthropology has been established in 2012 in the form of National Center for Natural Resource (NCNR) with the financial support of INR 905 Lac received from DST under the IRHPA scheme. The university has established following 7 interdisciplinary centers in 2014-15:</p> <ol style="list-style-type: none"> 1. Center for Cognitive Science 2. Center for Translational Chronobiology 3. Center for Nano-science and Nano-technology 4. Center for Geriatrics and Gerontology 5. Center for Integrated Tribal Studies 6. Center for Herbal Drug Technology 7. Center for Megaproject in Multi Wavelength Astronomy <p>The University has established collaboration with Power Grid Corporation and a new Boys Hostel is being constructed with their financial support. The university has much individual and institutional collaboration which are reflected in the SCOPUS database. The details are as follows:</p>

The PRSU is one of the biggest and the largest universities of Chhattisgarh

Founded in 1964, the PRSU celebrated its golden jubilee year of inception in 2013-2014. It caters to the higher education aspirations of the students of not only Chhattisgarh, but also in the populace in the neighbouring states of Madhya Pradesh, Uttar Pradesh, Jharkhand, Odisha, Andhra Pradesh, and Maharashtra. Additionally, students from far flung regions, such as Kerala, Jammu & Kashmir, West Bengal and Andaman & Nicobar Island also enrol themselves for their higher studies.

The PRSU is the pride of the capital city of Raipur. This is the city where Swami Vivekananda spent a couple of years of his childhood. Many statesmen, technocrats, top-notch scientists and Nobel laureates, namely Late Smt. Indira Gandhi, Late Dr. APJ Abdul Kalam, Shri Pranab Mukherjee, Shri Atal Bihari Bajpai, Dr. Manmohan Singh, Shri Sam Pitroda, Shri Anil Kakodkar, His Holiness Dalai Lama and Dr. Robert Huber, to name a few, have visited our campus.

The National Center for Natural Resources - A Unique Center

The PRSU houses on its campus the NCNR, which is the only center in the country that carries out research on the prevalence of autoimmune disorders and parallelly mapping out traditional health care practices in the control and cure of autoimmune disorders, namely rheumatoid arthritis (RA) and psoriasis (PSO). The NCNR is actively engaged in identifying active phytochemicals in the designated plants and herbs. The expected findings of the project will become the backbone for the development of drugs against the RA and PSO. The NCNR tries to explore the traditional knowledge (TKs) still preserved in the far flung rural and tribal areas of Chhattisgarh. This domain of R&D activities initiated by the NCNR hitherto has been a neglected grey area of research in the whole country apropos autoimmune disorders.

The NCNR – akin to Chinese Academy that owns Nobel for Medicine

The award of Nobel Prize in Physiology/Medicine for the 2015 to Youyou Tu (China) for her discoveries concerning a novel therapy against Malaria has firmly established the importance of translation of traditional knowledge to drug development. She has been working at the China Academy of Traditional Chinese Medicine, Beijing, China. The NCNR is akin to the Chinese Academy. It is high time that the government of India should promote researches on traditional medicine with a hope for the development of a wonder drug for the RA and PSO.

The NCNR is the one and only one in the whole of Central and Eastern India

The NCNR is the only center in the whole of the Central and the Eastern India that boasts of having equipments namely, NMR, LC-MS-MS, HPTLC, AAS, FTIR, PCR, RT PCR to name a few under the same roof. This is considered to be a unique facility developed with the support of the Department of Science & Technology, Ministry of Science & Technology, Government of India, New Delhi. The efforts made by the PRSU are indeed laudable.

The PRSU Inspires 11th and 12th Graders through DST's INSPIRE Program

Pt. Ravishankar Shukla University, Raipur has been organizing Summer and Winter camps on regular basis for the toppers (top 1%) of Class X Board [CG/CBSE/ICSE] examination since 2010. About 2500 students have already attended 12 Internship Camps organized so far. The University designs camps in such a way to make the participants feel the joy of studying basic science and pave the way for strengthening the resource base of Science and Technology. The camp includes interactive lectures of renowned scientists, Shanti Swarup Bhatnagar awardees, fellows of the National academies and successful young scientists. Enormous success of these camps inspired the University to establish the Center for Basic Sciences (CBS) on its campus.

The CBS has started its journey with the first batch 40 meritorius students enrolled for their 5-Year Integrated MSc in basic science subjects.

CBS and its hallmark – An Innovative Initiative

The Center of Basic Sciences (CBS) came into existence in 2015 with the following objectives:

The CBS offers 5-year integrated M.Sc. programs, amenable to 12th graders, in select areas of basic sciences, notably, Physics, Chemistry, Mathematics, and Biology (both Botany and Zoology).

- The CBS has planned to offer Integrated PG-PhD program, Research-based PG and PhD alone programs - the ultimate hallmark of the CBS.
- The principal objective of the CBS is to motivate talented 12th graders to take-up basic science subjects as their career undertaking.
- The goal of the proposed center is to produce first class scientists and the first class science teachers.

The CBS is catering to young 12th graders of Chhattisgarh, including 32 percent populations of scheduled tribes, also Particularly Vulnerable Tribal Groups (PVTG) of far flung *Abhujmad* area. The CBS is [will be] beneficial to the top one percent brilliant students of the entire State. Probably the PRSU is the only State Universities of the country that has embarked on opening such an institution without taking any financial aid from the Central Government.

The most important feature of the CBS is that each enrolled student gets a monthly scholarship of INR 5000.00.

Best Practice and Benchmarks are among the Best in the Country

The PRSU's Benchmarking in Higher Education and Best Practice were lauded at Bangalore during the IQAC's Directors' meet [4-5 July 2012]. Its efforts were appreciated for the benchmarks it has developed for itself through the involvement of the IQAC and the Vision Committee.

The Public Outreach Center – Delivering Knowledge to Masses

The Public Outreach Center (POC) of the PRSU was established in 2010 and has been doing its business with perfection, conviction and sincerity.

The main objective of POC is to expose the general public and the society at large to the academic/ research activity of individual faculty member of the university with special reference to introduce them about the creation of new knowledge and the dissemination of the knowledge created elsewhere in the World. The motto of POC has been to help the public to know about PRSU in its reality and get exposed to its accountability. In fact, everyone gets benefitted when such information are shared, as every individual in the society is anxious to be informed and wishes to be involved in the process of generation of knowledge in the realms of Science, Social-science and Humanity.

Through eminent and top-notched scientists and academicians it has been translating complicated science stories to simpler forms that are lucid and graspable to the masses. This activity of the POC is one of the most popular events organized periodically on the campus of the PRSU.

Sharp strides in Research Output

The *h*-index for these documents is 33

Of the documents considered for the *h*-index, 33 have been cited at least 33 times

There has been a sharp stride in research output of the faculty of the PRSU in the last five years. The PRSU tops the chart apropos SCOPUS's h-Index among 20 Universities of Chhattisgarh and many others in the vicinity.

Criterion I: Curricular Aspects

**Pt. Ravishankar Shukla University, Raipur
Chhattisgarh**

CRITERION I: CURRICULAR ASPECTS

1.1 Curriculum Design and Development

1.1.1 How is the institutional vision and mission reflected in the academic programmes of the university?

VISION

- To make quality higher education accessible to all sections of society, including the tribal population of Chhattisgarh
- To provide quality education in the disciplines of arts, humanities, social sciences, natural sciences and other disciplines of learning
- To develop human resource with world class competence and skills in the respective disciplines

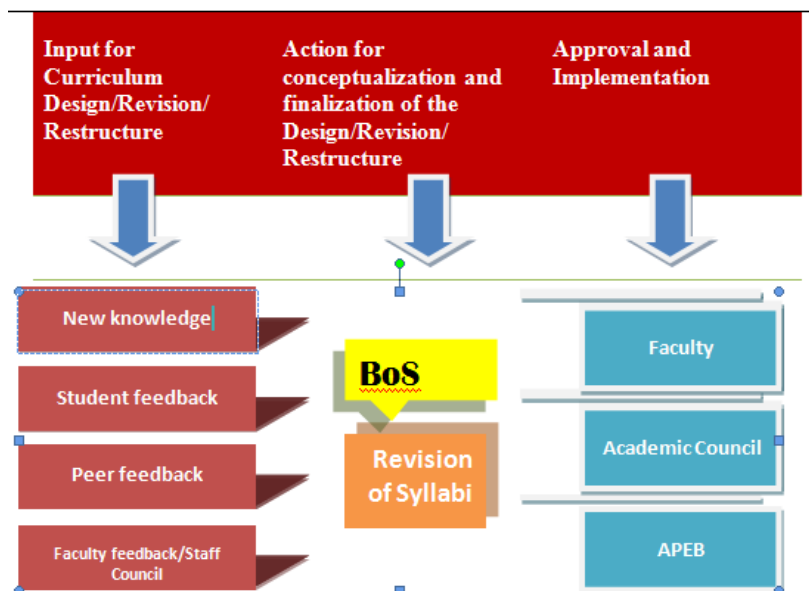

MISSION

- To develop the university as a centre of excellence for higher education and knowledge resource
- To promote understanding the value of self-learning, creativity and competence building:
 - By providing world-class education through university-teaching departments and schools
 - By promoting quality research in university schools and affiliated colleges
 - By creating environment conducive to nurture creativity and scientific temper

The vision and mission of PRSU is very much reflected in the academic programs which have been designed keeping in mind the local and focal needs. The courses are envisaged with an aim of all round development of its stakeholders. The graduates of this university are making their presence felt not only nationally but also internationally in all walks of life. Twenty seven University teaching departments and schools on this campus are committed for world class education, qualitative research and conducive environment for its stakeholders.

1.1.2 Does the university follow a systematic process in the design and development of the curriculum? If yes, give details of the process (need assessment, feedback, etc.).

The university has a standard mechanism for the design and development of the curriculum. The regional needs as well as the feedback from its stakeholders are given importance while designing and developing the curriculum. The Board of Studies of various subjects meets at least twice in a year. The recommendation of the BoS's are approved by the faculty and subsequently by academic and executive council. Representatives of students are also invited to participate in the BoS meetings. In few BoS the local industrialist participate as members and provide valuable input for the development of the curriculum.

1.1.3 How are the following aspects ensured through curriculum design and development?

➤ **Employability**

- The syllabus of PRSU is in tune with the UGC model curriculum.
- The need analysis of the local industries is performed through UIPC meetings inviting their representatives.
- The syllabi of competitive examinations namely, UPSC and State PSC are given due cognizance and the missing components are included in the syllabus. This process facilitates students of this university to excel in various competitive examinations.
- Of late most of the BoS are including components from the NET/SLET syllabi.

➤ **Innovation**

- The university following UGC guidelines of 2009 has introduced entrance examination in M.Phil. and Ph.D. open to all.
- IPR, Plagiarism and Citation analysis has been included in course work syllabi.
- Training for researchers is offered to following programs
 - Workshop on manuscript preparation
 - Workshop on SCOPUS, h-index and i10 index analysis
 - Awareness workshop for plagiarism check
 - Workshop on publishing in academic journals
 - Workshop on computer and statistical tools awareness

➤ **Research**

- The M.Phil. and Ph.D. course work syllabi have been introduced which covers contemporary topics of the respective subjects (Regulation 175 and Ordinance 45)
- Provision of Seminars and writing of Review Articles in course work and pre Ph.D. programs.
- Field work/ survey have been included in the syllabus wherever required.
- Introduced pre Ph.D. presentation and publication of research papers in approved journals.

- Research methodology component, statistical analysis, and computer application have been included in the PG syllabus.

1.1.4 To what extent does the university use the guidelines of the regulatory bodies for developing and/or restructuring the curricula? Has the university been instrumental in leading any curricular reform which has created a national impact?

- The University follows the guidelines of the regulatory bodies in developing new programs and also in restructuring the curricula.
- The needs of local and regional issues are also kept in mind in framing the courses. The adoption of Semester system by the University is an outcome of such guidelines.
- The university has switched to grading system in PG courses since last few years.
- The CBCS system has been implemented on the campus in PG programs.
- The norms of regulatory bodies like NCTE, AICTE, BCI and PCI are followed by the respective departments and Subject specific BoS.

1.1.5 Does the university interact with industry, research bodies and the civil society in the curriculum revision process? If so, how has the university benefitted through interactions with the stakeholders?

Yes.

The University interacts with different stakeholders on the curriculum revision. It collects the feedback from its peers, subject experts from different university and institutes and follows the guidelines of various respective regulatory bodies in finalization of the syllabi. The inputs from visitors from corporate sectors, renowned academicians and researchers following interaction and discussion with them on the course outline and the curriculum are taken into consideration for reviewing and revising the course outline. The faculty members are encouraged to participate in various national/international level seminars, conferences, symposia, workshops and faculty development programs. Inputs received by the faculty from different participants (researchers) of these programmes are always considered in redesigning and developing curriculum.

1.1.6 Give details of how the university facilitates the introduction of new programmes of studies in its affiliated colleges.

The programs approved by the Board of Studies, faculty, APEB, AC and EC are introduced in the UTD departments and affiliated colleges. The college teachers are members of the statutory bodies of the University. The college applies to the University for running various courses and after due scrutiny of the application and the duly constituted team visited to the college inspecting the feasibility of the conditions for running the course after affirmative reports, the University approves running the course in the college. The HRDC organizes orientation program for the teachers of affiliated colleges in case of difficulties in operation and apprise them.

1.1.7 Does the university encourage its colleges to provide additional skill-oriented programmes relevant to regional needs? Cite instances (not applicable for unitary universities).

Yes.

The University encourages its Schools on the campus and also the affiliated Colleges to provide skill-oriented programs to the students of regional and contemporary needs. The University facilitates colleges for introduction of **add-on** courses as per the demand of students. Several colleges are offering **add-on** courses to their students. The University under NSQF scheme has started B. Voc. Program in Renewable Energy Technology and Management from the academic session 2015-16 on its campus. The University has also submitted a proposal for B. Voc. in Gemology looking into the needs of local people. The University has submitted a proposal to State Govt. for establishment of Center for skill development in the campus.

1.2 Academic Flexibility

1.2.1 Furnish the inventory for the following:

➤ Programmes taught on campus

Programs	Number
UG	7
PG	38
Integrated Masters	1
M.Phil.	24
Ph.D.	32
Certificate	4
Diploma	3
PG Diploma	8
Any other (DSc/DLitt)	32
Total:	149
The copy of prospectus of the University for academic session 2015-16 is enclosed in the annexure.	

1.2.2 Give details on the following provisions with reference to academic flexibility

a. Core/ Elective options

- The University runs wide array of programs starting from certificate courses to research programs of various duration.
- Elective papers are offered within the program
- Several elective papers have been introduced across the programs.

b. Enrichment courses

- Enrichment courses are provided under the provision of CBCS. It is mandatory for the students to enrol for six credit over and above prescribed credits for the subject. Still the student can go another three or four more credits to enrich their knowledge and skills.

c. Courses offered in modular form

The University offers following programs in modular form.

- Integrated PG program in Physics, Chemistry, Mathematics, Biology, so that the students can exit after three years with an honours degree.
- B.Voc. with flexible entry and exit.

d. Credit accumulation and transfer facility

- The students have an option to carryout his/her course work in approved research center and other national institution of repute.

e. Lateral and vertical mobility within and across programmes, courses and disciplines

- The graduates of this University in irrespective of their subject can enrol for the PG programs in the following subjects, i.e., Philosophy, Anthropology, Economics, English, and Hindi to name a few.
- Provision of lateral entry for diploma holders to degree course in Pharmacy.

- In M.Phil. program of Bioscience post graduates from diverse disciplines such as Botany, Zoology, Microbiology, Biotechnology, Environmental Biology, Biochemistry etc. are eligible to take admission however they have to appear at the entrance test and have to score mandatorily 50% as qualifying marks.
- In M.Phil. program of linguistics post graduates from Hindi, English, and Chhattisgarhi are eligible to take admission however they have to appear at the entrance test and have to score mandatorily 50% as qualifying marks.
- In M.Sc. Mathematics graduates with B.E. and B. Tech. are eligible to take admission after qualifying in the bridge-course.
- In Regional studies graduates from different science and social science are eligible to enrol into the Ph.D. program offered by the center.

Many certificate, diploma and PG diploma courses are open for PG and Ph.D. students, which they can opt along with their parent program.

1.2.3 Does the university have an explicit policy and strategy for attracting international students?

Currently no such policy exists for international students. However provision of student exchange exists under MoUs with different foreign Universities.

1.2.4 Have any courses been developed targeting international students? If so, how successful have they been? If 'no', explain the impediment.

Currently such courses are not offered for international students. However international students can enrol in any of the existing program.

1.2.5 Does the university facilitate dual degree and twinning programmes? If yes, give details.

Currently not existing

1.2.6 Does the university offer self-financing programmes? If yes, list them and indicate if policies regarding admission, fee structure, teacher qualification and salary are at par with the aided programmes?

Yes.

The University offers few programs through self finance mode (Copy of prospectus 2015-16 enclosed in the Annexure; Please refer Page number 19-21).

1.2.7 Does the university provide the flexibility of bringing together the conventional face-to-face mode and the distance mode of education and allow students to choose and combine the courses they are interested in? If 'yes,' give operational details

The University runs all programs in face-to-face mode. However, students can achieve degrees as private students. The University do not have distance mode programs. The pass out students of distance mode can take admission as regular students as per rules of the university if they otherwise qualify.

1.2.8 Has the university adopted the Choice Based Credit System (CBCS)? If yes, for how many programmes? What efforts have been made by the university to encourage the introduction of CBCS in its affiliated colleges?

Yes, Choice Based Credit System has been adopted and implemented in the UTD.

- In all PG programs
- In affiliated colleges the CBCS will be implemented from 2016-17.

1.2.9 What percentage of programmes offered by the university follow:

- **Annual system: 47%**
 - Non collegiate students appear at the examinations in annual mode.
 - The graduate programs offered in the affiliated colleges through annual mode.
 - M.Phil. program is offered in annual mode.
- **Semester system: 53%**
- **Trimester system: 0%**

1.2.10 How does the university promote inter disciplinary programmes? Name a few programmes and comment on their outcome.

There are number of interdisciplinary programs offered by the University

- M. Tech in optoelectronics and laser technology.
- Many M. Phil. and Ph.D. programs are interdisciplinary in nature.
- M.Sc. in Environmental Science
- M.Sc. in Geo-physics
- Master degree in Social Work

1.3. Curriculum Enrichment

1.3.1 How often is the curriculum of the university reviewed and upgraded for making it socially relevant and/or job oriented/ knowledge intensive and meeting the emerging needs of students and other stakeholders?

Looking into the emerging needs of students and other stakeholders, efforts are being made from time to time, by the various schools / institutes for the enrichment of course curricula. With the help of Board of Studies meetings, which are being held twice a year, the syllabi are reviewed at regular intervals during 2010-2015. The contents of the syllabi are carefully structured keeping into view the UGC guidelines along with the social relevance, based on the needs of the region. Both basic and advanced levels of knowledge are always taken into consideration while designing of syllabi. Informal and formal feedbacks from the students of diverse backgrounds and needs are taken into consideration for revision of course curricula.

1.3.2 During the last four years, how many new programmes at UG and PG levels were introduced? Give details.

- **Inter-disciplinary**
 - There are number of interdisciplinary programs offered by the University
 - M.Sc. in Environmental Science
 - M.A. in Rural Development
 - M.Sc. in Geo-physics
 - Master degree in Social Work
 - Five Year Integrated M.Sc.
 - B. Voc. in Renewable Energy and Technology Management

➤ Programmes in emerging areas

- All above programs listed in the inter-disciplinary category are in the emerging areas.
- M.A. Chhattisgarhi.
- MBA in travel and Tourism.
- Physics of Nano-materials

1.3.3 What are the strategies adopted for the revision of the existing programmes? What percentage of courses underwent a syllabus revision?

Contents of every syllabus are carefully structured with a thorough coverage of knowledge intensive input along with applied aspects. Both basic and advanced levels are focused in the syllabi of the entire course. For curriculum revision and updates the collaborative and participative strategies are adopted including discussions among the staff members and interactions with outside experts. Suggestions made by the external Experts during the PhD and M.Sc. viva voce and views of the various stakeholders such as alumni and retired teachers are also taken into consideration. All BoS reviews the course contents periodically and there are minor and major (10-30%) changes time to time.

1.3.4 What are the value-added courses offered by the university and how does the university ensure that all students have access to them?

Many value added courses are offered by all the Schools/Institutes under the CBCS. In addition several value added programs, such as certificate course in applied research methods, PG Diploma in regional planning and development, PG Diploma in Yoga education and philosophy, PG Diploma in Psychology, counseling and guidance, PG Diploma in personal management and industrial relations, Women's law and gender justice, Diploma in French and English, PG Diploma in Tourism and Hotel management are offered by the University.

1.3.5 Has the university introduced any higher order skill development programmes in consonance with the national requirements as outlined by the National Skills Development Corporation and other agencies?

Yes.

B.Voc. Course in Renewable Energy and Technology Management has been started by the University. It is three years bachelor degree programme, approved by UGC under National skill development framework. Few other programs are under the pipeline for example B.Voc. in Gemology and advance diploma in Museology.

1.4 Feedback System

1.4.1 Does the university have a formal mechanism to obtain feedback from students regarding the curriculum and how is it made use of?

Yes.

Through the Feedback Cell of the IQAC, the university has been acquiring feedbacks from its students since the year 2003. Initially selected Schools/Institutes adapted to formal mechanism. Now all Schools/Institutes have adopted. The present system is a five-way system comprising of feedbacks from students and stakeholders including (alumni, retired teachers, supporting staff and parents). Feedback is taken at the end of the year and includes two semesters. It is taken for the evaluation, use of ICT and teaching-learning process of each course. The feedback form has columns for suggestions of the students on curriculum and laboratory exercises. Suggestions are taken in all the courses at the end of each academic session on the University approved format. For easy understanding of every student, the forms have been made available in both English and Hindi languages. Confidentiality is maintained by the use of codes in place of names to enable giving of bold and unhesitant feedback. The collected feedback is subsequently duly analysed, discussed in the staff council meetings and

actions taken on the basis of suggestions made by the students.

The University has already approved online format of the feedback.

1.4.2 Does the University elicit feedback on the curriculum from national and international faculty? If yes, specify a few methods such as conducting webinars, workshops, online discussions, etc. and its impact.

- The content of the syllabus are discussed with the peers during their visit to the university campus and also in the National and International conferences.
- The syllabus suggested by different statutory bodies is considered for the revision/inclusion in the curriculum. These suggestions are subsequently considered in the BoS.
- Time to time revision of the syllabus following interaction with National and International peers makes our syllabus at par with the syllabus of leading universities of the country.

1.4.3 Specify the mechanism through which affiliated institutions give feedback on curriculum enrichment and the extent to which it is made use of.

As per the University Act there is a provision of nomination of principals and teachers from the affiliated colleges in the BoS, which ensures the implementation of feedback from stakeholders of affiliated colleges. University conducts at least four meetings with the principals of the affiliated colleges and obtains their feedback on curriculum and other academic issues and place before the BoS for consideration.

1.4.4 What are the qualities sustenance and quality enhancement measures undertaken by the university in ensuring the effective development of the curricula?

Quality sustenance and quality enhancement measures are regularly undertaken for ensuring the effective development of the curricula.

- Effective use of feedback of the stakeholders.
- Annual academic audit by the IQAC of all the SoS and the affiliated colleges.
- The University volunteers itself to assessment by external accreditation agency such as IAO and Mock Peer team. Suggestions received from these exercises are forwarded to the respective BoS for consideration and appropriate execution.
- Adoption of model curriculum developed by UGC/ other national statutory councils.
- Content revision is undertaken on regular basis as suggested by the regulatory and statutory bodies from time to time.
- Evaluation and awarding credits for student seminars.
- Seminars/tutorials/field work in the curriculum to focus on multi skill development.

Criterion II: Teaching-Learning and Evaluation

**Pt. Ravishankar Shukla University, Raipur
Chhattisgarh**

CRITERION II: TEACHING-LEARNING AND EVALUATION

The strict adherence to academic calendar, reservation policy and effective use of modern teaching methods is the hallmark of PRSU. The PRSU develops benchmarks to monitor its academic activities.

2.1 Student Enrolment and Profile

The University is mainly catering to the needs of tribal and rural population of Chhattisgarh. The majority of student populace consist of students belonging to schedule caste, schedule tribes and other backward castes.

2.1.1 How does the university ensure publicity and transparency in the admission process?

The University publishes prospectus every year and admission notification on the University website (www.prsu.ac.in), local and national newspapers. The admission in professional courses is carried out as per the norms of the State Govt. and respective statutory council time to time. The admission in Basic Science Center is done through entrance test and separate test for the admission in Ph.D. programs.

2.1.2 Explain in detail the process of admission put in place by the university. List the criteria for admission: (e.g.: (i) merit, (ii) merit with entrance test, (iii) merit, entrance test and interview, (iv) common entrance test conducted by state agencies and national agencies (v) other criteria followed by the university (please specify).

- The admissions in the different courses of the University are made as per the following procedures.
- Center for Basic Sciences: The admission through National level advertisement followed by entrance examination and Counselling.
- Admission to Regular courses being done through publicity and admissions strictly on merit.
- Professional courses: As per state govt. Norms, i.e., admission through state level entrance examination followed by counselling at UG level and G-PAT/ GATE score for M. Pharma. and CET for management courses followed by counselling.
- M.Phil.: Admission to M.Phil. is done through University level entrance test.
- Ph.D. Admission through state level entrance test as per UGC norms.

2.1.3 Provide details of admission process in the affiliated colleges and the university's role in monitoring the same.

The admission in affiliated colleges made at college level strictly on merit basis. The University prescribes the eligibility conditions and deadlines as per the academic calendar of the University. The University decision is final in case of any hardship faced by the stakeholders.

2.1.4 Does the university have a mechanism to review its admission process and student profile annually? If yes, what is the outcome of such an analysis and how has it contributed to the improvement of the process?

University prospectus highlights the details regarding admission eligibility etc. The University statutory bodies review the admission process and the pattern and takes policy decisions in this regards. However, University have informal mechanism in place to review the admission process and student's profile and forward observation to the appropriate authorities at the state level.

2.1.5 What are the strategies adopted to increase / improve access for students belonging to the following categories:

- SC/ST
- OBC
- Women
- Persons with varied disabilities
- Economically weaker sections
- Outstanding achievers in sports and other extracurricular activities

The University strictly follows the reservation policy (ST/SC/OBC and female) of the state govt. There is tuition fees wavier scheme for the female students across the courses at UG level. The policies of different statutory bodies are adopted strictly. The University ensures access to admission of above mentioned groups and there is mechanism to support students in order to avail different fellowship and scholarships of the state and central govt.

- ST/SC: As per the CG government norms.
- OBC: As per the CG government norms.
- Women: As per the CG government norms and free of cost education at UG level.
- Persons with varied disabilities: As per the CG government norms.
- Economically weaker sections: Though fee concession
 - Scholarships from Government and non government agencies.
 - Fee concession to employee’s wards

2.1.6 Number of students admitted in university departments in the last four academic years:

Categories wise	No. of Students			
	2012-13	2013-14	2014-15	2015-16
SC	187	234	263	312
ST	142	237	278	303
OBC	556	749	742	899

Gender wise				
Male	715	878	879	1049
Female	919	1015	1020	1303
Total	1634	1893	1899	2352

2.1.7 Has the university conducted any analysis of demand ratio for the various programmes of the university departments and affiliated colleges? If so highlight the significant trends explaining the reasons for increase / decrease.

The demand ratio/trend is indicative of upward interest in all the courses.

Programmes	Number of applications		Number of seats		Demand Ratio (Applications/Seats)		Trend
	2013-14	2014-15	2013-14	2014-15	2013-14	2014-15	
UG*	195	209	165	165	1.18	1.23	↑
PG	1646	1673	900	940	1.82	1.78	↑

<i>*Excluding the professional courses where the admission is made through centralized mechanism</i>							

2.1.8 Were any programmes discontinued/ staggered by the university in the last four years? If yes, please specify the reasons.

No

2.2 Catering to Student Diversity

2.2.1 Does the university organize orientation/ induction programme for freshers? If yes, give details such as the duration, issues covered, experts involved and mechanism for using the feedback in subsequent years.

Every year, immediately after admission, university organizes orientation and induction programs separately in the respective departments. The Vice-Chancellor addresses the admitted students. In addition “Chhatra Darshan” program is organized on every 2nd & 4th Monday for face to face with the Honourable Vice-Chancellor and his team consisting of Registrar, DSW, DCDC and Proctor. Many issues of the students are resolved on the spot. This is one of the best practices of the University.

2.2.2 Does the university have a mechanism through which the “differential requirements of the student population” are analysed after admission and before the commencement of classes? If so, how are the key issues identified and addressed?

The IQAC regularly conducts the composition of admitted students and reports to the office of the Vic-Chancellor and Registrar. In addition the IQAC also computes the popularity index of the each program every academic session. The analysis of this information is considered for policy decision and for remedial measures. The Differential requirements are addressed by each department for organizing tutorial classes and mentoring.

2.2.3 Does the university offer bridge / remedial / add-on courses? If yes, how are they structured into the time table? Give details of the courses offered, department-wise/faculty-wise?

Yes.

In few programs the provision of lateral entry exists. In these cases bridge course is arranged as per the requirement. Provision of Bridge course for M.Sc. Mathematics students having graduation in engineering.

2.2.4 Has the university conducted any study on the academic growth of students from disadvantaged sections of society, economically disadvantaged, physically handicapped, slow learners, etc.? If yes, what are the main findings?

The University has devised appropriate strategies for facilitating the disadvantaged sections of the society in the following manner:

- Tutorial, discussions, interactions
- Personal, academic and social counselling
- Concept clarification and problem solving exercises
- Bilingual explanation and discussion
- Course material/standard lecture notes

- Making them part of student team wherein there is blend of fast, medium and slow learners
- Through this way, all sections of the society are assimilated into the academic mainstream.

2.2.5 How does the university identify and respond to the learning needs of advanced learners?

The advanced learners of a subject are identified by the concerned faculty based on their performance by internal assessment tests, end semester examination and student-teacher interaction. They are also identified based on their active participation, involvement, performance in the classroom, laboratory and seminar, professional activities, etc. Accordingly, subject wise, paper wise, practical wise strategies are adopted. The specific strategies for the advanced learners are as follows:

- Provision of additional learning materials
- Assignment preparation on current and latest topics
- Student seminars on selected reference topics
- Participation in quiz and debate
- Student project work based on theoretical data/survey data/case studies
- They are encouraged to participate in seminars and symposia conducted by other institutions
- Motivation for publication of technical papers in reputed journals/university website
- Provision for carrying out advanced level project

2.3 Teaching-Learning Process

2.3.1 How does the university plan and organise the teaching, learning and evaluation schedules (academic calendar, teaching plan, evaluation blue print, etc.)?

- The University prepares the academic calendar for all its academic activities based on recommendation of the coordination committee.
- The regulation of UGC and other statutory bodies are followed.
- The academic calendar is published by the university before the commencement of the academic session.
- There are separate calendar for UG, PG programs in respective departments.
- The institutional planning and organization of teaching-learning and evaluation schedule are integrated into total scheme of academic calendar.
- The ordinance of each course specify the framework for academic schedule, *i.e.*, no. of working days, no. of subjects, papers to be taught, hours of instructions per paper, practical method of teaching and learning, internal assessment test, end semester examinations and declaration of results.

2.3.2 Does the university provide course outlines and course schedules prior to the commencement of the academic session? If yes, how is the effectiveness of the process ensured?

Yes.

- The teaching plan of the every faculty is made available to the students through e-mail, notice board and publication in the university website.
- The classes are conducted as per the predefined schedule.
- The academic calendar, syllabus and time table is given prior to commencement of session and also published in the university website.
- The effectiveness of academic activity is reviewed by the Honourable Vice-Chancellor

twice every month.

2.3.3 Does the university face any challenges in completing the curriculum within the stipulated time frame and calendar? If yes, elaborate on the challenges encountered and the institutional measures to overcome these.

No

2.3.4 How learning is made student-centric? Give a list of participatory learning activities adopted by the faculty that contributes to holistic development and improved student learning, besides facilitating life-long learning and knowledge management.

The Schools plan their subject specific learning procedures in consultation with the faculty members in the staff council. The student-centric learning is ensured by making student participation in teaching-learning process through questionnaire and interactive discussion and extensive use of ICT. The teaching activities including seminar classes and written assignment works augment the student-centric learning process. Students are made to prepare assignment on specific topics using reference book, journals, internet facility offered in the library and field survey assignment.

List of participatory learning activities as under:

- Assignment on specific topics
- Seminar with effective use of ICT
- Project work on contemporary issues
- Hands on training on instruments and other research tools. Cultural programs are conducted to develop social awareness and cultural values.
- Educational quiz, debate, leadership, event management and games
- Students are deputed to participate in national and regional events
- Field Survey assignments
- Leadership role in various situations

2.3.5 What is the university's policy on inviting experts / people of eminence to deliver lectures and/or organize seminars for students?

University permits and encourages teaching staff to organize national/international seminars, conferences and/or workshops etc. which offer a platform to invite experts and eminent professionals to deliver lectures and share their expertise.

Eminent scientists invited to deliver lectures on current topics under UGC scheme on academic exchange of teachers. Different school of the University organizes professional activities throughout the year.

2.3.6 Does the university formally encourage blended learning by using e-learning resources?

The University have provided sufficient number of smart boards to the SoS/UTDs in order to augment e-learning in the class rooms.

Students are encouraged to present their seminars through power point presentation.

The university avails the UGC INFONET digital library facility which can be accessed anywhere through the campus area network. The students are encouraged to access subject specific NPTEL resources of National Mission for Education (MHRD) through ICT. The University is distributing Tablets sponsored by State Govt. to all students.

2.3.7 What are the technologies and facilities such as virtual laboratories, e-learning, open educational resources and mobile education used by the faculty for effective teaching?

- Access to INFLIBNET digital library facility
- NPTEL resources of NME ICT (National Mission for Education) - MHRD. The open educational resources - COURESRA
- Access to e-journals available on local area network (LAN).
- Utilization of the latest technology and facilities, like computer assisted language teaching, language speech lab, phonetic lab and other e-learning resources for effective teaching. The facility for visually challenged students is also available in the University. The high speed internet connectivity of 1 Gbps is available through LAN in every department/Centre/Section the University. High end subject specific technologies are available in the respective departments. The University has provided WiFi facility on the campus.

2.3.8 Is there any designated group among the faculty to monitor the trends and issues regarding developments in Open Source Community and integrate its benefits in the university's educational processes?

No

2.3.9 What steps has the university taken to orient traditional classrooms into 24x7 learning places?

- Students are encouraged to use computer software package for meaningful analysis of experimental data.
- The internet facility is available in the Hostels, which ensure connectivity of INFLIBNET and other e-resources to the students 24 x 7
- The University provides Wi-Fi facility to the students to create and connect designated pages/groups.
- The students are connected to the teachers and the departments through e-mail and *Social Media*.
- Web 2.0 facility is explored and used by many students of the university for the academic purpose.

2.3.10 Is there a provision for the services of counsellors / mentors/ advisors for each class or group of students for academic, personal and psycho-social guidance? If yes, give details of the process and the number of students who have benefitted.

- The Head of all departments and Dean of student welfare are assigned with the responsibility for over all monitoring of students related issues.
- The University has institutionalized the mentoring activity and the faculty members have been assigned with small group to mentor the students.
- The Proctor and Wardens live on the campus. Therefore, students can approach them any time for the purpose of counselling, mentoring and guidance.
- The University has anti-ragging committee in every department.

Departments assign teachers with different activity, e.g. sports in-charge, academic in-charge etc. to ensure focus of a particular faculty on specific student oriented problems.

2.3.11 Were any innovative teaching approaches/methods/practices adopted/ put to use by the faculty during the last four years? If yes, did they improve learning? What were the methods used to evaluate the impact of such practices? What are the efforts made by the

institution in giving the faculty due recognition for innovation in teaching?

In the last four years many learner centric activities, like seminar, conferences, workshop, educational quiz, debate, industry visit, project work, assignment on new topics, field work, presentation etc. are followed. The teaching innovations adopted in the last four year are mentioned below:

- Feedback: The student's feedback mechanism exists particularly for the development and promotion of excellence in teaching and learning.
- Students are supplemented with e-resources.
- The smart boards are installed in the UTD's.
- The University has instituted faculty wise best teacher award to promote the academic excellence.

2.3.12 How does the university create a culture of instilling and nurturing creativity and scientific temper among the learners?

- The University is promoting research culture by giving fellowships to M.Phil. and Ph.D. students from its own resources.
- The University is also giving exposure to budding researcher by the way of financial assistance to participate in the national and international conferences.
- To nurture critical thinking, creativity and scientific temper among students, various activities, like debate, essay competition, seminars, group discussions, symposia, poster presentations and practical exercises are conducted from time to time
- The University also organises lectures of different eminent personalities
- Students are promoted to participate in Sports, Cultural and literary activities
- The University has a chapter of *SPIC MACAY* that encourage popularization of Indian culture and creativity among the youth.

2.3.13 Does the university consider student's project mandatory in the learning programme? If yes, for how many programmes have they been (percentage of total) made mandatory?

➤ **Number of projects executed within the university**

➤ **Names of external institutions associated with the university for student project work**

➤ **Role of faculty in facilitating such projects**

➤ **Number of projects executed within the university**

- All projects in M. Phil. Program are being carried out within the university.
- A PG student has an option to carryout his/her project work within or outside the university.
- However, a PG student has to qualify to opt for the project work.
- The project work is mandatory for all M.Phil. programs and few PG program (Approx. 50 %).

➤ **Names of external institutions associated with the university for student project work:**

Students are allowed to carry out their project work in universities and in reputed national/ state institutes.

➤ **Role of faculty in facilitating such projects**

The teachers offer guidance to the students in the selection of problem of research and the centers.

The teacher also assists in obtaining placement for the students by resorting to personal communication with the external experts/mentors.

2.3.14 Does the university have a well qualified pool of human resource to meet the requirements of the curriculum? If there is a shortfall, how is it supplemented?

Yes, University has well qualified pool of human resources (92% with Ph.D. degree) to meet the requirements of the curriculum. However, the shortage of the teachers is managed through appointing qualified contract and guest faculty. For instance university has appointed 60 Contract and 61 Guest Faculties in this academic session.

2.3.15 How are the faculty enabled to prepare computer-aided teaching/ learning materials? What are the facilities available in the university for such efforts?

Faculties are provided with all types of hardware compatible with ICT mode of teaching. All departments are equipped with LCD facility and few departments have audio visual aids, computer labs, digital document, cameras and televisions. Many departments are provided with smart boards.

The HRDC is playing a proactive role in skill development of the teachers through Short Term Training programs on Computers.

The IQAC has conducted a workshop on SYSTAT 13 for the Research Scholars and Teachers of the University.

2.3.16 Does the university have a mechanism for the evaluation of teachers by the students / alumni? If yes, how is the evaluation feedback used to improve the quality of the teaching-learning process?

The University have a system for feedback. The feedbacks are collected from all stakeholders, such as Students, Alumni, Parents, Former Faculty and Peers. The feedback are analysed and discussed in the staff council of the respective departments and appropriate action is taken.

2.4 Teacher Quality

2.4.1 How does the university plan and manage its human resources to meet the changing requirements of the curriculum?

The University has taken conscious and continued efforts in planning and managing human resources to meet the changing requirements of the curriculum. The University focuses on qualitative improvement of the faculty, by encouraging and enabling faculty to:

- Participate in academic and development programs
- Regular participation in refresher courses
- Sensitization of the faculty members to submit proposals for extra mural research grants
- Participation in professional activities
- Provision for attending training programs in the national & international laboratories
- The University has inked MoUs with the national and international institutions for exchange of knowledge

2.4.4 How does the university ensure that qualified faculty are appointed for new programmes/ emerging areas of study (Bio-technology, Bio-informatics, Material Science, Nanotechnology, Comparative Media Studies, Diaspora Studies, Forensic Computing, Educational Leadership, etc.)? How many faculty members were appointed to teach new programmes during the last four years?

The University offers M.Sc. and Ph.D. in Biotechnology, M. Tech. in Optoelectronics. Two faculties are appointed during the period of this assessment.

2.4.5 How many Emeritus / Adjunct Faculty / Visiting Professors are on the rolls of the university?

The guest faculty are appointed by head of the department following the university norms. The university has appointed visiting faculty in various departments for teaching.

2.4.6 What policies/systems are in place to academically recharge and rejuvenate teachers (e.g. providing research grants, study leave, nomination to national/international

conferences/ seminars, in-service training, organizing national/international conferences etc.)?

All teachers participate in the activities of the HRDC. The teachers are awarded with the grants for participating in National and International conferences. The teachers are also encouraged to organize National and International conferences in the University.

2.4.7 How many faculty received awards / recognitions for excellence in teaching at the state, national and international level during the last four years?

No

2.4.8 How many faculty underwent staff development programmes during the last four years (add any other programme if necessary)?

2.4.9 What percentage of the faculty have

- **Invited as resource persons in Workshops/ Seminars/ Conferences organized by external professional agencies?**
74 %
- **Participated in external Workshops/ Seminars/ Conferences recognized by national/ international professional bodies?**
80 %
- **Presented papers in Workshops/ Seminars/ Conferences conducted or recognized by professional agencies?**
60 %
- **Teaching experience in other universities/ national institutions and other institutions?**
-
- **Industrial engagement?**
2 %

- **International experience in teaching?**

1 %

2.4.10 How often does the university organize academic development programmes (e.g.: curriculum development, teaching learning methods, examination reforms, content / knowledge management, etc.) for its faculty aimed at enriching the teaching learning process?

Please refer section 2.4.8. In addition, the IQAC organizes workshop on examination reforms, statistical package, SCOPUS and Publishing processes.

2.4.11 Does the university have a mechanism to encourage

- **Mobility of faculty between universities for teaching?**
- **Faculty exchange programmes with national and international bodies?**

If yes, how have these schemes helped in enriching the quality of the faculty?

The University encourages mobility of its teachers to gain higher order research and teaching ability from national & international bodies, on case to case basis; but, no such formal mechanism exists.

2.5 Evaluation Process and Reforms

2.5.1 How does the university ensure that all the stakeholders are aware of the evaluation processes that are in place?

- The evaluation process is a part of the university syllabus and scheme of examination which are available both in website and in print form.
- Evaluation process of university is transparent. The university communicate outcome of evaluation process promptly on university website.

2.5.2 What are the important examination reforms initiated by the university and to what extent have they been implemented in the university departments and affiliated colleges? Cite a few examples which have positively impacted the examination management system.

- The results are published in notice board as well as on the University website.
- The semester system was introduced followed by CBCS
- There is a drastic reform in the pattern of question papers and answer book

2.5.3 What is the average time taken by the University for Declaration of examination results? In case of delay, what measures have been taken to address them? Indicate the mode / media adopted by the University for the Publication of examination results e.g. website, SMS, email, etc.).

Usually results are declared within 20-30 days after the last paper of the examination. The results are communicated to the students through SMS. Results are published in university notice board and website.

2.5.4 How does the university ensure transparency in the evaluation process? What are the rigorous features introduced by the university to ensure confidentiality?

In order to ensure transparency in the evaluation process the university has adopted two major units of evaluation continuous and sessional followed by end semester examination. The grade sheet reflects SGPA, CGPA/FGPA both letter grade and percentage of marks obtained by candidate following a ten point scale. The university has separate examination and confidential section to maintain the sanctity of the examination. The redressal mechanism in the form of providing

photocopy of answer sheets to the students exists in the University

2.5.5 Does the university have an integrated examination platform for the following processes?

- **Pre-examination processes – Time table generation, OMR, student list generation, invigilators, squads, attendance sheet, online payment gateway, etc.**
- **Examination process – Examination material management, logistics, etc.**
- **Post examination process – Attendance capture, OMR based exam result, auto processing, generic result processing, certification, etc.**

No

2.5.6 Has the university introduced any reforms in its Ph.D. evaluation process?

Yes, The University has adopted the UGC (minimum standards and procedure for awards of M. Phil./ Ph.D. Degree as specified in the UGC Regulation 2009) and modified Ph.D. and M.Phil. Regulation accordingly. The main features of the ordinance are admission through entrance test, course work, plagiarism check, pre-submission presentation and publication in standard journals.

2.5.7 Has the university created any provision for including the name of the college in the degree certificate?

No

2.5.8 What is the mechanism for redressal of grievances with reference to examinations?

There is provision in the ordinance to redress grievances which include the re-totalling, revaluation, and appeal to the VC (panel valuation). The photocopies of the answer sheet are also made available on the request of the students.

2.5.9 What efforts have been made by the university to streamline the operations at the Office of the Controller of Examinations? Mention any significant efforts which have improved the process and functioning of the examination division/section.

As per the ordinance the total process of examination and result is streamlined, besides the University has established independent result processing unit in the confidential section of the University.

2.6 Student Performance and Learning Outcomes

2.6.1 Has the university articulated its Graduate Attributes? If so, how does it facilitate and monitor its implementation and outcome?

The University has articulated its graduate attributes through its vision and mission statements. As the students are brand ambassadors of this university, it is expected that they share common values with the vision and mission of the university. The oaths taken by the students during the convocation and the different commemoration days, reiterates the graduates attributes.

2.6.2 Does the university have clearly stated learning outcomes for its academic programmes? If yes, give details on how the students and staff are made aware of these?

Yes, Strict adherence to academic calendar, which is displayed on University website. The details are made known to the students by the respective schools of the university. Teachers are aware of learning outcomes as they are involved in the preparation of syllabus and are always provided with the opportunities to attend orientation program and refresher courses organized by the HRDC.

2.6.3 How are the university's teaching, learning and assessment strategies structured to facilitate the achievement of the intended learning outcomes?

The university's teaching, learning activity is assessed by conducting periodical class test, sessional examination, quiz, viva-voce component in practical classes.

The learning outcome are also assessed based on the following criteria

- The performance in the competitive examination
- The alumni placement record
- Employability at National and International level
- Awards/recognitions received by the students and research scholars
- Positive feedback from the students on course content, infrastructure, facility and teacher quality
- Attainment of high positions by the faculty/Alumni in regulatory bodies/ statutory bodies, National and International agencies and associations

2.6.4 How does the university collect and analyse data on student learning outcomes and use it to overcome the barriers to learning?

- The University assesses the performance of the students through internal and external examination.
- Well structured feedback mechanism exists, which ensures the participation of all stakeholders.
- The monitoring and new initiatives by IQAC for quality sustenance and enhancement
- Effective mentoring system

2.6.5 What are the new technologies deployed by the university in enhancing student learning and evaluation and how does it seek to meet fresh/ future challenges?

- Effective use of ICT resources through campus area network
- State of the art instrumentation facilities available on the campus.
- Smart classrooms for Interactive sessions
- Software and technology up-gradation as per requirements
- Establishment of NCNR, a central facility for research in the field of natural resources
- Establishment of Center for Basic Sciences (CBS)
- Creation of Centers for interdisciplinary research in innovative areas

Criterion III: Research, Consultancy and Extension

**Pt. Ravishankar Shukla University, Raipur
Chhattisgarh**

CRITERION III: RESEARCH, CONSULTANCY AND EXTENSION

3.1 Promotion of Research

Pt. Ravishankar Shukla University with its vibrant research activity and technical expertise has constantly been on a growth trajectory. The research and extension activities have helped attract substantial funding from a wide spectrum of national and international agencies during the review period, established collaborations with prestigious research institutions, fostered academy-industry interaction, addressed issues of social and national importance, extended service to social organizations and most importantly, led to value addition for faculty and students in the academic world. The significant increase in the quality of publications in the last five years has resulted in the award of UGC-SAP-DRS and DST-FIST grant to many departments of the university.

Research and Extension have always been the core competence of the various schools of study. While the schools in the Faculties of Science and Technology focus on research areas that are both fundamental and application oriented, the departments in the Arts Faculty undertake research that is of socioeconomic importance. The University plays a proactive role by providing support and ambience conducive for research. The UGC regulations of 2009 for Ph.D. course work have been adopted. The University has in-house journals for faculty and research scholars to publish their research work, although the journals have attracted contributions from experts of other universities of the country.

3.1.1 Does the university have a Research Committee to monitor and address issues related to research? If yes, what is its composition? Mention a few recommendations which have been implemented and their impact.

Several Research Committees are constituted for effective coordination of the research activities of the University.

a. Departmental Research Committee (DRC)

All academic matters related to Ph.D. degree have been processed by a Departmental Research Committee (DRC) consisting of the following:

- Head of the School/ Department (Chair), for UTD or Principal (Chair), for affiliated colleges of the University
- All teachers of the School/ Department/ Department of affiliated colleges of the University who are recognized by the University as Ph.D. supervisors
- There should be at least three members, including the chairman of the DRC.
- The Kulapati nominates the members from other/related departments in case the number of recognized Ph.D. guides is less than two in any School/ Department/ approved research centers of the affiliated colleges of the University.

Function of DRC:

- Selection and admission of M.Phil. and Ph.D. students
- Allocation of Research Supervisors for students enrolled for the Ph.D. programme depending upon the vacancy, the number of students per faculty member permitted by the university, the available specializations among the faculty supervisors, and the research interest of the student as indicated during the interview of the student.
- Assessment of redundancy of research proposals
- Framing the syllabus for course work
- Evaluation of research progress every six month
- Approval of the synopsis of Ph.D. thesis

- Maintenance of the quality of research

b. Research Degree Committee (RDC):

An independent Research Degree Committee (RDC) functions for each Board of Studies. When Ph.D. Course work is completed successfully by a candidate, the RDC evaluates the Synopsis submitted by the candidate. RDC recommends the candidates for registration for Ph.D. It also accepts the registration applications for Ph.D. supervisors or co-supervisors in a research discipline. Academic Council is the final statutory body to address the issues for research, if any.

Research Degree Committee (RDC) consists of the following members:

- Kulapati or his/her nominee
- Dean of the Faculty
- Head of the University Teaching Department/ School of Studies in the subject
- Chairman, Board of Studies in the Subject
- One external subject expert of the rank of a University Prof./ Director of recognized Institutes to be appointed by the Kulapati, out of a panel of 5 experts given by the Chairman of the Board of Studies concerned. The term of the subject expert is co-terminus with the tenure of the Board of Studies. Presence of the external expert and two other members form the quorum.

Recommendation of RDC

The mandatory requirement of publishing one paper before submission of Ph.D. thesis has resulted in quality publications in journals with high impact factor and improved the h-index of the university.

c. Institutional Animal Ethics Committee (IAEC)

It monitors the conduct of experiments on animals based on the rules laid down by the Committee for the Purpose of Control and Supervision on Experiments on Animals (CPCSEA).

d. Institutional Human Ethics Committee (IHEC)

It scrutinizes proposals involving clinical trials and use of human subjects/samples for research.

e. Plagiarism Cell

The Plagiarism Cell of the university consists of expert committees and each manuscript submitted would be referred to appropriate subject committee. Every researcher approaching the cell can identify and suggests the relevant subject committee, and the suggestion would be considered by the cell. Before submission of Ph.D. thesis, it is mandatory to clearance certificate from the Plagiarism Cell that the the thesis id free from plagiarism. The action of the Cell is based on the report generated through using appropriate software for the detection of plagiarism.

3.1.2 What is the policy of the university to promote research in its affiliated/ constituent colleges?

University has good number of recognized research centres and departments functioning in the affiliated Colleges. The RDC issues the list of recognized PhD guides if the applicant fulfils the eligibility criteria as specified in the PhD Ordinance - 45.

The University takes following steps to promote research in the affiliated colleges:

Organization of Research Seminars/Workshops/ Sensitization programmes and

Research Quality issue related Seminars/Lectures, hands-on training programmes are also arranged. The University Departments allow college teachers to use their laboratory and library facilities. The HRDC of the University organizes orientation, refresher and short term courses throughout the year for college and university teachers to promote good quality of teaching and research.

University continuously monitors affiliated colleges through IQAC and CDC (College Development Council). The IQAC has evolved appropriate mechanism and procedure for affiliated colleges also to ensure their efficient, effective and progressive performance of academic and administrative tasks; ensuring relevance and quality of the academic programmes; maximizing teaching, learning,

research, extension and consultancy opportunities; credibility of evaluation procedures, adequacy and maintenance of support structure and services.

3.1.3 What are the proactive mechanisms adopted by the university to facilitate the smooth implementation of research schemes/ projects?

University has Research Promotion Cell which provides all information and the opportunities for obtaining grants from National and International funding agencies. The cell sends sample copies of projects to the prospective PI's of the University. The HRDC organizes STC on "How to write research projects" and also on "how to write research papers and technical reports?"

Following are the proactive mechanisms adopted by the university:

- **Advancing funds for sanctioned projects**

Funds are advanced to Principal Investigator as per requirements: Required funds for contingency are transferred in the School/Institute/Principal Investigator's account.

- **Providing seed money**

Although seed money is not provided, necessary infrastructure required for research including laboratory facilities, field, consumables, and equipments are provided by the university for faculty who undertake research projects. In UGC-SAP funded departments, additional grant is available for conducting research and to attend workshops and conferences.

- **Simplification of procedures related to sanctions/ purchases to be made by the investigators**

Simplification of procedures related to sanctions/purchases:

Simplification of procedures is there. Head of the Department has financial power up to certain limit, beyond that the HoD has to take necessary administrative and financial sanction from the appropriate authorities of the University. The Vice-Chancellor has the financial power up to INR 5.0 Lac. Thereafter, sanctioning power is with the Executive Council of the University. Proprietary items can be procured directly without tendering process. Normally purchases of more than INR 50000.00 are carried out through open tenders.

- **Autonomy to the principal investigator/coordinator for utilizing overhead charges:**

Principal Investigator has autonomy to utilize and spend 100% of total overhead charges for enhancing facilities. The overhead charges are pooled together to augment common research facilities; to maintain and upgrade instruments; to provide infrastructure, internet and communication facilities; for maintenance & payment of utilities bills, and for engaging staff for maintenance of project accounts.

- **Timely release of grants**

University releases the grants to the Departments/ PIs on time. The Grants Section and the Finance Office enable the Principal Investigators to submit the Statement of Expenditure and Utilization Certificate within 15 days after the financial year end or as and when required by the funding agency there by ensuring timely release of the next instalment from the funding agencies.

- **Timely auditing**

Timely auditing is carried out in almost all cases.

- A separate secretarial section maintains project accounts, and all financial transactions related to sponsored research.
- The Finance Office verifies the annual and final project accounts and returns the same to the Principal Investigator within two weeks together with a forwarding letter for onward transmission to the funding agency.
- The audited statement of accounts duly certified by Local Fund Audit is submitted to the funding agency after verification.

Submission of utilization certificate to the funding authorities

Mostly done within the stipulated time.

- The audited utilization certificates are issued by the Local Fund Audit
- Timely submission of the UC is ensured by the Grants Section of the administrative office of the University at the end of every financial year.
- The University has streamlined and simplified all procedures to ensure timely submission of accounts.

3.1.4 How is interdisciplinary research promoted?

The University has established seven innovative and path breaking research centers. Each center has the objective to promote interdesiplinary research and it has several participating departments in its basic composition. This is one of the unique steps that the University has undertaken to promote interdesiplinary research. These centers, although in their nascent stages are likely to contribute significantly to the domain of interdisciplinary collaboration and research. These centers have been established after obtaining grants from RUSA and XII UGC plan budget.

- Center for Cognitive Science
- Center for Translational Chronobiology
- Center for Nano-science and Nano-technology
- Center for Geriatrics and Gerontology
- Center for Megaproject in Multi Wavelength Astronomy
- Center for Integrated Tribal Studies
- Center for Herbal Drug Technology

In addition, in 2012 NCNR has been established under the IRHPA scheme of the DST which necessarily is a center that promotes interdisciplinary research in the area of Medicinal Plants/Aromatic plants. **DST has sanctioned 905.00 Lac for the project.**

We have many other programs, which promote inderdeciplinary research.

Optoelectronics and Laser technology program has been initiated under the UGC's innovative teaching and research initiatives will definitely promote and sustain interdesiplinary research among many departments, namely Electronics and Photonics, Physics and Astrophysics, Chemistry, Computers Science, Mathematics, Life Science.

The establishment of B.Voc. program will herald the beginning of the transdesiplinary teaching and research cooperation among teaching faculty of this University.

Pt. Ravishankar Shukla University with its diverse faculties and wide ranging specializations provides an ideal ambience for interdisciplinary research. The interdisciplinary nature of some of the programmes offered by different departments stimulates research activities even at the PG level. Seminars, symposia, workshops and conferences are organized by every department to foster and promote research initiatives across disciplines.

The research collaborations indicate the extent of interdisciplinary research within the University and with other institutions. Details are published on the website.

3.1.5 Give details of workshops/ training programmes/ sensitization programmes conducted by the university to promote a research culture on campus.

Different schools of the university have organized various workshops/training programmes/sensitization campaigns to motivate and inculcate research aptitude among the faculty and students. These programs include research methodology workshops, training programs for instrumentation and software skills, and sensitization programs for current global trends in research to promote research culture on the campus.

Details of the programs are tabulated below:

International	
Department	Workshop/Training/Sensitization program
Physics	International Workshop on Advanced Material Science and Astrophysics (IWAMA-2012)

National	
Department	Workshop/Training/Sensitization program
Anthropology	Hands on Training in Techniques of Molecular Genetics, 22-27Feb, 2012
Biotechnology	National workshop on “Hands on training workshop” on molecular biology and Immunology related Teaching kits, October 13-14, 2014
Chemistry	Royal Society of Chemistry – Teachers Training Workshop, October 6-8,
Economics	Capacity Building Program , August 16-25, 2013
	शोध मार्गदर्शकों की दो दिवसीय आवासीय कार्यशाला “एकात्म मानव दर्शन के प्रकाश में विकास के मॉडल्स”] 26-27 Feb. 2015
Electronics	National workshop on Operation and Maintenance of Lab Equipments, January 19-23, 2015
	National workshop on Robotics ROBOHUNK’15 , January 12-13, 2015
	National Workshop on Quadcopter /UAV Technology March 29-30,2015
Geography	Workshop on Application of Remote Sensing and Geographical Information System in Geography, May 19-25 , 2014
Geology	Workshop on Traditional Water Conservation System & Its Importance in Urban Perspective, August 22 – 24, 2014
History	Women in Indian History Pt.RSU.
Library Science	Workshop on Creation of Digital Library Using D-Space, March 15-20, 2014
Life Science	National Workshop on Trends & Techniques in Chronobiology, January 6-12, 2014
Literature and Language	National workshop on Chhattisgarhi ka Man ki karan
Management	SEBI sponsored One day National Work shop on Stock Operations on 6/01/2012
Pharmacy	Workshop on Analytical Instrumentation for research work on plant extracts and actives, 2012.
	Workshop on Analytical instrumentation supports for research work in natural and herbal products analysis and extraction, 2012
	Workshop on FTIR & AAS, 2012.
	Workshop on Chromatographic and Spectrophotometric Analysis for Phytoconstituents, March 14-16, 2013
	Workshop on Chromatographic techniques, 2011.
	Real time PCR – Application in Biotechnology, Nov 21 2014
Physical Education	National Workshop on Trekking, 2013
	Exercise and Hypo kinetic Problems in Modern Day, Oct. 2013
	AIIMS Bystander Emergency care Course, 2014
Psychology	Examination Reforms, 2011

	Health Psychology: Indian Perspective, 2014
	Managing Interpersonal Communication in the Global World, 2010
	Item Writing for Testing Educational Objectives, 2012
Regional Studies	National Workshop on Epidemiology and Research Method (Inter-disciplinary Workshop), June 29- July 1, 2012
Sociology	Workshop on Training program on Research Methodology (SPSS) Capacity Building for Ph.D. SC/ST Research Scholars, July 22 -31, 2013
Women's Study	One Day Seminar on Women & Health : Issues & Challenges, 8 March 2011
	Workshop on Self defense for women (Martial Art Demonstration)
	Workshop on Nadi Vigyan for Pain Relief
	Workshop on an Intervention program for Health and Fitness of women through Yoga and exercise Phase – I., December 04-13, 2013
	An Intervention program for hypokinetic diseases of women by Yoga and exercise phase II, March 29 - April 28, 2014
	One Day Workshop on “Role of youths in ending violence against women and girls” collaboration with OXFAM, NGO was organized on 25 November, 2014
	Workshop collaboration with Women Commission Chhattisgarh on “Gender Sensitization and Gender Equality” and Poem& Essay Competition were organized on January 29-30, 2015

3.1.6 How does the university facilitate researchers of eminence to visit the campus as adjunct Prof.s? What is the impact of such efforts on the research activities of the university?

There are no adjunct Prof.s during this period. However, thirteen eminent researchers served as visiting Prof.s in the University.

3.1.7 What percentage of the total budget is earmarked for research? Give details of heads of expenditure, financial allocation and actual utilization.

The allocation of total budget during the assessment period amounts for 8-10% per year, which is meant for educational activities including research and development of Schools of Studies. Besides this, the university receives funds from extramural agencies in the form of departmental and individual projects. In order to strengthen research on the campus a National Center for Natural Resources has been established in the university with the financial support from DST where state-of-the-art high end sophisticated instruments are made available for the researchers of the university and State of Chhattisgarh.

3.1.8 In its budget, does the university earmark fund for promoting research in its affiliated colleges? If yes, provide details.

No.

However, DCDC coordinates different research activities of the colleges and encourages them to submit research proposal, including TRF, to UGC and other funding agencies.

3.1.9 Does the university encourage research by awarding Post Doctoral Fellowships/Research Associate ships? If yes, provide details like number of students registered, funding by the university and other sources.

- In the recently established innovative centers there is provision to appoint PDF and RA (2 position per center).
- The University grants 15 research fellowship for Ph.D. and 20 for M.Phil. students per year from its own resources.

Teachers awarded with PDF from different funding agencies are given sabbatical leave and other

benefits.

3.1.10 What percentage of faculty has utilized the sabbatical leave for pursuit of higher research in premier institutions within the country and abroad? How does the university monitor the output of these scholars?

4 %. The teachers submit a detailed report on completion of sabbatical leave together with evidence of publications.

3.1.11 Provide details of national and international conferences organized by the university highlighting the names of eminent scientists/scholars who participated in these events.

Pt. Ravishankar shukla University is one of the most dynamic institutions with respect to providing a platform for promoting research activities on the campus by organizing various national and international conferences/symposia/seminars/workshops throughout the year. During the assessment period, 86 seminars/conferences /workshops were organised and around 120 eminent scientists/personalities have participated in these programs. On an average seminars/ conferences were organised, every year.

Heads	2010-2011	2011-2012	2012-2013	2013-2014	2014-2015	Total

3.2 Resource Mobilization for Research

Departmental grant given by the University

Diversion of fund for best practices such as giving travel grant to the Research Scholar for attending international seminars/conference abroad.

University provides travel grants to all PI's and HoD's for presenting project proposals

3.2.1 What are the financial provisions made in the university budget for supporting students' research projects?

The University supports student projects by giving block grants to each department. All basic facilities namely laboratory, equipment, chemicals, glasswares and computing with internet facility are provided by the department.

3.2.2 Has the university taken any special efforts to encourage its faculty to file for patents? If so, how many have been registered and accepted?

Yes, the university has established a patent cell through which it spreads awareness and encourages faculty to file patents. The IQAC has organized workshop on IPR under the aegis of NRDC, New Delhi and the IQAC. The patent cell has a plan to organize another workshop on IPR early next year.

In the period of this review, 11 patents have been filed. Following are the details of patents applied:

Department	Details of Patents filed/ accepted
Electronics	1. Applied for Indian Patent of 'PLED Simulator' Software Program (2012)
Pharmacy	1. Inventors: Swarnlata Saraf & Shailendra Saraf Title: Method and process of preparation of natural hair oil using herbs. Details: Patent file No: 2259/MUM/2013, Dated: 04/07/2013. 2. Inventors: Swarnlata Saraf, Shailendra Saraf, Anshita Gupta & Chanchal deep Kaur. Title: Novel topical formulation combating the redox triggered skin enzymes. Details: Patent file No:1123/MUM/2013, Dated: 25/03/2013. 3. Inventors: Swarnlata Saraf, Shailendra Saraf, Anshita Gupta & Chanchal deep Kaur. Title: Polymeric nanovesicular system containing apigenein for etiotropic application in skin carcinoma.

	<p>Details: Patent file No. 4066/MUM/2013, Dated: 26/12/2013.</p> <p>4. Inventors: Swarnlata Saraf, Shailendra Saraf & Anshita Gupta. Title: Method and composition of Nanosystem mediated bioactive targeting dermal components for UV protection. Details: Patent file No: 1557/MUM/2013, Dated: 29/04/2013.</p> <p>5. Inventors: Shailendra Saraf, Swarnlata Saraf, Amit Alexander & Md.Ajazuddin Title: Sympathetic role of herbal bioactives as bioavailability enhancer in parenteral delivery of antineoplastic alkylating agents through thermo responsive poloxamer- based in situ sol gel delivery system. Details: Patent file No:1472/MUM/2013, Dated: 22/04/2013.</p> <p>6. Inventors: Shailendra Saraf, Swarnlata Saraf & Md. Junaid Khan Title: A process of preparing phyto-phospholipid complex containing flavanoids for better anti-inflammatory and anti-arthritis potential and pharmaceutical product thereof. Details: Patent file No:1556/MUM/2013, Dated: 29/04/2013.</p> <p>7. Inventors: Swarnlata Saraf, Shailendra Saraf & Chanchal Deep Kaur Title: Green tea extract loaded ethosomal creams for photochemoprevention of skin. Details: Patent file No:- 2826 /DEL/2015A, Dated: 31/07/2015.</p> <p>8. Inventors: Deependra Singh & Manju Singh, Indian Patent application, A composition comprising multiple drug loaded omega-3-fatty acid formulations for dermal disorders and method, 3821/1016/MUM/2013</p> <p>9. Inventors: Deependra Singh & Manju Singh, Indian Patent application, Composition and method of multiple drug loaded bio-compatible hydrogel for complete wound healing, 3823/1018/MUM/2013</p> <p>10. Inventors: Deependra Singh & Manju Singh, Indian Patent application, Dual delivery of arginine and growth factor nanoparticles incorporated in novel hydrogel for wound healing management, Date of application: 4.11.13/MUM/2013</p>

3.2.3 Provide the following details of ongoing research projects of faculty:

Ongoing Major Project

Anthropology

1. Towards Understanding Post Gene Regulation in *P. Falciparum* Malaria: An insight into disease pathogenesis, DST (Multi- Institutional Project with headquarter at Department of Biochemistry, Calcutta University); 49.15 L (Received at Calcutta University); 2014

Chemistry

2. One Time Research Grant Scheme, UGC, New Delhi; 7.00 L; 2014-2016
3. Micellar, Interfacial and Spectroscopic Studies of Antidepressant- Drug- Surfactant Systems, UGC, New Delhi; 14.50 L; 2015-2018
4. Solubilization of Polycyclic Aromatic Hydrocarbons Using Novel Surfactant Mixtures, CSIR, New Delhi; 23.12 L; 2012-2016
5. A Novel Hyphenated Single Drop Micro Extraction – Diffuse and Attenuated Total Reflectance Fourier Transform Infrared Spectroscopy (SDME-DRS/ATR-FTIR) Technique for Analysis of Multiatomic Metaloxy Anions, DST (SERB), New Delhi; 33.20 L; 2013-2016

Electronics and Photonics

6. Electrical & Optical modeling of Organic Solar cells for efficient solar Spectrum harvesting, Defense Research & Development Organization; 26.10 L; 2013-2016

Geology & WRM

7. Petrological and geological studies of the ultrabasic rocks around Boradih area, northeastern fringes of Bastar craton, DST –SERB; 20.13 L; 2015-2018

Mathematics

8. Analysis of nonlinear model containing accretive operator (25(0234)/14/EMR-II), CSIR, New Delhi; 9.92 L; 2014-2016
9. Study of fixed point problems under relaxed conditions and their applications (MRP-MAJOR-MATH-2013-18394), UGC, New Delhi; 10.3 L; 2015-2017

Pharmacy

10. Preparation and characterization of cyclodextrin based nanostructured lipid carriers for poorly soluble alkylating agent, UGC; 11.75 L; 2013-2016
11. Staff development program, AICTE; 7.0 L; 2014
12. Development and Characterization of Phospholipids Complexes of Some Plant Actives for Improving Bioavailability”, AICTE; 14.73 L; 2014-2017
13. Phytochemical and Pharmacological Evaluation of some Ethnic Immunomodulator Plants of Chhattisgarh”, UGC; 14.13 L; 2015-2018

Ongoing Minor Project

Anthropology

1. Chhattisgarh Shashan ki Yojnao/ Karyakramo ke Dastavejikan Evem Case Study Bavat (Baiga PVTG Adhyayan ke Vishesh Sandarbh me), Samvad, (Govt. of CG); 02.00 L; 2015
2. Chattisgarh Shashan ki Yojnao/ Karyakramo ke Dastavejikan Evem Case Study Bavat Adhyayan (Kamar PVTG ke Vishesh Sandarbh me), Samvad, (Govt. of CG); 02.00 L; 2015
3. Chhattisgarh Shashan ki Yojnao/ Karyakramo ke Dastavejikan Evem Case Study Bavat Adhyayan (Birhor PVTG ke Vishesh Sandarbh me), Samvad, (Govt. of CG); 02.00 L; 2015
4. Chattisgarh Shashan ki Yojnao/ Karyakramo ke Dastavejikan Evem Case Study Bavat Adhyayan (Abujhmaria PVTG ke Vishesh Sandarbh me), Samvad, (Govt. of CG); 02.00 L; 2015
5. Chattisgarh Shashan ki Yojnao/ Karyakramo ke Dastavejikan Evem Case Study Bavat Adhyayan (Hill Korwa PVTG ke Vishesh Sandarbh me), Samvad, (Govt. of CG); 02.00 L; 2015

Biotechnology

6. Morphological, Biochemical and Molecular characterization of poisonous and nonpoisonous mushroom, CCOST, Raipur; 3.60 L; 2015-2017
7. Telomere and Genotoxic Effects of Arsenic in Germinating *Glycine max* L. Seeds, CCOST, Raipur; 5.00 L; 2015-2017
8. Production of Bioethanol from De-oiled Rice Bran by *Saccharomyces cerevisiae* MTCC 4780, CCOST, Raipur; 5.00 L; 2014-2017
9. True-to-type *in vitro* conservation of Safed Musli (*Chlorophytumborivilianum* Sant. Et Fernand.): a rare medicinal plant of India, CCOST, Raipur; 5.00 L; 2014-2016
10. ROS mediated lipid peroxidation, protein oxidation and DNA fragmentation in *Shorea robusta* seeds during natural ageing, UGC, New Delhi; 4.50 L; 2012-2015

Chemistry

11. Studies on Interaction of Surfactants And Surfactants Mixtures With Serum Albumin Proteins, CCOST, Raipur; 5.00 L; 2015-2018
12. Heterolytic Cleavage of Organophosphorous Pesticides by Oximate and Hydroximate ion in self-Organised assemblies, CCOST, Raipur; 5.00 L; 2015-2017

Computer Science

13. Modelling of Green Computing in C.G., CCOST; 5.00 L; 2013-2016

Library and Information Science

14. Bibliographical study of doctoral dissertation: Special reference to Pt. Ravishankar Shukla University, Raipur, UGC, New Delhi; 0.70 L; 2014-2016
15. Creation of Institutional E-repository of Pt. Ravishankar Shukla University, Raipur, ICSSR; 2.50 L; 2015-2016

Life Science

16. Inventory on earthworm biodiversity database of Raipur district of Chhattisgarh agro-ecosystems cultivating scented rice, CCOST, Raipur; 4.9 L; 2014-2016
17. Salivary alpha-amylase and rest-activity rhythms in patients with breast cancer, CCOST, Raipur; 5.0 L; 2014-2017
18. Environmental pathway and human response studies on impact of water borne fluoride amongst inhabitants of Korba, C.G., CCOST, Raipur; 5.0 L; 2014-2017
19. A study on the impact of school timing on sleep behavior and cognitive ability of higher secondary school studies, CCOST, Raipur; 4.65 L; 2014-2017
20. Exploration of endophytic actinomycetes for antibiotic potential from some medicinal plants of Raipur district, CCOST, Raipur; 5.0 L; 2015-2018

Mathematics

21. Convergence analysis of some iterative algorithms for nonlinear mappings (2173/CGCOST/MRP/2015, dated 4.2.2105), CCOST, Raipur; 4.45 L; 2015-2017

Pharmacy

22. Development and Characterization of Supramolecular System of Drug-Cyclodextrin Complexes Encapsulated in Rosin Microspheres, CCOST; 3.55 L; 2013-2016
23. Development of quality control parameters for *Celastrus paniculata* Wild. and *Gloriosa superba* Linn.: An commercially important ethnomedicinal plants of Chhattisgarh, CCOST; 3.50 L; 2013-2016
24. Development and characterization of corticosteroid loaded topical nanocolloidal carriers for treatment of inflammatory ocular disorders, CCOST; 4.10 L; 2014-2017

Physics and Astrophysics

25. Studies on the Present Luminescence Strontium Aluminosilicate Phosphors, CCOST; 5.00 L; 2013-16
26. "Rare earth doped $\text{Ca}_2\text{Al}_2\text{SiO}_7$ nano / micro Phosphors: Synthesis, Characterization and Device Prospects" CGCOST, CCOST; 5.00 L; 2013-16
27. Effect of High Energy Ball-milling and Study of nano-ionic effect in Dry Polymers Electrolytes, CCOST, 5.00 L; 2013-16

Statistics

28. Estimation of Population Parameters Using Auxiliary Information, CCOST, Raipur; 5.0 L; 2015-2018

3.2.4 Does the university have any projects sponsored by the industry/ corporate houses? If yes, give details such as the name of the project, funding agency and grants received.

Some departments of our university have done some collaborative projects with Government of Chhattisgarh, election commission of India and National power Grid Corporation The university has 14 industry/corporate sponsored projects most of which are on environmental issues, socio economic problems and development and planning of Tribals of Chhattisgarh, sponsored by state government, industries and corporates. The total outlay of these projects works out to a sum of Rs 40.41 Lac. The

details are as under-

a. Research projects completed and grants received during the last four years (funded by National/International agencies).

The university has mobilized INR 392.52 Lac and 37.638 Lac in the form of completed major and minor projects, respectively, from different funding agencies in last four years.

(Details listed below)

Completed Major Projects

Anthropology

1. End line sample survey of knowledge attitude, behaviour, belief and practices of electors in Raipur division and Chhattisgarh, Election Commission; 09.46L; 2013-14.
2. Missing children of Chhattisgarh socio-economic survey, WCD Dept., CG Govt.; 10.00L; 2014-15.

Biotechnology

3. Screening of microbes for bioethanol production from Mahua (*Madhuca indica*) flowers, UGC, New Delhi, 7.41L; 2011-2014.

Chemistry

4. Lipophilicity and Molecular Descriptors of Hydroxamic Acids for Use in Drug Design, UGC, New Delhi; 7.0L; 2007-2010.
5. Synthesis and Development of Novel Oxime Reactivators of Cholinesterases Inhibited by Organophosphorus Toxicants, DRDO, New Delhi; 40.13L; 2012-2015.
6. Study of Enzymatic Hydrolysis of Carboxylate and Phosphate Esters in Micelles, CSIR, New Delhi; 11.58L; 2007-2011.
7. Studies on Physicochemical and Thermodynamic Properties of Some Gemini Surfactants, UGC, New Delhi; 10.50L; 2009-2011.
8. Source Apportionment of Classified Atmospheric Dust Fraction: Study of Selected Receptor Models, DST, New Delhi; 51.00L; 2011-2014.
9. *O*-Nucleophilicity of Hydroxamic Acids: Esterolytic Cleavage of Some Simulants of Chemical Warfare Agents and Organophosphorus Pesticides, DST (SERB), New Delhi (Fast Track for Young Scientist); 26.48L; 2012-2015.

Economics

10. BPL Families: Programs and their Impact-A Study to Examine the Impact of Support to BPL Families in C.G., ICSSR, New Delhi; 6.74L; 2011-13.
11. Impact of Liberalization on Development of Agro-industries: An Empirical Study of Raipur

Distt. of Chhattisgarh., UGC, New Delhi; 8.24L;2012-14.

12. Economic Survey of Missing Children (joint initiative of five departments), Govt. of C.G.; 8.00L; 2014-15.

Electronics and Photonics

13. Design and Characterization of Polymer Light Emitting Diodes, UGC, New Delhi; 9.71L; 2009-2012.
14. Fabrication and modeling of PbS /TiO₂ Quantum Dot Photovoltaic Devices, International Commission Washington USA; 14.27L; 2010-2011.

Geography

15. Socio-Economic Status and Quality of Life of Women Slum-dwellers of Major Cities of Chhattisgarh, ICSSR, New Delhi; 6.80L; 2012 -2014.
16. Chhattisgarh Basin Mei MeharJatikiSamajik-ArthikSthiti, UGC, New Delhi; 6.29L; 2011-2014.
17. Chhattisgarh keNagaro MeShishuMatyartaPratirup, UGC, New Delhi; 6.86L; 2011-2014.

Geology & WRM

18. An integrated study of the dyke swarms and Deccan Traps of Chhotaudepur province, Lower Narmada Valley, DST; 24.23L; 2007-2010.

Life Science

19. Study of rest-activity circadian rhythm in cancer patients: An attempt to develop strategies for chronotherapy and QoL, UGC, New Delhi; 9.15L; 2009-2012.
20. Study of circadian rhythm in the cognitive ability to judge short-interval durations in humans and the effect of light at night (LAN), DST, New Delhi; 31.2L; 2010-2013.
21. AOS and Its Induced Changes in Antioxidant Enzyme, Protein, DNA and Telomere/Telomerase are Responsible for Ageing in Neem (*Azadirachta indica*) seed, DST, New Delhi; 23.8L; 2012-2015.
22. Oxidative Damage of Lipid, Protein, DNA and Telomere in Ageing Seeds of Chironji (*Buchanania lanzan*), UGC, New Delhi; 9.8L; 2012-2015.

Pharmacy

23. Formulation and evaluation of herbal cosmetics, UGC; 9.32L; 2007-2010
24. Targeted delivery of phytoconstituents to reduce ultra violet radiation generated skin cancer, UGC; 7.70L; 2010-2013.
25. Development and characterization of novel drug delivery systems for plant actives and extracts, UGC; 5.89L; 2010-2013.
26. Corticosteroid and keratolytic agent loaded nanostructured lipid constructs: Novel topical system for treatment of psoriasis, UGC; 9.75L; 2012-2015.
27. Standardization of some Traditional Ayurvedic formulations, UGC-MRP; 9.74L; 2008-2011.

Physical Education

28. Prevalence of Sports Injuries in Kho-Kho Players and Comparison of Physiotherapy, Ayurvedic and Combined Modalities of treatment of the Injuries, UGC; 8.00L; 2012-2014.

Sociology

29. Tribal life in base Camps and structural Change (With Special Reference to South Bastar District of Chhattisgarh), UGC, New Delhi; 3.47L; 2012-2014

Completed Minor Projects

Anthropology

1. Perspective of behaviour and involvement of men in reproductive health: A bio-cultural

exploration of Baiga tribe of Chhattisgarh, UGC; 0.99L; 2009-11.

2. Baseline sample survey of knowledge attitude, behaviour, belief and practices of electors in Raipur division (CG), Election Commission; 02.47L; 2013-14.
3. Compilation of baseline sample survey of knowledge attitude, behaviour, belief and practices of electors in Chhattisgarh, Election Commission; 01.10L; 2013-14.
4. Compilation of end line sample survey of knowledge attitude, behaviour, belief and practices of electors in Chhattisgarh, Election Commission; 1.55L; 2013-14.

Biotechnology

5. Biodiversity of endophytic fungi in tropical forest of Chhattisgarh, CCOST, Raipur; 1.94L; 2012-2014.

Computer Science

6. Automatic Elephant Detection System, UGC, New Delhi; 1.96L; 2011-2013.
7. A Study of Spatial Temporal Data Mining Technique with WSN, UGC, New Delhi; 1.45L; 2011-201

Economics

8. Impact Evaluation and Assessment of RAP Implementation At Bhatapara C.G. for POWERGRID Corporation of India Ltd., National POWERGRID, Govt. of India; 0.728L; 2014-15.

Electronics and Photonics

9. Design and Simulation of Organic Electroluminescent Devices, CCOST, Raipur; 2.00L; 2009-2012.
10. Simulation of Organic Solar Cells, UGC, New Delhi; 3.00L; 2009-2012.
11. Design and Implementation of Image Enhancement Techniques in Frequency Domain, CCOST, Raipur; 2.00L; 2008-2010.

Geography

12. Evaluation of agro nutritional level among Oraw tribes of Jashpur district, Chhattisgarh, UGC, New Delhi; 1.40L; 2011-2013.

Mathematics

13. A study of Iterative schemes for nonexpansive mappings, UGC, New Delhi; 1.8L; 2012-2014.

Pharmacy

14. Advances in Pharmaceutical Research(Seminar grant), AICTE; 2.00L; 2014.
15. Establishment and optimization of hairy root of costusspeciosus for production of diosgenine, CCOST; 2.00L; 2011-2014.
16. Natural polymer based lipospheres: versatile delivery carrier for Proteins and peptides, CCOST; 2.00L; 2011-2014.

Physics and Astrophysics

3.3 Research Facilities

3.3.1 What efforts have been made by the university to improve its infrastructure requirements to facilitate research? What strategies have been evolved to meet the needs of researchers in emerging disciplines?

The University makes following efforts to improve its infrastructure by mobilizing the grants received from:

- UGC Plan Grants
- DST-FIST
- UGC-SAP Scheme including BSR program
- Major and Minor Research Projects from State, National and International agencies

- UGC-INFONET facility
- University own source
- DAE, Mumbai

The strategy of the University is to identify the thrust areas and on the basis of which it has established the following centers and innovative programs:

- The National Center for Natural Resources
- Center for Cognitive Science
- Center for Translational Chronobiology
- Center for Nano-science and Nano-technology
- Center for Geriatrics and Gerontology
- Center for Megaproject in Multi Wavelength Astronomy
- Center for Integrated Tribal Studies
- Center for Herbal Drug Technology
- M. Tech in optoelectronics and laser technology
- B.Voc. program in Renewable Energy Technology & Management
- Center for Basic Sciences

3.3.2 Does the university have an Information Resource Centre to cater to the needs of researchers? If yes, provide details of the facility.

Yes; the University has following two resource centers:

1. INFLIBNET in Central Library of the University
2. NKN facility to the University
3. IUCAA Resource Center

3.3.3 Does the university have a University Science Instrumentation Centre (USIC)? If yes, have the facilities been made available to research scholars? What is the funding allotted to USIC?

Yes.

- The USIC has facilities outlined below

S.No.	Name of Workshop	List of Major Equipments
1	Mechanical Workshop	HMT Lathe Machine, Batliboi Shaper Machine, HMT Milling Machine, welding Equipments, Radial drilling machine, Power Saw, Shearing Machine, Carpentry Lathe, Carpentry Saw Machine, Carpentry Planner Machine,
2	Glass Blowing Workshop	Burners, Lathe, Optical Equipments, tube cutter
3	Electronic Workshop	CRO, Multi-meters, Current Meters, Mega Meter etc.

- The facilities are extended to the students and researchers of University and affiliated colleges.
- The requirements of the USIC are met through budgetary allocation of the University.

3.3.4 Does the university provide residential facilities (with computer and internet facilities) for research scholars, post-doctoral fellows, research associates, summer fellows of various academies and visiting scientists (national/international)?

Yes.

Residential facility is provided in the Hostels. Computer and Internet facilities are available in the hostel through RSU-CAN. The entire campus is Wi-Fi enabled.

3.3.5 Does the university have a specialized research centre/ workstation on-campus and off-campus to address the special challenges of research programs?

Yes, on-campus specialized research center/facility is available in the form of:

National Center for Natural Resources (NCNR), addressing:

- to document TKs on health care practices among tribes of Chhattisgarh
- to identify medicinal plants (MPs) and to explore potential medicinal applications
- to identify, standardize and validate biomarkers for autoimmune diseases
- to conserve and propagate identified/selected medicinal plant resources of Chhattisgarh
- to formulate modalities for IP protection, benefit sharing and patent sharing of the accrued research output

Institute of Pharmacy

The institute has a specialised research lab on-campus with the requisite infrastructural facilities which caters to the research areas as follows –

- Nobel drug delivery system and development
- Development of Herbal Drug Formulation
- Nano-Technology Drug Delivery System

3.3.6 Does the university have centres of national and international recognition/repute? Give a brief description of how these facilities are made use of by researchers from other laboratories.

Yes, the university has a research centre named NCNR. The available facilities are open for researcher of the State.

3.4 Research Publications and Awards

3.4.1 Does the university publish any research journal(s)? If yes, indicate the composition of the editorial board, editorial policies and state whether it/they is/are listed in any international database.

Yes.

The University initiated publication of following electronic journals as per the following details:

S. No.	Name of Journals & Periodicity	ISSN No	Editors
01	Journal of Ravishankar University (JRU), Part-A Social Science (Bi annual Journal)	0970-5910	V N Dubey, B Hasan, R K Brahme
02	Journal of Ravishankar University (JRU), Part-B Science (Bi annual Journal)	0970-5910	A K Pati, K K Ghosh, M K Deb, Arti Parganiha

3.4.2 Give details of publications by the faculty:

- Number of papers published in peer reviewed journals (national / international)
- Monographs
- Chapters in Books
- Books edited
- Books with ISBN with details of publishers
- Number listed in International Database (For e.g. Web of Science, Scopus, Humanities International Complete, EBSCO host, etc.)

3.4.6 What is the official policy of the university to check malpractices and plagiarism in research? Mention the number of plagiarism cases reported and action taken.

Pt. Ravishankar Shukla University checks malpractices and plagiarism as per the University regulation

- Constitution of Departmental Research Committee (DRC)
- Pre-Presentation of Synopsis and Thesis
- Mandatory publication of one research paper in the list of journals approved by the University before the submission of thesis
- Plagiarism check mechanism through Plagiarism Cell
- Ethics committees for Human Research and Animal Research

Case

One Ph.D. degree has been rescinded on detection of Plagiarism.

3.4.7 Does the university promote interdisciplinary research? If yes, how many interdepartmental / interdisciplinary research projects have been undertaken and mention the number of departments involved in such endeavours?

Yes.

University promotes interdisciplinary research.

List of interdisciplinary projects is listed below:

- NCNR (Involves Anthropology, Bioscience, Biotechnology, Chemistry & Pharmacy)
- Missing Children: Socio-Economic Survey (WCD Project) (Involves Anthropology, Sociology, Economics & Psychology).
- Cultural Mapping of Birhor, Primitive Tribe of Chhattisgarh (Involves Anthropology and INTACH, Raipur Chapter).
- Baseline Sample Survey of Knowledge, Attitude, Behavior, Belief and Practices of Electors in Raipur Division, C.G. (Involves Anthropology and Sociology).
- Compilation of Baseline Sample Survey of Knowledge, Attitude, Behavior, Belief and Practices of Electors in Raipur Division, C.G. (Involves Anthropology and Sociology).
- Endline Sample Survey of Knowledge, Attitude, Behavior, Belief and Practices of Electors in Raipur Division, C.G. (Involves Anthropology and Sociology).
- Compilation of Endline Sample Survey of Knowledge, Attitude, Behavior, Belief and Practices of Electors in Raipur Division, C.G. (Involves Anthropology and Sociology).

3.4.8 Has the university instituted any research awards? If yes, list the awards.

University does not institute any research award. However, it awards the best department, the best affiliated college and the best teacher during official celebration of the Foundation Day of the University (May 01) and Teachers Day (September 05). This is one of the best practices of the University.

3.4.9 What are the incentives given to the faculty for receiving state, national and international recognition for research contributions?

There is no such statutory provision.

3.5 Consultancy

3.5.1 What is the official policy of the university for structured consultancy? List a few important consultancies undertaken by the university during the last four years.

The university has a regulation to govern and institutionalize the consultancy services.

Listed below are the consultancies given to the Govt. of Chhattisgarh and the Election Commission:

- Missing Children: Socio-Economic Survey (WCD Project)
- Cultural Mapping of Birhor, Primitive Tribe of Chhattisgarh
- Baseline Sample Survey of Knowledge, Attitude, Behavior, Belief and Practices of Electors in Raipur Division, C.G.
- Compilation of Baseline Sample Survey of Knowledge, Attitude, Behavior, Belief and Practices of Electors in Raipur Division, C.G.
- Endline Sample Survey of Knowledge, Attitude, Behavior, Belief and Practices of Electors in Raipur Division, C.G.

Compilation of Endline Sample Survey of Knowledge, Attitude, Behavior, Belief and Practices of Electors in Raipur Division, C.G.

3.5.2 Does the university have a university-industry cell? If yes, what is its scope and range of activities?

Yes:

University Industry Partnership Council (UIPC) has been established which functions with the following objectives:

- Depute teaching and technical staff for training in industry.
- Organize special lectures for students and staff.
- Organize industry visit.
- Entrepreneurship skill development.
- Soft skill training for the students by experts from industries
- Regular Industry academia linkage interface

The National Power Grid Corporation has donated INR 400.00 Lac for building student's boy hostel. The ONGC provide two Scholarships for M.Sc. Students in Physics and Chemistry.

3.5.3 What is the mode of publicizing the expertise of the University for Consultancy Services? Which are the departments from whom consultancy has been sought?

University publishes expertise of the available consultancy on its web pages. The consultancy has been sought from the following departments:

Anthropology, Sociology, Economics, Library Science, Geology, Chemistry and Pharmacy.

3.5.4 How does the university utilize the expertise of its faculty with regard to consultancy services?

The University publishes expertise of the available of its faculty members on its web pages.

3.5.5 List the broad areas of consultancy services provided by the university and the revenue generated during the last four years.

Broad area: Social surveys, demography, human behaviour and attitude, petrological investigation and ground water survey, formulation development and testing, water analysis, indoor and outdoor

pollution survey.

During the period of this assessment INR 40.69 Lac. has been generated.

3.6 Extension Activities and Institutional Social Responsibility (ISR)

3.6.1 How does the university sensitize its faculty and students on its Institutional Social Responsibilities? List the social outreach programs which have created an impact on students' campus experience during the last four years.

The University carries out extension activities through the POC and the NSS. In addition University has been organizing INSPIRE internship camps for 11th Graders. The University also regularly organizes Pt. Ravishankar Shukla Memorial lecture and other popular lectures to sensitize its stakeholders. Some of the leading speakers during the assessment period include the following:

3.6.2 How does the university promote university-neighbourhood network and student engagement, contributing to the holistic development of students and sustained community development?

The University organizes several activities throughout the year for overall development of the students.

- Social outreach programs organized by NSS. Fifteen villages have been adopted to be developed as Model Village.
- Students' involvement during youth and local festivals
- Student's involvement in all National festivals and anniversaries

- Student's involvement in State and Regional sports activity
- Visit to Museum and Centers of cultural heritages
- Field work and community surveys
- Celebration of World Tourism Day

3.6.3 How does the university promote the participation of the students and faculty in extension activities including participation in NSS, NCC, YRC and other National/International programs?

The University encourages the students and the faculty to participate in various activities of state and National importance. Weightage is given during admission to the students undergoing NSS and NCC activities. Student also participates in Zonal and National youth festivals and games.

3.6.4 Give details of social surveys, research or extension work, if any, undertaken by the university to ensure social justice and empower the underprivileged and the most vulnerable sections of society?

- University encourages active participation of its faculty to undertake Surveys aimed towards policy making for the implementation by the State government.
- University encourages the faculty members to engage classes in the UGC-NET Coaching Centre for the students belonging to the privileged and weaker section.
- Regional Studies & Rural Development, Sociology, Anthropology conducts social survey to identify the status of the underprivileged and the most vulnerable sections of Society. The Schools have also conducted Research and Extension activities so as to promote the livelihood status.
- A number of extension works by the students of Social Science faculty for the benefit of the under-privileged women have been carried out in the disadvantaged districts of Chhattisgarh.
- Department of Anthropology and Geography promotes research on children of tribal communities, slums dwellers and labourers to identify their problems for better livelihood. Recommendations of these research works are beneficial for policy maker so as to ensure social justice.
- A PhD Thesis on 'Survey on Urban Poor women living in slums of Raipur city' was awarded to one of the research scholars of Economics Department.
- Women Study Centre documented News paper reports related to women issues and presented in conference.
- Students' opinion regarding sexual harassment were sought and published in local newspaper.

3.6.5 Does the university have a mechanism to track the students' involvement in various social movements / activities which promote citizenship roles?

Yes.

- The students who are involved in Social movement are monitored by the respective mentors.
- The group activity is carried out under the leadership of NSS.
- To inculcate the sense of responsibility amongst the students, every school takes care through its social cultural club activity.

3.6.6 Bearing in mind the objectives and expected outcomes of the extension activities organized by the university, how did they complement students' academic learning experience? Specify the values inculcated and skills learnt.

These activities help the student to improve their

- Practical training and hands on experience
- Communication skills
- Adaptability to socio-environmental conditions
- Organizational skills
- Community involvement
- Crises management ability
- Civic sense
- Commitment to nation building
- Leadership skill
- National Integration
- Gender sensitization
- Cleanliness
- Environmental Protection

3.6.7 How does the university ensure the involvement of the community in its outreach activities and contribute to community development? Give details of the initiatives of the university which have encouraged community participation in its activities.

- The University ensures involvement of the community so as to contribute for its development through NSS.
- The POC organizes various programs for the community like Extension lectures, Visit of under privileged and differently abled persons and delivery lecture in the schools of located in remote areas.
- The schools of the University are actively involved in community development program the notable contribution are in the form of health awareness camps, Summer Sports Coaching Camps for school and College students [Tennis, Cricket and Badminton], awareness rallies etc.

3.6.8 Give details of awards received by the institution for extension activities and/contributions to social/community development during the last four years.

None

3.7 Collaboration

3.7.1 How has the university's collaboration with other agencies impacted the visibility, identity and diversity of activities on campus? To what extent has the university benefitted academically and financially because of collaborations?

The University is encouraging its departments for the collaboration with other universities/industry/research institutes of national and international repute. These collaborations help the university academically in the following ways:

- updating knowledge
- resource & technology sharing
- investigate research problems of global importance
- enable faculty on inter-disciplinary concepts

- stimulate innovation
- enhance the quality of research

Financially, multi-institutional projects have attracted funds from diverse national and International funding agencies as well as industry /state government sponsored projects.

3.7.2 Mention specific examples of how these linkages promote Curriculum development

Curriculum development

Collaboration with other industries and institutions help in updating the curriculum in tune with the latest trends in the subject. Eminent Scientists from collaborative institutions are included as members of Board of Studies of various departments and play a proactive role in curriculum development process.

Internship

Internship opportunity is sought by the various departments as per the requirement of the curriculum for industrial training and field work.

On-the-job training

For the mandatory training courses in certain programs like B.Pharm., M. Pharm., MBA, M.Sc. Biotechnology, M.Sc Life Sciences, M Tech Optoelectronics & Laser Technology, the students are trained in industries/institutions. These courses include Industrial training in MBA, Research in M.Pharm. and Biotechnology and Optoelectronics etc.

Faculty exchange and development

The joint collaborations also provide scope for faculty exchange programs and consequent technology transfer.

Research

A part of research performed at the collaborators laboratory and joint work with scientists result in joint research publications in very reputed research journals. This has been reflected in the list of faculties publications.

Publication

The list of faculty publications reflects the output from the collaboration during the assessment period, which is reflected in the Evaluative Report of the respective departments, and is displayed on university website.

Consultancy

Most of the departments offer free and paid consultancy services to the industries and institutes.

Extension

Details of extension activities are given in the section 3.6.8

Student placement

Many of the students find placements in those institutions and industries where they completed their internship/project work. Independent placement cell of the University takes care of placement of students at UTD and its affiliated colleges.

3.7.3 Has the university signed any MoUs with institutions of national/ international importance/ other universities/ industries/ corporate houses etc.? If yes, how have they enhanced the research and development activities of the university?

Yes. Details are given as under:

Department	MoUs	Nature of MoUs
Physics & Astrophysics and Electronics	Department of Physics, the University of California, Santa Cruz, USA	Nanotechnology, Photovoltaic devices

& Photonics		fabrication
Physics & Astrophysics	Aryabhata Research Institute of Observational Sciences (ARIES), Nainital	Astrophysics
	Inter-University Center for Astronomy & Astrophysics (IUCAA), Pune.	Astrophysics
Regional Studies	Thakur Pyarelal Institute of Panchayat and Rural Development, Nimora, Raipur.	Regional & Rural Development
	Council for Tribal and Rural Development (CTRD), Bhubneshwar	Regional & Rural Development
	Institute of Paleo Anthropology and Heritage Conservation, Mekelle University, Ethiopia	Research in Anthropology and Heritage conservation
Pt. Sundarlal Sharma Library	INFLIBNET Center, Ahmdabad	Shodhganga Project
Chemistry	Defence Research Development Establishment, Gwalior and Central Drug Research Institute, Lucknow	Design, Synthesis and development of aromatic, hetero- aromatic and Glycol-conjugates as Anti therapeutic agents and cholinesterase reactivaters.
NCNR	Asthagiri Herbal Research Foundation, Chennai	Ethanopharmacology, Screening and Validation of Phytochemicals

3.7.4 Have the university-industry interactions resulted in the establishment / creation of highly specialized laboratories/ facilities?

No; however, a hostel has been constructed with the support of Power Grid Corporation.

University has established University Industry Partnership Council.

Criterion IV: Infrastructure and Learning Resources

**Pt. Ravishankar Shukla University, Raipur
Chhattisgarh**

CRITERION IV: INFRASTRUCTURE AND LEARNING RESOURCES

4.1 Physical Facilities

4.1.1 How does the university plan and ensure adequate availability of physical infrastructure and ensure its optimal utilization?

All school of studies prepares future plans for their physical infrastructure in the light of available financial resources, through its annual budget.

University also visualizes its future requirements in terms of infrastructure, in the light of new technology driven situation. It enables the university to prepare plan for future development.

Optimal utilization is ensured by active participation and sharing of physical infrastructure and proper administrative control over it.

4.1.2 Does the university have a policy for the creation and enhancement of infrastructure in order to promote a good teaching-learning environment? If yes, mention a few recent initiatives.

Yes, the university has various committees for the purpose of enhancement of infrastructure. Recent outcome of the decisions taken by such committees are, construction of new hostels, utility centre, HRDC building, Wi-Fi facility, creation of on-line facility for academic and exam purpose. Most important among those are establishment of Centre for Basic Science solely devoted to pure science and National Centre for Natural Resource, a unique initiative in central India.

4.1.3 How does the university create a conducive physical ambience for the faculty in terms of adequate research laboratories, computing facilities and allied services?

All the departments have adequate number of research laboratories with latest instrument facilities. The research facilities are upgraded and updated time to time. In order to inculcate culture of research with the central facility, i.e., National Center for Natural Resources has been established with the financial support of INR 905.00 Lac from DST. Besides, the university has established seven interdisciplinary centers for innovative research on the campus.

4.1.4 Has the university provided all departments with facilities like office room, common room and separate rest rooms for women students and staff?

Yes

4.1.5 How does the university ensure that the infrastructure facilities are disabled-friendly?

To make the campus disabled friendly following initiatives has been taken:

- Providing ramps in each building
- Wheel chairs in some buildings
- Brail printing and scanning facility in the central library for visually impaired readers.
- Provision for elevator in few buildings

4.1.6 How does the university cater to the requirements of residential students? Give details of

- **Capacity of the hostels and occupancy (to be given separately for men and women)**
- **Recreational facilities in hostel/s like gymnasium, yoga centre, etc.**
- **Broadband connectivity/ wi-fi facility in hostels.**

To cater the requirements of the residential students university has:

- Boys hostel: 5 hostels with 284 occupancy
- Girls hostel: 4 hostels with 367 occupancy
- Teachers hostel with 12 rooms and 4 suites
- Guest house with 14 rooms and a dormitory

All these hostels are well furnished along with 24 x 7 water supply, purified drinking water facility, broad band / Wi-Fi facility. Yoga and meditation sessions are arranged by the yoga department.

4.1.7 Does the university offer medical facilities for its students and teaching and non-teaching staff living on campus?

Yes.

University has a well equipped health centre. It has two doctors, one nurse, one dresser and technician for the pathology lab. Emergency calls are attended and taken care off.

Health check-up camps are also organized on a routine basis. Essential medicines are provided to the students free of cost. All students and staff are provided with *Health Card*.

4.1.8 What special facilities are available on campus to promote students' interest in sports and cultural events/activities?

University has a very good infrastructure for sports. The physical education department caters all essential components of sports activity. It has following infrastructural facility:

- Two gymnasium
- Two Volley ball ground
- Two basket ball ground
- Cinder track 400 m for track and field activities
- Two Hand ball courts
- Two Kabaddi ground
- Kho-Kho ground
- Hockey ground
- Foot ball ground
- Two Cricket ground
- Four Indoor badminton court
- Table tennis tables
- Gymnastic facility
- Weight training facility (16 station multi-gym)
- Kota Stadium
- Physiotherapy facility

To promote cultural activities, the university directs its various departments to arrange cultural programs and competitions as a part of annual youth festival. The winners are selected to take part in zonal and inter university competitions. A well equipped auditorium with 750 sitting capacity exists within campus for holding such functions.

4.2 Library as a Learning Resource

4.2.1 Does the library have an Advisory Committee? Specify the composition of the committee. What significant initiatives have been taken by the committee to render the library student/user friendly?

Yes, library has a library committee which is constituted under regulation 29, and act as an apex

library advisory committee. The composition of the committee is as follows:

1. The university library shall be under the management of a committee. It shall consist of:
 - i. Ex officio members : (a) The Kulapati - Chairman
 - ii. To be appointed by: (a) Four Deans of faculties
(b) Four Chairman of the Boards of Studies
(c) Three Professors or Readers of the university teaching department
 - iii. Two Members to be appointed by the executive council form amongst its own members who are not covered under (i) and (ii) above.
 - iv. The librarian or in his absence the Assistant Librarian shall act as member secretary of the Library Committee.

The initiatives taken from time to time are as follows:

- Braille printer and scanner for visually impaired students
- E-reading facilities
- Library automation
- Purified drinking water
- Air conditioned reading hall
- CCTV for surveillance
- Separate collection for competitive examination

4.2.2 Provide details of the following:

- **Total area of the library (in Sq. Mts.): 1848.6 m²**
- **Total sitting capacity: 360**
- **Working hours (on working days, on holidays, before examination, during examination, during vacation)**

Working days	: 08.00 to 18.00
Holidays	: 11.00 to 16.00
Before examination	: 08.00 to 20.00
During examination	: 08.00 to 20.00
During vacation	: 08.00 to 18.00
- **Layout of the library (individual reading carrels, lounge area for browsing and relaxed reading, IT zone for accessing e-resources)**

Individual reading carrels	: 10
Lounge area for browsing and relaxed reading	: 167.2 m ²
IT zone for accessing e-resources	: Wi-Fi in library & periphery
- **Clear and prominent display of floor plan; adequate sign boards; fire alarm; access to differently-abled users and mode of access to collection**

Floor plan:	Displayed at entrance
Adequate sign boards:	Displayed
Fire alarm:	Fire extinguishers at strategic locations
Access to differently-abled users and mode of access to collection:	Lift, signage, tactile flooring and toilet under construction. Braille printer and scanner with Jaws talking software installed for visually impaired students

4.2.3 Give details of the library holdings:

a.	Print (books, back volumes and theses)	192722
b.	Average number of books added during the last three years	5206 (Excluding 15-16)
c.	Non Print (Microfiche, AV)	
d.	Electronic (e-books, e-journals)	2683
e.	Special collections (e.g. text books, reference books, standards, patents)	10000
f.	Book Banks	
g.	Question Banks	Last 5yrs QP in e-form

4.2.4 What tools does the library deploy to provide access to the collection?

OPAC	Yes
Electronic Resource Management package for e-journals	Yes, link provided in University website.
Federated searching tools to search articles in multiple databases	Yes, Knimbus
Library Website	Library Portal http://library.prsu.ac.in/
In-house/remote access to e-publications	Yes, through Ez Proxy

4.2.5 To what extent is ICT deployed in the library? Give details with regard to

Library automation	Yes, using SOUL software
Total number of computers for general access	20
Total numbers of printers for general access	No, but restricted print is provided on demand free of cost
Internet band width speed	1 GB
Institutional Repository	Yes
Content management system for e-learning	-
Participation in resource sharing networks/consortia (like INFLIBNET)	Yes, <ul style="list-style-type: none"> • UGC-INFONET Digital Library Consortia, • J-Gate CCC for inter library loan of micro documents

4.2.6 Provide details (per month) with regard to

Average number of walk-ins	12000
Average number of books issued/returned	15000
Ratio of library books to students enrolled	80
Average number of books added during the last four years	6614
Average number of login to OPAC	6000
Average number of login to e-resources	7000
Average number of e-resources downloaded/printed	>15000
Number of IT (Information Technology) literacy trainings organized	one

4.2.7 Give details of specialized services provided by the library with regard to

Manuscripts	No
Reference	Short range and Long range Reference services to students, research scholars and faculty in person and as well as through phone and emails
Reprography/Scanning	Photocopy and complimentary scanning facility to users
Inter-library Loan Service	Inter-library loan services of hard copy and electronic resources to

	users as needed
Information Deployment and Notification	Regularly conducting Awareness programs, Orientation programs, Workshops and Literacy programs are conducted regularly
OPACS	WEB-OPAC is functional
Internet Access	Broad Band 1GBPS access is provided free of cost 24 x 7
Downloads	Free downloading service of e-resources
Printouts	Restricted printouts are provided on demand
Reading list/ Bibliography	Prepared for special events and occasions
In-house/remote access to e-resources	Intranet access as well as remote access through EzProxy
User Orientation	Regular orientation and awareness programs are conducted
Assistance in searching Databases	Users are trained through awareness programs and individual assistance is provided at all times
INFLIBNET/IUC facilities	Full package of INFLIBNET are being utilised.

4.2.8 Provide details of the annual library budget and the amount spent for purchasing new books and journals.

Year	Budget				Expenditure		
	Library Head	PRSU Fund	UGC/DAE	Total	University	UGC/DAE	Total
2010-11	2500000	4381	854490	3358871	2504381	854490	3358871
2011-12	3000000	0	6984985	9984985	2821469	6984985	9806454
2012-13	3500000	0	3316032	6816032	2341032	3455071	5796103
2013-14	3800000	0	3056753	6856753	2098915	3125385	5224300
2014-15	4000000	0	4835553	8835553	1910125	4835553	6745678

4.2.9 What initiatives has the university taken to make the library a ‘happening place’ on campus?

- Frequent user awareness programs, literacy drives and training workshops are conducted for optimum utilization of electronic resources (e-books, e-journals and data bases)
- Pt. Sundarlal Sharma Jayanti
- National Librarian’s Day
- Memorial lectures of eminent persons
- Invited lectures of prominent library personalities
- Orientation of INSPIRE Participants twice yearly
- Orientation and reading facilities are provided to all participants of orientation program, refresher course, summer schools, winter schools, workshops and special programs of human resources development college participants

4.2.10 What are the strategies used by the library to collect feedback from its users? How is the feedback analysed and used for the improvement of the library services?

- Feedback from stakeholders are regularly collected directly through interaction, also readers are contacted in person
- Suggestion box is maintained
- Periodic attention is paid on suggestions and grievances raised by users

4.2.11 List the efforts made towards the infrastructural development of the library in the last four years.

- All the sections of library have been renovated

- Reading halls of text book section and journals section have been air conditioned
- For uninterrupted power supply a silent generator has been installed
- Floor tiles have been completely changed at all four storeys
- Water proofing treatment has been done
- Concealed lighting system has been provided
- All the electrical lining, fittings and appliances have been changed
- Installation of lift is in progress
- Separate toilets for disabled students are being prepared
- Independent Braille Section for visually impaired has been developed
- Additional furniture and racks have been procured
- Wi-Fi facility has been provided in and around library
- Ambience of the library is maintained regularly

4.3 IT Infrastructure

4.3.1 Does the university have a comprehensive IT policy with regard to

IT Service Management

- University has a full-fledged Computer Centre which is managed by Computer Science Department. Computer Science manages all IT services and develops the IT infrastructure in the University and is known as RSU-CAN. All UTD teachers and staff are allocated user id and password to avail the IT services. There are around 800 registered users of this facility.
- Another important service of Computer Science is the management of website and Servers. Department maintains web server on 24 x 7 basis. The website content is managed on daily basis. For RSU-CAN and website monitoring a committee exists which gives suggestions for website looks and content management.

Information Security

- The public access servers are well protected from virus attack. Information security is jointly cared at department and at individual department.

Network Security

- Department has installed hardware based Unified Threat Management (UTM) and firewall systems for Network monitoring and traffic regulations. An enterprise level Antivirus system is installed to prevent host computers.

Risk Management

- Department has provisions of backup and additional servers for critical services

Software Asset Management

- It is done at individual departmental level.

Open Source Resources

- Proxy and DHCP servers are using Linux operating system, which is designated open

source. Related other software tools in use are also open source.

Green Computing

- A policy for Green Computing is planned.

4.3.2 Give details of the university's computing facilities i.e., hardware and software.

The details of Computers and Servers available are as follows:

Number of systems with individual configuration:

Desktop computers	550
Laptop	50
Server Xeon	04
Blade Server	03

Department wise scenario is as under:

S. No.	Name of Department	Number of Computers	Computer Student Ratio	Number of Computers with Internet Facility
1.	Ancient India History, Culture, Archaeology	3	1:6.3	2
2.	Anthropology	20	1:2.2	20

Number of nodes/ computers with internet facility	670 [excess 85 nodes are of personal laptops of research scholars and faculties]
Any other (please specify)	RSU-CAN of the University – Entire Campus Area Network is run and maintained by Computer Science department. The University has subscribed to 1Gbps Internet Link through National Knowledge Network. Numbers, installation details and features of Network infrastructure are Core switch: 01 L3 switch, 01 Router, 01 UTM device, 21 L2 manageable switch, 14 unmanageable switch, 01 Wi-Fi controller, 10 wireless access points, On-line 10 KVA UPS of 4 hrs backup.

4.3.3 What are the institutional plans and strategies for deploying and upgrading the IT infrastructure and associated facilities?

- Up gradation of existing links and providing redundant connectivity to department, hostels and new buildings through OFC.
- Inter-link connectivity through other institutes provided by NIC under NKN Project between University, NIT and Govt. Ayurvedic College.

4.3.4 Give details on access to on-line teaching and learning resources and other knowledge and information database/packages provided to the staff and students for quality teaching, learning and research.

Access to online teaching and learning resources are available to the faculty since 2005 network was installed between the departments and Computer Science department and internet facilities were introduced in all departments. Wi-Fi facility available on the campus. NKN Project has made easy access to knowledge and information databases/packages. These are provided to the faculty, officers, staff and students. These enable quality teaching, learning and research. The details of online journals available to the teachers and students are :

4.3.5 What are the new technologies deployed by the university in enhancing student learning and evaluation during the last four years and how do they meet new / future challenges?

New technologies deployed by the university in enhancing student learning and evaluation.

- High speed internet access.
- On-line enrolment and submission of examination form.
- On-line examination results and mark sheet downloading facility.

Future Plans

- File tracking system for e-governance
- Document management and work flow management.
- Mobile and Tablet based self learning and evaluation.
- Examination system Automation, which covers end-to-end solution for all examination related activities.

4.3.6 What are the IT facilities available to individual teachers for effective teaching and quality research?

Teachers are provided with computer connected with internet which they use for creating teaching and learning resources.

4.3.7 Give details of ICT-enabled classrooms/learning spaces available within the university? How are they utilized for enhancing the quality of teaching and learning?

- The lecture rooms are ICT enabled and smart boards are provided wherever required.

4.3.8 How are the faculty assisted in preparing computer- aided teaching-learning materials? What are the facilities available in the university for such initiatives?

- Computers/Laptops with internet facility 24 x 7 is available to all faculty.

4.3.9 How are the computers and their accessories maintained?

Breakdown maintenance is done within 24 hours of breakdown.

For RSU-CAN, Annual Maintenance Contracts are regularly awarded for support and maintenance services including security and preventive maintenance.

4.3.10 Does the university avail of the National Knowledge Network connectivity? If so, what are the services availed of?

Yes, the university avails the National Knowledge Network connectivity. Extensive use is encouraged by holding training programs.

4.3.11 Does the university avail of web resources such as Wikipedia, dictionary and other education enhancing resources? What are its policies in this regard?

- Research Students are registered at IT centre for internet services after admission. Each faculty member and officers are also registered at the centre. The resources of Wikipedia dictionary, e-books, video tutorials and PPT's are used extensively by the students, faculty and staff.
- Policy is to provide access to Websites, e-books, video tutorials and PPT's, course materials, webinars, e-mail and other services. Web-access is also available for the student examination results, Intranet, Internet to seminar proceedings and digital library are also available.

4.3.12 Provide details on the provision made in the annual budget for the update, deployment and maintenance of computers in the university.

Annual Budget for RSU-CAN update, deployment and maintenance of computers, Networks, servers and peripherals is 65.00 Lac.

Computer Science is providing the network services to the University. There is sufficient budget provision for annual maintenance of networks and servers. Details are as follows:

Year	Amount in Lac
2010-11	3.68
2011-12	6.38
2012-13	4.76
2013-14	10.04

4.3.13 What plans have been envisioned for the gradual transfer of teaching and learning from closed university information network to open environment?

Video recording of the lectures is under process.

All the department of the University are connected to Computer Science department through RSU-CAN with 1 Gbps leased line. Internet facility and Wi-Fi connectivity are available round the clock. Departmental class rooms are provided smart boards.

4.4 Maintenance of Campus Facilities

4.4.1 Does the university have an estate office / designated officer for overseeing the maintenance of buildings, class-rooms and laboratories? If yes, mention a few campus specific initiatives undertaken to improve the physical ambience.

Estate office operating is the university is equipped by an estate officer and a retd. Patwari appointed on contracted basis. The estate office functions for -

- Maintenance of records relating to land acquired by the university.
- Settlement of all disputes regarding land acquisition through adjudication.
- Act as a Nodal department regarding land records.
- Ensure demarcation of land under university's possession.

An Executive Engineer (Contract) along with a team of 1 Assistant and 3 Sub Engineers maintains and takes care of 300.17 acres of University campus. A Sanitary Inspector is also appointed to look

after sanitation.

4.4.2 How are the infrastructure facilities, services and equipments maintained? Give details.

The Engineering Section looks after the total infrastructure within the campus.

- Through the staff appointed for the purpose
- By inviting tender if required
- With the assistance of PWD under deposit work scheme if necessary
- Electrical work as such installation of water cooler/purifier for drinking water, air conditioner etc.
- USIC facility is available for maintenance of laboratory equipments

Any other information regarding Infrastructure and Learning Resources which the university would like to include.

IQAC has procured licensed software SYSTAT 13 and installed it in all the UTD of the University and also organized workshop for sensitizing Faculty and Research scholar of the University.

Criterion V: Student Support and Progression

**Pt. Ravishankar Shukla University, Raipur
Chhattisgarh**

CRITERION V: STUDENT SUPPORT AND PROGRESSION

5.1 Student Mentoring and Support

5.1.1 Does the university have a system for student support and mentoring? If yes, what are its structural and functional characteristics?

Yes.

The University has an independent system for student support and mentoring. The Faculty-members of each School act as Mentor and are accorded with a group of students. Each School maintains the record of personal details, financial status and academic achievements of the students. The mentor meets the students twice a month in group and individually when there arises a need. Such meetings enable the mentors to identify and help the academically weaker and economically needy students. The mentor also contributes to the physical, psychological, social and spiritual development of the students. The mentoring program is monitored by the Head of the School.

Apart from the Departmental Mentoring System, the support system also comprises of several independent units, such as Counseling Cell, Placement Cell, Career Guidance and Counseling Cell, Grievance Redressal Cell, Women Cell, Anti-Ragging Cell and Committees for sports and extra-curricular activities.

These committees include staff and student representatives and carry out the activities under the supervision of the Vice-Chancellor.

There is a Separate office of the Dean Student Welfare which is a statutory body and caters to the needs of the students of the UTD and affiliated colleges.

5.1.2 Apart from classroom interaction, what are the provisions available for academic mentoring?

In the University there is a mechanism to identify the slow learners. Advanced learners are motivated by guided self-study, peer group teaching, and paper presentations at the national/ state level, model making, projects, special assignments, seminars and hands-on training.

Remedial coaching for SC/ST and Minority students is conducted by a separate UGC-NET Coaching Center at the University.

Students are exposed to in-depth subject knowledge and other multilevel tasks through association activities, seminars and workshops organized by the School. Students update themselves on recent trends and developments in the subjects by participating in the training programs and presenting papers in the state/ national level seminars and inter-collegiate competitions. The syllabus is designed to encourage the student for field excursion, field-work and independent dissertation writing.

5.1.3 Does the university have any personal enhancement and development schemes such as career counselling, soft skill development, career-path-identification, and orientation to well-being for its students? Give details of such schemes.

Yes.

The University provides personal enhancement and development schemes for the students.

Placement Cell

Placement Cell with a team of faculty members is functioning. The Placement Cell aims at developing the entrepreneurial skills of the students through interaction programs organized in association with Chhattisgarh Industrial Technical Consultancy Organization. Schools carry out orientation programs on 'Career Prospects for the students' and recruitment strategies, individually.

The Placement Cell is connected with all the affiliated colleges of the University. All the information received at the Placement Cell of the University is transmitted to the Placement In-charge at the respective colleges for the benefit of students.

Women Cell

"Empowerment of Women" is the motto of the cell and it is realized through special lectures on Women's rights, Role of Women in Society, conduct of competitions and organizing rally on issues related to Gender sensitization.

Academic Counseling

The academic performance of each student is monitored by the course teacher. The mentor imparts personal and academic guidance from the feedback. Academic guidance is given both to the slow and the advanced learners by the course teachers and they are properly channelized for their improvement. Their performance in curricular, co-curricular and extra-curricular activities is brought to their notice. The students are motivated and guided for pursuing higher education according to their choice and capabilities.

Career Guidance and Counseling Cell

A separate cell functions with two counselors for helping the students to solve their personal problems of various kinds. The students are free to approach the counselors at the scheduled time.

UGC-NET Coaching Center

The cell functions with the noble intention of helping the SC, ST and students of minority community in their academic pursuit and placement. Remedial coaching to the academically weak students, NET / SET coaching for PG Students, coaching for Entry into services and competitive examinations (Bank / VYAPAM/ CGPSC) are some of the activities of the cell conducted through UGC sponsored programs.

- A significant use of technology in Teaching, Learning and research through e-resources, e-class rooms and NKN
- The university is continuously striving for excellence and following initiatives were taken
 - Accreditation by International Accreditation Organization (IAO)
 - Regular internal quality audit by IQAC
 - All professional courses are approved by the respective regulatory bodies.
 - The University has implemented semester system followed by Choice Based Credit System (CBCS).

6.2 Strategy Development and Deployment

6.2.1 Does the university have a perspective plan for development? If yes, what aspects are considered in the development of policies and strategies?

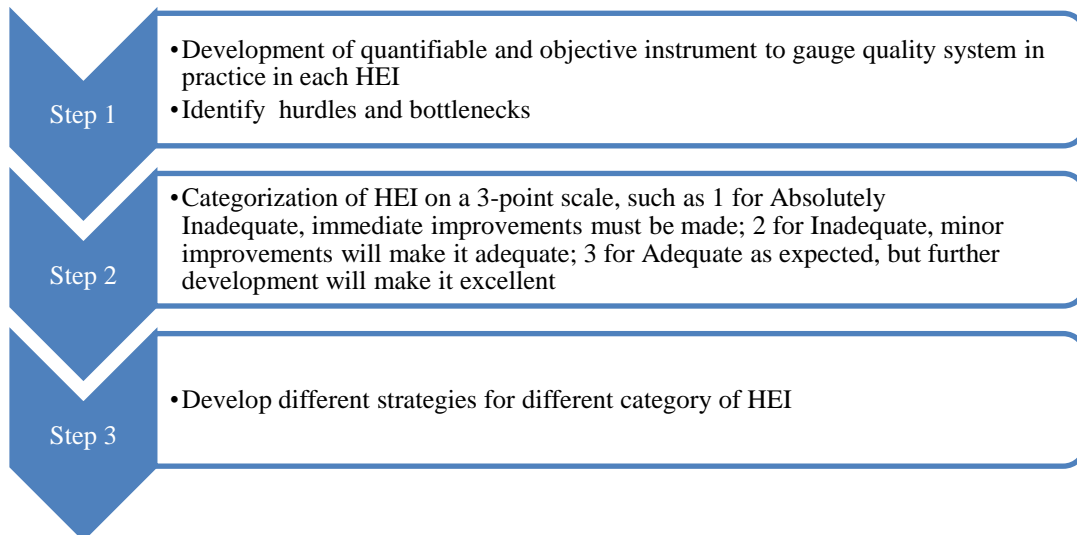

- Vision and mission
- Teaching and learning
- Research and development
- Community engagement
- Human resource planning and development
- Industry interaction
- Internationalisation

The University developed roadmap on quality improvement/enhancement initiatives and innovations (Outlined below)

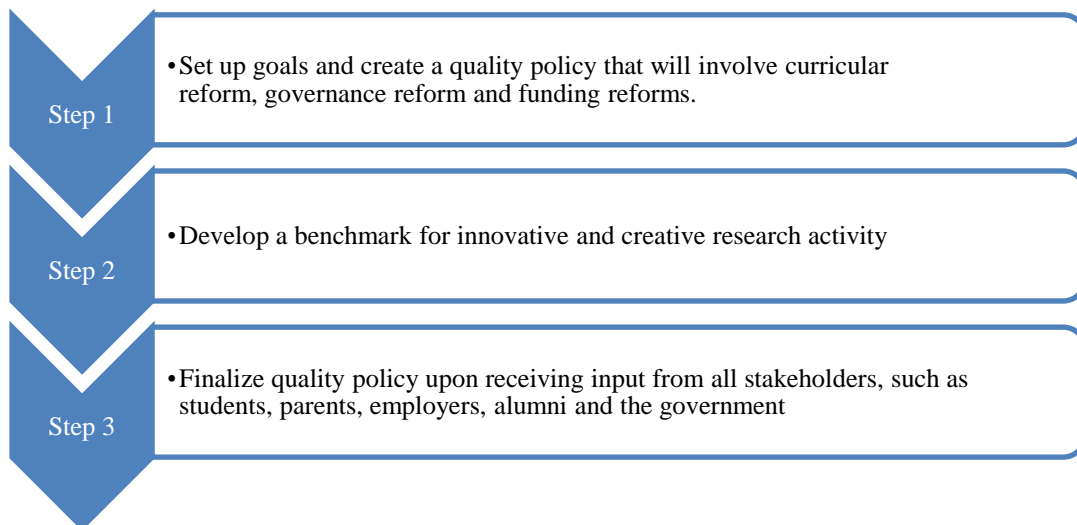

A Roadmap to Achieve Excellence

The First – Current Position

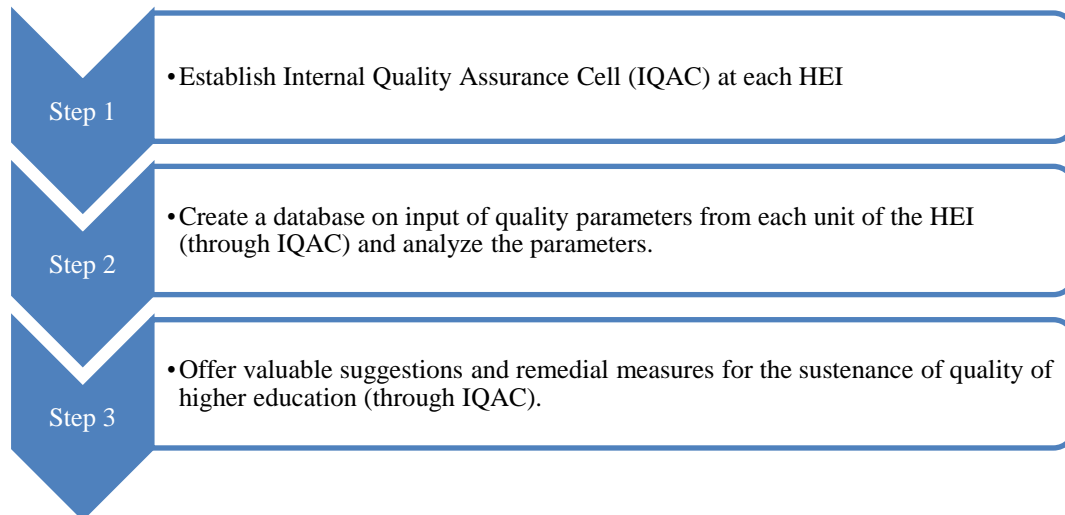

Be it University Teaching Departments or Affiliated Colleges or Autonomous Colleges, the current status in terms of existing quality system should be reviewed using quantifiable and objective instrument.

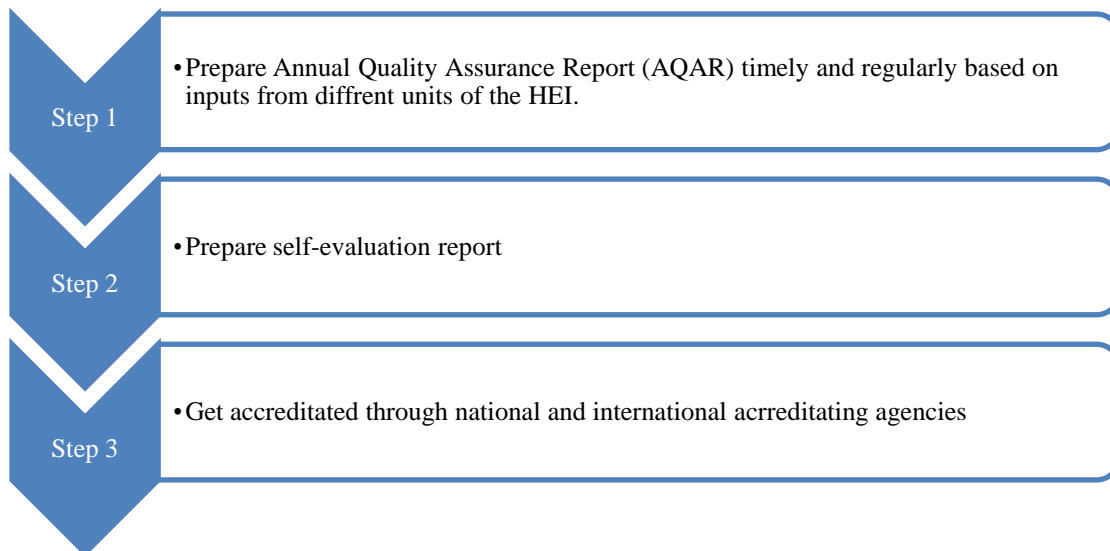

The Second - Define goals & Draft quality policy

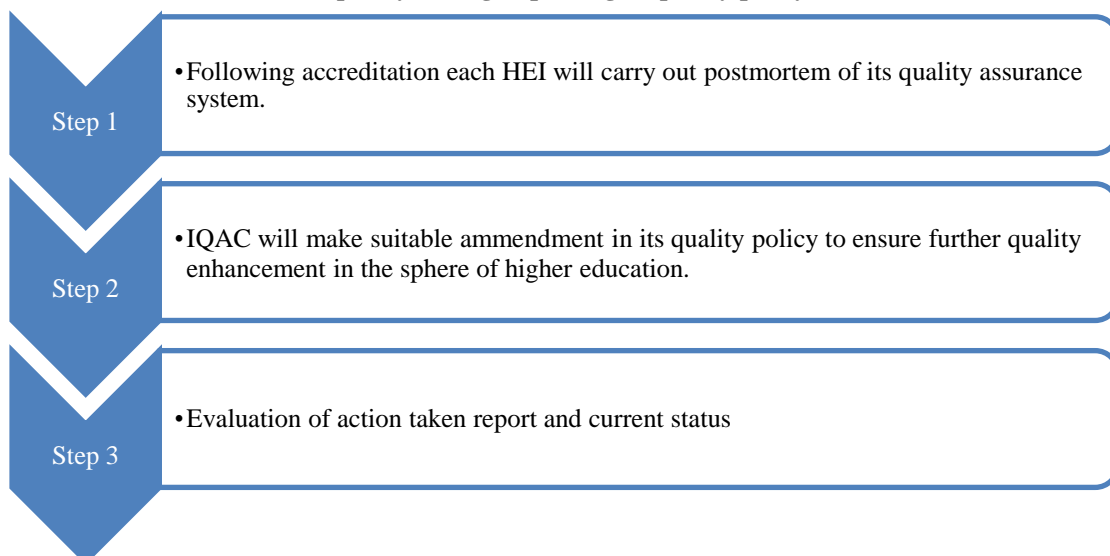

The Third - Implementation of quality system through IQAC

The Fourth - Quality Assessment through national and international accreditation

The Fifth - Enhancement of quality through updating of quality policy

The sky is the limit for quality

Each HEI, including Pt. Ravishankar Shukla University, should continue in its efforts to augment performance and quality in higher education in the best possible way. It should create newer and newer benchmarks for others to emulate.

Roadmap for Innovations – Teaching, Research & Skills

2013

- Creation and constitution of focused innovation clusters, for example State Innovation Council (SInC), University Innovation Council (UInC) and District Innovation Council (DInC)

- Mapping innovations and opportunities for innovations
- Making provisions of incentives for talents
- Development of mechanisms to nurture grass root innovations

2015

- Dissemination of success stories through print and electronic media
- Promotion of learning beyond the walls through social media, like face book and LinkedIn
- Identification of best teachers and sharing of their lectures through 24 X 7 e-learning mechanisms
- Establishment of public outreach center (POC) at HEIs to disseminate knowledge, technologies and other skills among small enterprises, groups, and the society as a whole

2017

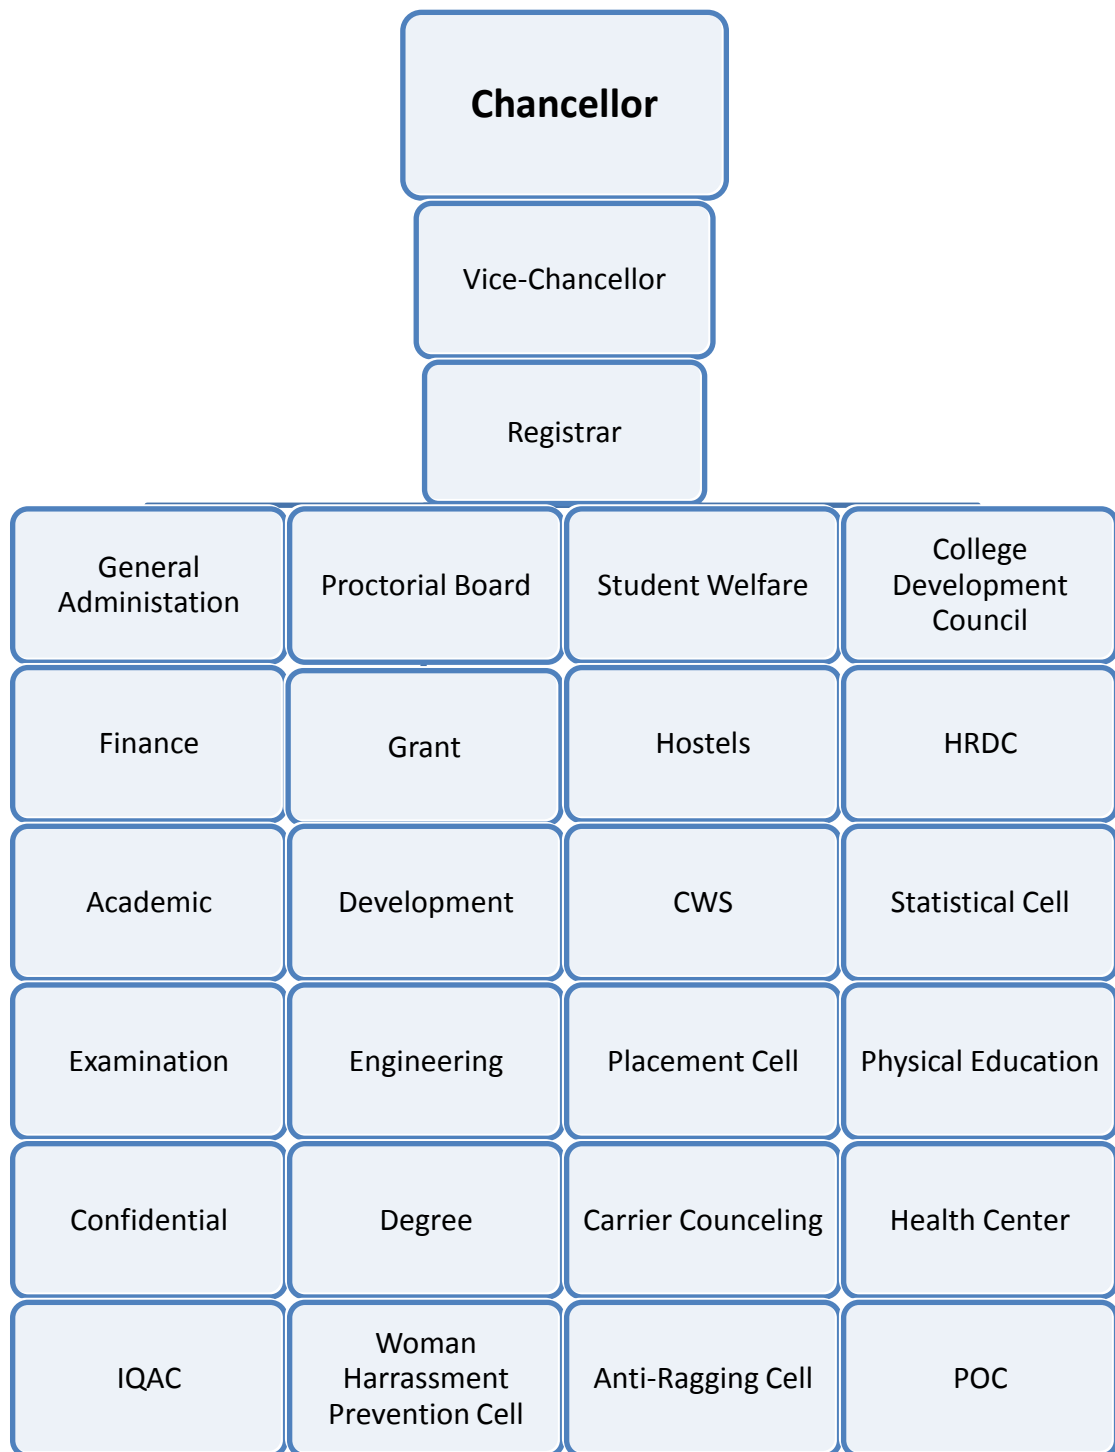

- Establishment of Academia-Industry linkage cell in HEIs
- Establishment of linkages with existing Open Universities for offering innovative academic programs
- Evolving mechanisms to promote capacity building and generation of empowered manpower

2020

- Creation of at least one Innovation University at the state level and innovation colleges at least one in each district to foster the four foremost goals, namely (1) Search, (2) Spread, (3) Sense, and (4) Celebrate innovations with especial reference to nature-inspired innovations

6.2.2 Describe the university's internal organizational structure and decision making processes and their effectiveness.

- The university has hierarchy in administration which ensures smooth functioning for policy and its implementation at the same time feedback/ redressal mechanism.
- Frequency of meeting of different committees is maintained as stipulated in the Act.

6.2.3 Does the university have a formal policy to ensure quality? How is it designed, driven, deployed and reviewed?

- The IQAC formulates policies to ensure quality. The meetings of IQAC are held at regular intervals.
- The implementation of the recommendation is ensured by the administration in order to

facilitate the internalization and institutionalize the quality benchmarks.

- The University has a vision committee which recommends formulation of benchmark for the overall quality improvement of the University.

Criterion VII: Innovations and Best Practices

**Pt. Ravishankar Shukla University, Raipur
Chhattisgarh**

CRITERION VII: INNOVATIONS AND BEST PRACTICES

Change is the only reality of permanence. The requirements of the society are in a constant flux. Constant changes are reflected in the expectations and demands of the stakeholders. Innovation is the catalyst of overall growth by enabling positive changes in efficiency, productivity, quality and satisfaction of stakeholders. There is a consistent effort to implement innovative pedagogy and adopt best practices in various academic endeavors.

7.1 Environment Consciousness

7.1.1 Does the Institute conduct a Green Audit of its Campus and facilities?

The university has instituted a comprehensive Green Audit procedure with reference to use of water, energy, and green cover. The University follows all the regulatory requirements in terms of environmental compliance and conducts internal audit periodically to ensure that we are fully compliant and are able to make provisions beyond the normal requirements. The University campus has developed a plastic free culture in the sense that students and faculty use only recyclable plastic. We have been persistent in our efforts to green the campus and our NSS team fosters the culture of eco friendliness. We plant trees in and around the University campus with the help of NSS and volunteers of the School of Studies. All these cells make their contribution in greening the campus. We are also sensitizing the entire stakeholder about the *Clean India Drive*.

7.1.2 What are the initiatives taken by the university to make the campus eco-friendly?

Energy Conservation:

The following measures are taken by the University for the conservation of energy.

- The University buildings are planned/ designed in order to achieve best ventilation, glare free light and well lighted interiors by choosing proper orientation.
- The materials used for the construction in new buildings, especially for the external walls, i.e., cladding with red sand stone, automatically provides sound and thermal insulation to specific areas.
- New buildings are planned with water heating system through solar panels as backup.
- Use of shading devices in a judicious manner, like Terrace, Sunshades, Louvers, Overhangs further help in energy conservation of the buildings.
- Plantation of large number of trees along with walk ways and other green areas help in reducing the ambient temperature of the Campus.
- Copper chokes in tube lights are replaced with electronic chokes.
- Energy saving fans is used in new class rooms and hostels.
- Capacitor banks are used in power houses to improve the power factor.
- The star rating BEE power certified air conditioners in the University are preferred.
- Awareness through poster and notices has been created among staff and students to save energy.
- The University has initiated efforts for further energy conservation through replacement of traditional lights with LED in interior and streets.

The University has a lot of electrical equipments which require uninterrupted supply of power. To reduce our consumption of electricity, we have done away with bulbs and heaters in the campus and have resorted to LED lights. As we are aware that the increasing demand for energy-saving and environment-friendly lighting technology is driving the growth of the global solid state and other energy efficient lighting systems market we have planned to switch over to more rugged & durable LED based Solid State Lighting in phased manner. We have the culture of using energy in a thrifty manner that all the unnecessary connections are off after the class hours and during holidays. The UTDS

have developed the practice of energy monitors in each class to ensure that all light and fans are switched off after the class. Besides, the University plans to harvest **solar energy** for the functioning of the University.

The energy audit has been started in the campus through State Govt. agency, Chhattisgarh Renewable Energy Development Agency (CREDA) as per the norms of Bureau of Energy Efficiency (BEE), to provide recommendations to reduce the loss of energy and optimize the usage of energy in its administrative buildings, all teaching departments, Boys & Girls Hostels, Guest House and other amenities. The CREDA is continuously suggesting us ways and means for optimal usage and energy conservation.

Use of Renewable Energy

Taking a step towards becoming environment-friendly, University plans to install systems of harnessing solar energy for the various facilities it possesses. The University is implementing use of battery-less solar power mainly for the administrative building and the departments. This will be helpful for accomplishing tasks which require minimum energy like the lighting system and fans.

The University is in process to develop proper waste processing system which will generate manure for the plants and garden on the campus. University has submitted proposal to UGC for installation of solar photovoltaic system on the rooftop and on its grounds under Government of India initiative.

In line with the initiatives of the Government on the use of renewable energy sources to augment the conventional sources, the university has initiated various measures from time to time. The University is initiating installation of Solar Water heaters in all hostels and in the University Guest House.

Water harvesting

As per the recommendation of Geology and WRM the University has adopted surface water harvesting system in the form of open pond. The surface runoff from the entire campus of the University is channelized and collected in the pond located in the South-East corner of the University campus. The area of the constructed pond is five acres. This system serves purpose of collection and ground water recharging. There is provision of roof water harvesting in the newly constructed buildings in the campus.

Check dam construction

Instead of check dam, university has made a provision for safe disposal of over flow water of the pond, for the safety of the open pond.

Efforts for Carbon Neutrality

Ours is a zero carbon emission campus as we do not use refrigerators, air conditioners and other carbon emitting equipments beyond the permitted scale and point. The university gardens and plantation of trees has helped in reducing carbon contents in the University Campus. The dead leaves and the waste papers are not allowed to be put on fire. The leaves are buried in the soil itself and the papers are disposed off. Some other measures for achieving Carbon Neutrality are:

- Greening of University campus has been initiated to reduce carbon footprint.
- Printing is done on both sides of the paper.
- Old print-outs are used as note paper.
- All documents are edited thoroughly before printing.
- Department notices and information are sent via email/SMS.
- Use of plastic utensils is strongly discouraged.
- The University has decided to celebrate “Car Free Day” once in a month.

Plantation

The University has been organizing Tree Plantation drive for the last many years on the occasion of

Independence Day, Republic Day and other occasions through National Service Scheme (NSS) volunteers of the University. Trees, namely Neem, Palm, Eucalyptus, Acacia sp., Casuarina, Coconut, Bel, etc. are planted in different areas. Every year, many departments celebrate the Environment Day by creating awareness among students and teachers on the campus.

Hazardous waste management

Soak pits are built separately for discharging waste water from science labs.

e-Waste management

The University has recently started to feel the issue of e-waste, and currently we manage the issue by arranging the distributors themselves to take back our irreparable electronic commodities to be recycled or processed professionally.

Obsolete Computers, printers and other equipments used for Information Communication Tools (ICT) are proposed to be donated to charitable organizations if they are in working condition.

Any other (please specify)

Awareness is created among students and staff in dissuading the use of polythene material and the students is sensitized on the rational use of power and other measures to reduce global warming and to improve carbon credit.

7.2 Innovations

7.2.1 Give details of innovations introduced during the last four years which have created a positive impact on the functioning of the University.

- There has been significant improvement in the existing infrastructure by creating different institutional building. Internal Quality Assurance Cell (IQAC) of the University is functional and carrying out academic and administrative audits.
- The University adopts strategic planning in every aspect of its developments including teaching, research and administration, to suit the latest managerial concepts.
- Team work and decisions through various representative committees are part of the University's management culture.
- The University is one of the pioneers in computerizing the examination system, finance section and general administration.
- The University library is fully automated.
- The University has started Semester System with Cumulative Grade Point Average (CGPA).
- The University has Introduced Choice-Based Credit System (CBCS) in the UTD.
- The University established a central facility in the form of National Centre for Natural Resources (NCNR) funded by the DST through its IRHPA scheme. The centre provides facility of high end sophisticated instruments and promotes inter-disciplinary research.
- The University has established a unique Center for Basic Sciences to attract young talent of the region in basic sciences.
- Innovative and new courses, like B.Voc., M.Sc. in Environmental Sciences, M.A. in Chhattisgarhi and Master in Social Work (MSW) started by the University. All the departments actively participated in commemorating the Golden Jubilee Year (1964-2014) by organizing National and International Seminars. A total thirty four seminars were organized. The highlight of the year of Golden Jubilee Celebration was marked by the visit of His Holiness Dalai Lama – Nobel Laureate, His Excellency the President of India, Dr. Pranab Mukharjee, Former President, Dr. APJ Abdul Kalam and the Nobel laureate, Dr. Robert Huber among others.

- Expansion and modernization of existing infrastructure for PG & Research Work (viz., Laboratories, Library, Networking, Smart Classrooms) and creation of a centralized computing and instrumentation facility with sophisticated equipments relevant to growth of different specializations and centralized digital library facility.
- Some of the Science Departments of the University have long term collaboration for research and student exchange.
- University has initiated efforts through IQAC for the assessment and audit of its departments and affiliated colleges.
- Provision of Internet connectivity with 1 Gbps bandwidth and access to the Internet in all academic areas and hostels.
- Additional hostel facility has been provided on the campus with the financial support of **Power Grid Corporation**.
- Green-Clean and eco-friendly campus for academic ambience.
- Multi-utility centre with Indian Coffee House and banking is created for the stakeholders.
- Admission, Examination & Recruitment processes have been computerized.
- The complete office administration automation is in process.
- Career Guidance Cell, Equal Opportunity Cell, SC/ST and Minority Cell, Placement Cell, formulated.
- Pt. Sunderlal Sharma Central library of the University has been fully automated and updated
- Research Scholars are provided with National and International travel grant.
- EDUSAT facility is functional.
- Vice-Chancellor personally interacts with students twice in a month (*Chhatra Darshan*) for to redress their grievances “**On the Spot**.”
- Review meetings (*Samiksha Baithak*) of UTD’s and other administrative units of the university are held periodically. The finance and confidential section review meetings are held every week.
- University level Youth festival is organized every year and inter-collegiate cultural competitions are held in which the college and UTDs students participate with zeal in cultural activities. In the past several decades there was no big student unrest in any of the affiliated colleges. The University has the distinction of winning laurels many times at the inter-university and inter-zone cultural competitions.
- There has been a significant increase in the number of Research Scholar.

Some of the recent initiatives/innovations introduced during the last four years which have created a positive impact on the functioning of the university are given below:

Community Empowerment

The following are the activities conducted by the PRSU to bring in community orientation:

- Awareness against ragging
- AIDS awareness program
- Blood donation camp
- Health camps with the help of NSS
- Plantation programs
- Public awareness against superstitious activities
- Women empowerment
- Awareness against drug and alcohol abuse

- Legal rights of weaker sections of the society
- Promotion of adventure tour through organizing mountaineering camps.

The other activities organized for Community Empowerment are:

- Conducting memorial lectures through POC by inviting luminaries from various section of the society on contemporary issues.
- Organizing Induction Training Program under the aegis HRDC and IQAC for newly recruited teaching and secretarial (non-teaching) staff to make them aware about the functions of the University and use of campus portal for efficient operations.
- Establishing community radio station in the University campus.
- Introducing Library Automation: The Library is fully automated and uses SOUL software as the Integrated Library Management Software, connected to the Campus Wide Network providing Internet and e-mail facility to the University community. E-Resources, Web Based On-line Public Access Catalogue facility (WEBOPAC), INFLIBNET, RFID technology to track books and 24 x 7 x 365 reading room provide right ambience for the students and faculty.

7.3 Best Practices

Best Practice-I

Title of the Practice

Research Scholar Funding for Attending International Conference Abroad and in India

Objectives of the Practice

- To facilitate participation of research scholars in international conference
- To instil confidence within the research scholars to present their research findings independently before international audience
- To create a sense of pride within them as they represent their country abroad

The Context

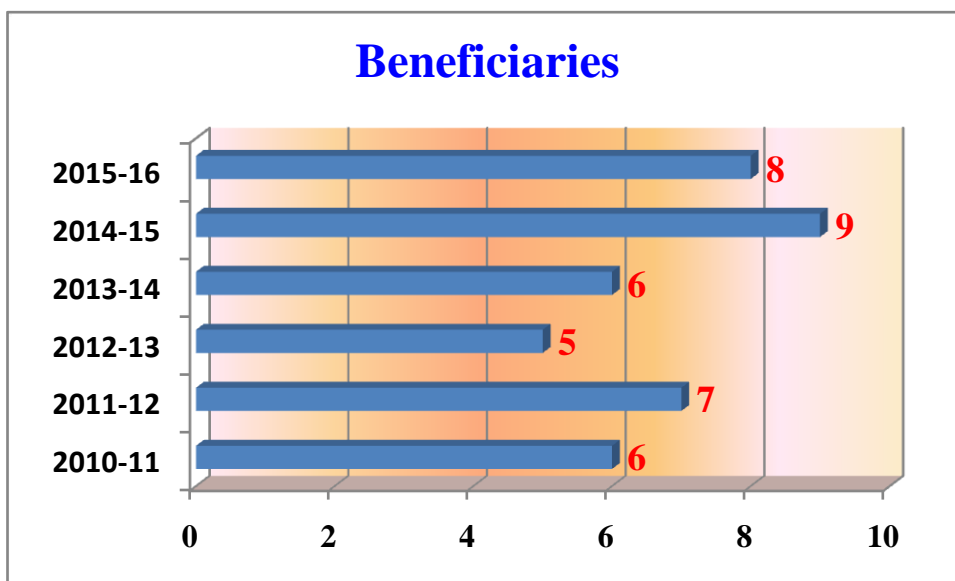

- Normally it has been observed that research papers of research scholars are accepted for presentation in various international symposia and conferences. The candidates send their grant applications to different national and state levels funding agencies for financial support. Sometimes they succeed in getting 50% support only. Eventually they fail to attend the conference due to lack of complete support.
- Therefore, it was thought worthwhile to introduce the practice of research scholar funding for attending international conferences abroad and in India.

The Practice

- The practice of research scholar funding is well publicized in the beginning of each academic session.
- The candidates facing difficulties in getting full support to attend international meeting send their applications to the administrative section of the university.
- The applications are scrutinized by the Grants Cell and are placed before a recommending committee constituted by the Vice-Chancellor.
- The applicants were awarded with the funds after considering the merits on case to case basis.
- Finally the administrative and financial sanctions are granted and funds are released to the candidate as an advance.

Evidence of Success

- The practice of awarding funds to research scholars was initiated in the financial year, 2010-11.
- Since then 41 research scholars have been awarded with the funds and participated in international conferences held abroad or in India.
- A sum of INR 5.0 Lac is allocated for the practice in the University budget every financial year.
- **The number of beneficiaries, year wise, has been shown in the picture below.**

Problems Encountered and Resources Required

- Problems Encountered: None, as everyone welcomed the practice. It was unanimously resolved by the Executive Council of the University to initiate the practice with immediate effect.
- Resources Required: Funds and administrative and secretarial support for processing of applications. The Grant Cell of the University handles the latter effectively.

Notes

- This best practice can be emulated by other universities of the country.

Best Practice II

Title of the Practice

Best Teacher, Best Department and Best College

Objectives of the Practice

- To identify best performance among PRSU's teachers, UTDs and affiliated colleges
- To appreciate and celebrate their contribution in public functions of the university, such as Foundation Day and Teachers Day
- To create a sense of pride within them

The Context

- In a University set up, the performance of an individual teacher, a department and an affiliated college assumed to be normally distributed; some of them occupying either tails of the bell curve. Those in the center of the curve contribute appreciably to the overall growth of a higher education institution. Normally it has been observed that the university fails to appreciate and acknowledge contributions of those people who matter much to the university.
- Therefore, it was thought worthwhile to introduce the practice of identifying those in the middle of the bell curve and glorify their achievements publicly by awarding them with a certificate of appreciation. Giving monetary reward is immaterial for them. What matters much is that the apex body of the university cares to acknowledge their contributions in any ceremonial public function.

The Practice

- The identification of the best performance of the above stake holders is carried out by the IQAC.
- The IQAC developed very robust matrices to do this after lots of meetings and discussions between the IQAC and the Head of the Institution.
- The IQAC announces dates for submission of applications for the best performance awards.
- The best teacher, the best department and the best affiliated college are awarded with running trophies and/or certificate of appreciation ceremonially in important events of the University.

Evidence of Success

- The practice of awarding trophy and certificate of appreciation to the best department and the best affiliated college was first initiated in 2014 based on their performance in the session 2013-14. These awards were distributed on the auspicious occasion of the Foundation Day of the university [1 May].
- The practice was appreciated by everyone.
- The practice continued.
- In 2015, the practice of awarding the best teacher in each level separately in two different streams, namely science and social science was introduced for the first time. These awards were distributed on the auspicious occasion of the Teachers' Day [5 September].
- The IQAC is planning to identify and honour the best performing research scholar of the year. The matrix for this purpose is under development.
- Evidence of appreciation of this practice can be seen in the in the social media.

Problems Encountered and Resources Required

- Problems Encountered: None, as everyone welcomed the practice.
- Resources Required: Administrative and secretarial support for processing of applications. The IQAC handles it effectively.

Notes

- This best practice can be emulated by other universities of the country.

**Sub:- Extension of approval of affiliation of
The School of P. G. Studies in Law, Pt. Ravi Shankar Shukla University, Raipur. C.G.)**

Sir,
The inspection report of the above institute was placed before the Legal Education Committee at its meeting held on 7th February 2009 and Committee made the following recommendations :-

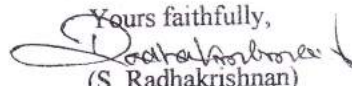

"Legal Education Committee considered the inspection report of Department of Law of Pt. Ravi Shankar Shukla University, Raipur submitted by the inspection team of the Bar Council of India. After consideration Committee is of the view that the aforesaid Deptt. be granted extension of approval of affiliation for imparting five year law course for a period of four years i.e. from the academic session 2006-2007 to 2009-2010 with intake of one section of 80 student subject to the following conditions:

1. University should construct new room for library and room for moot court within one year.
2. University should purchase books for non law subjects.
3. To purchase books worth Rs. 1,00,000/- as per rules of the Bar Council of India every year.
4. University should appoint two more permanent faculty.

Further, Committee makes it clear that as per the new rules of the Bar Council of India relating to Legal Education, maximum intake in one section should be 60 students from the academic year 2009-2010 and therefore college authorities are directed to admit only 60 students in one section from the coming session i.e. 2009-2010."

The above recommendations were considered by the Bar Council of India at its meeting held on 8th February 2009 and accepted the same.

College authorities are also required to apply to the Bar Council of India for further extension of approval of affiliation six months in advance before expiry of the period of approval of affiliation granted by the Bar Council of India.

Yours faithfully,

(S. Radhakrishnan)

Inspection Report of Deptt. of Law
Pt. Ravi Shankar Shukla University, Raipur (C.G.)

Date of Inspection : 6th July 2008

Inspection Team :

1. R.B. Raghuwansh
Member Bar Council of India.
2. Faisal Rizvi,
Member, B.C.I.

The Department of Law of Pt. Ravishankar Shukla University Raipur was established in Year 1982. The said department had applied for starting five year B.A., LLB Course and was inspected by the inspection team of Bar Council of India on 10.02.2003. The Bar Council of India on the recommendation of legal education committee granted temporary approval of affiliation to impart five year law course for academic year 2003-2004 to 2005-2006. The department of law had applied for extension of approval of affiliation for five year law course and had deposited the inspection fee.

The above college department was inspected by the inspection team of Bar Council of India on 22.07.2006. At the time of inspection no teaching staff was available in the college except Shri Patel, Prof. and Head of the Faculty. The report of inspection team was placed before the Legal education committee at its meeting held on 4th May 2007 and after consideration committee issued show cause notice to the Principal as well as to the Registrar of the University asking them to reply.

The reply received from the registrar was placed before the Legal Education Committee on 13th and 14th October 2007 and Committee directed for fresh inspection by the Bar Council of India.

The Inspection was fixed on 6 July 2008 by Bar Council of India for extension of approval of affiliation for five year law course from the academic year 2006-2007.

Contd..2..

The law department was inspected by the inspection team in the presence of Shri C.L. Patel Professor and Head of the Department, Shri A.K. Sahu Lecturer, and other faculty member of the department at the time of inspection. Vice-Chancellor of Pt. Ravishankar Shukla University Shri Chakraborty was also present.

The law department of Pt. Ravi Shankar Shukla University is in the separate building in the university campus. It was started in 1982 and five year law course was started from the academic year 2003-2004. In the building LLM course classes are also going on.

Pt. Ravishankar Shukla University in an old university colleges of Ten district of Chhattisgarh state are affiliated with this university. This department of law of this university in imparting legal education for post graduates, doctorate and diploma in Human Rights, Labour law and criminology.

There are near about 2500 lawyer are practicing in district and other courts of Raipur. There are four law college including this in Raipur District and one National Law University. The population of Raipur is near about 14 lacs and 2.2 Crore of Chhattisgarh state.

Building:

The building of law department is separate there are eight class room. One computer lab with 10 computer one girls common room, one boy common room, library room which just 10' x 20', separate toilets for boys, Girls and staff and the time of inspection Vice-Chancellor has told the inspection team that 25 lac rupees has been section for construction of library and moot court on the first floor of the present building and he has promised to construct the same within one year.

Teaching Faculty:

Dr. C.L. Patel is the head of the the department and two other permanent faculty.

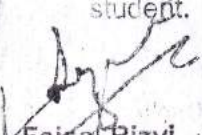

- (1) Dr. Alim Khan LLM, Ph.D. with 26 year experience.
- (2) Shri A.V. Sahu LLM with 4 year experience.

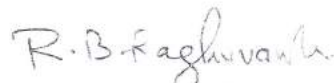

Library :-

The size of library room is very small. Library is a good library for law student consist of good law journals like; A.I.R., All England Law Reports, Cambridge Law Journal, Local Journals, S.C.C. and other Journals. But there is no book for non law subjects. The Librarian has told that books worth rupees twenty four thousand had been purchased last year by the law department.

On the above facts we are of the view that the legal education committee if thinks they can give the approval of the affiliation for five year law decree course for three academic Year 2006-2007, 2007-2008 and 2008-2009 with one section in take of eighty students with following condition.

- (1) The University should construct new room for library and room for moot court with in one year.
- (2) The university should purchase book for non law subjects.
- (3) Should purchase books worth fifty thousand every year.
- (4) The university should appoint 2 more permanent faculty subject to the above condition we recommend approval of affiliation to department of Law of Pt. Ravi Shankar Shukla University for five year law course for there academic year 2006-2007, 2007-2008 and 2008-2009 with one section in take of eighty student.

Sub: UGC assistance for M.Tech in Optoelectronics & Laser Technology at School of Studies in Electronics & Physics, Pt. Ravi Shankar Shukla University, Raipur under the Innovative Programme- Teaching & Research in Interdisciplinary & Emerging areas - Approval for.

Sir,

This has reference to the proposal submitted by School of Studies in Electronics & Physics, Pt. Ravi Shankar Shukla University, Raipur for seeking support for M.Tech in Optoelectronics & Laser Technology under the Innovative programme - Teaching & Research in Interdisciplinary & Emerging Areas.

2. The above mentioned proposal was presented by Departmental representative(s) before the Expert Committee in January, 2007. After discussion with Departmental representative(s) and very careful examination of the proposal, the Committee has selected and recommended the aforesaid proposal for UGC support under the Programme. The UGC has accepted the recommendations of the expert committee to support the proposal for starting M.Tech in Optoelectronics & Laser Technology at the School of Studies in Electronics & Physics, Pt. Ravi Shankar Shukla University, Raipur under the above programme. Accordingly, I am to convey the approval of the UGC to provide the following financial assistance to the Pt. Ravi Shankar Shukla University, Raipur for the above mentioned course for a period of five (5) years i.e. 1.4.2007 to 31.3.2012 with a student intake of 22 (Twenty two).

37.25+ One Reader & One Lecturer

The details of the item-wise grants approved are given in the ANNEXURE-I

The programme will be effective from 1st April, 2007

3. ADDITIONAL GRANTS

The UGC may also consider the following additional grants subject to the availability of funds under the programme. No grant can be utilized without prior approval of the UGC for the following items:-

Maintenance grant for the equipment

The financial assistance is for a duration of the plan period or as approved by the omission. The Commission may provide maintenance grant on rate contract basis upto 5% of the equipment cost for the remaining period of the programme after the guarantee/warranty period is over. The proof of the warranty/guarantee is to be supplied in such case. After the completion of the terms, the University/Institute/College will have to assume responsibility for maintenance of the equipment purchased under this programme.

Over Head Charges

The UGC may provide additional grant to the tune of 10% (ten per cent) of the total allocation (Non-recurring and Recurring) {except staff salary} approved to a Department under the programme subject to a maximum of Rs.2.00 lakhs {Rupees two lakhs only} or the actual expenditure whichever is less towards Water, Electricity and Telephone, Fax, E-mail (only equipment cost of these items), recurring cost of these items will have to be met by the university/Institute/College, for the entire period of the programme or less as the case may be.

4. The general terms and conditions as applicable from time to time for UGC assistance are also applicable to this programme.
5. The further conditions and directives to implement the programme are given in the guidelines also.
6. The Coordinator should have the freedom to place orders and act as per directions of the purchase committee constituted by the institution for the purpose as per guidelines.
7. The UGC expect that for better Coordination and accountability for successfully implementation of the programme, the Coordinator may continue the full term of the programme or till his/her superannuation whichever is earlier.
8. The nodal Department should act as a Resource Centre and disseminate the Programmes developed by it to nearby universities/colleges/institutes particularly to the institutions located at nearby remote places.

9. The university/institute/college and the Department concerned will take expeditious action to implement the programme immediately. The university/institution will also extend operational flexibility to the programme.
10. The University/College/State Government will take over the recurring liability of the staff sanctioned, if any, under the programme and other recurring liabilities after the UGC assistance to the programme ceases on completion of the approved duration.
11. Since the posts approved, if any, under this programme are not plan posts, the financial liabilities of the UGC will be from their date of appointment under the programme upto the date of completion of the programme duration from the effective date as notified and accepted by the UGC.
12. Posts approved, if any, under the programme and are lying vacant upto the date of completion of the programme duration, the approval of the UGC for those vacant posts may be treated as lapsed.
13. The grant for the staff approved, if any, and appointed under the programme will be released after the receipt of the concurrence of the State Government/assurance of the university/Institutions with source of payment of staff salary and details of the recommendations of the Selection Committee, bio-data, copy of the advertisement of the post, copy of joining report of the candidate selected, basic pay and other allowances approved for them.
14. **The UGC will not pay for the adhoc/temporary appointments made, if any, against the regular posts approved under the programme.**
15. The University/institute will open a separate account for the programme and all interests earned by the university/institute by investment of funds sanctioned and paid by the UGC will be credited to the programme. The interest earned may be shown in the annual statement of expenditure and the amount cannot be utilized without prior approval of the UGC.
16. The grants allocated for approved recurring items may be utilized in the same year for which the grants was released.
17. **The expenditure on approved recurring items should be restricted to the ceiling approved per annum for each item. No additional grant will be paid for excess expenditure.**
18. If it is absolutely necessary, re-appropriation of funds within 'Recurring' heads may be considered by the UGC on receipt of a specific proposal with adequate justifications for the proposed re-appropriation. No re-appropriation should be made without prior approval of the UGC.

19. Expenditure incurred or any amount deducted from sanctioned amount by the university/institute for any other purposes other than the items approved for implementing the programme will not be acceptable to the Commission.
20. The Organization shall further implement the official language of the policy of the Union Government, i.e. comply with the "official language act, 1963" and "official language (use for the official purpose of the union Rules), 1976" etc.
21. The University/Institute shall take all possible measures to ensure effective implementation of policies of Govt. of India relating to SC/ST candidates and teachers in regard to the UGC programme. In the case of non-teaching staff, the policies of the Central Government in respect of Central Universities and of the State Government in respect of State Universities shall be implemented.
22. The second and subsequent instalment of grant will be considered only on receipt of the following information in the prescribed form in respect of the previous instalment of grants:
 - a. Year-wise (as per the effective date intimated and noted by the UGC) statement of actual expenditure incurred on each item approved for implementing the programme in the prescribed form, duly signed by the Registrar/Principal and Coordinator.
 - b. Utilization certificate in the prescribed form, duly signed by the Registrar/Principal and coordinator.
 - c. Annual progress report from the effective date of the programme in the prescribed form.
 - d. The year wise detail of item in support of the expenditure incurred under the programme may be sent as per Annexure II
23. The statement of accounts, duly audited by the statutory auditors of the university/college/institute may be submitted to the UGC as early as the accounts are audited.
24. The approval of the above course is subject to the condition that the above course should not be self-financing and fees will be charged as per University / State Government rules.
25. In case where University/Institute/College is unable to obey and reasonably complied with the guidelines and the programme is not implemented within six months from the date of approval/first sanction/effective date as noted by the UGC, serious action may be taken and the grants will be withheld or the programme may be withdrawn with the refund of sanctioned amount with interest.

26. The University/College/Institute may send an acceptance of terms and conditions of grants as laid in this approval letter from the Registrar/Principal of the University/College along with following information/documents . The first installment of grant will be sanctioned on receipt of the following :-

- i. A copy of the approval of the University bodies (Executive Council/ Academic Council /Board of Studies) to start the course as approved by the UGC in the University/College/Institute.
- ii An assurance from the University/College/Institute that the approved course will continue after the UGC assistance ceases to the programme.
- iii The name of the nodal Department and Coordinator of the programme may be intimated to the UGC.
- iv The course curricula has to be revised as per interactions during the presentation to the committee and the revised curricula may please be sent to the UGC.
- v The name of the competent officer who will receive the grant on behalf of the university/college/institute for the programme with full address.
- vi A separate account for the grant under the programme is essential to be maintained. The name of the Bank and account number (for the programme) with detailed address may be submitted/intimated to the UGC.
- vii The name of the Statutory Auditors of the university/College/institute with their full address.

Yours faithfully,

विश्वविद्यालय का कुल-चिह्न

पं. रविशंकर शुक्ल विश्वविद्यालय के कुल-चिह्न के मध्य भाग में रायपुर जिले में स्थित राजिम के विख्यात राजीवलोचन मंदिर का संपूर्ण शिखर है, जो छत्तीसगढ़ (प्राचीन दक्षिण कोसल) की वैभवपूर्ण सांस्कृतिक धरोहर को द्योतित करता है।

उगता हुआ सूर्य वेदांती विचारधारा की प्रजापति-विद्या तथा संवत्सर-विद्या के उत्कृष्ट ज्ञान का प्रतीक है।

शिखर के दोनों ओर तरंगित रेखाओं का अंकन छत्तीसगढ़ की गंगा-महानदी (प्राचीन चित्रोत्पला) का प्रतीकात्मक चित्रण है।

शिखर के निम्नार्ध भाग में बाईं ओर और दाईं ओर अर्धवृत्ताकार रूप में फैली हुईं गेहूँ और धान की बालियाँ कृषि को छत्तीसगढ़वासियों के आर्थिक जीवन का आधार सिद्ध करती हैं तथा उनसे इस क्षेत्र की सभ्यता का ग्राम्य प्रकृति का होना प्रकट होता है।

ये सभी प्रतीक एक बड़े वृत्त से घिरे हुए हैं, जो भूमंडल का चिह्न है। इस वृत्त में विश्वविद्यालय का नाम नागरी और रोमन वर्णों में लिखा हुआ है, जो बाईं से दाईं ओर बढ़ता हुआ केंद्रीय वृत्त को चारों ओर से घेरे हुए है।

बड़ा वृत्त पंखाकृति के कोनों वाले एक अर्धवृत्ताकार पादपीठ पर आधारित है। इस पादपीठ की अभिरचना हंस की प्रतीकात्मक अभिव्यक्ति है, जो भारतीय चिंतन में उत्कृष्ट ज्ञान के लिए प्रयुक्त होता है। इस पर विश्वविद्यालय की आदर्शोक्ति नागरी वर्णों में अभिलिखित है, जिसका चयन ऋग्वेद के अग्निसूक्त से किया गया है।

यह उक्ति है "अग्ने नय सुपथा राये," जिसका अनुवाद इस प्रकार है—
"हे अग्नि ! हमें अच्छे मार्ग से समृद्धि की ओर ले चलो।"

पं. रविशंकर शुक्ल विश्वविद्यालय, रायपुर (छ.ग.) में विदेशी मूल के छात्रों को भी प्रवेश उपलब्ध है।

पं. रविशंकर शुक्ल विश्वविद्यालय भारत के छत्तीसगढ़ राज्य में उच्च शिक्षा एवं अध्ययन का एक प्रमुख केन्द्र है। यह न केवल छत्तीसगढ़ राज्य के युवाओं के शिक्षा की आकांक्षाओं की पूर्ति करना है वरन् अन्य पड़ोसी राज्यों जैसे म.प्र., महाराष्ट्र, उड़ीसा, झारखंड, आंध्रप्रदेश, पं. बंगाल तथा अंडमान एवं निकोबार द्वीपसमूह के छात्रों को उच्चशिक्षा एवं शोध हेतु उत्कृष्ट सुविधाएँ उपलब्ध कराता है।

1 नवम्बर 2000 को म.प्र. राज्य से पृथक होकर छत्तीसगढ़ राज्य का उदय नवीन राज्य के रूप में हुआ। राज्य के सबसे पुराने पं. रविशंकर शुक्ल विश्वविद्यालय समाज की आवश्यकताओं की आपूर्ति के उत्तरदायित्व के वहन करने में भी कोई कसर नहीं छोड़ी है।

विश्वविद्यालय अपने स्वर्ण जयंती वर्ष में प्रवेश कर चुका है एवं विगत 50 वर्षों में विश्वविद्यालय ने चहुंमुखी विकास किया है, चाहे वह छात्रों की संख्या हो (लगभग 3 लाख) अध्ययन क्षेत्र हो यथा – मानविकी प्राकृतिक विज्ञान, कानून, शिक्षा, फार्मसी, प्रबंधन, शारीरिक शिक्षा, लाइब्रेरी साइंस एवं कम्प्यूटर विज्ञान, इत्यादि के साथ नए विभाग सेंटर फॉर बेसिक साइंस को मिलाकर 28 अध्ययनशालाएँ एवं 239 संबद्ध कालेज हैं, जो छत्तीसगढ़ के दस जिलों में फैले हैं।

यदि विदेशी मूल के छात्र विश्वविद्यालय में प्रवेश लेते हैं तो उन्हें हॉस्टल की सुविधा विश्वविद्यालय के नियमानुसार फीस देने पर उपलब्ध होगी।

2. प्रवेश के नियम

पं. रविशंकर शुक्ल विश्वविद्यालय—अध्ययनशालाओं के विभिन्न पाठ्यक्रमों में प्रवेश हेतु नियम

प्रवेश संबंधित अध्ययनशाला—अध्यक्ष के द्वारा छात्रों के गुणानुक्रम के आधार पर निम्नलिखित दिशानिर्देश के अनुसार दिया जाएगा —

(अ) पात्रता

एम.ए. कक्षाओं के लिए किसी स्नातक उपाधि में तथा एमएस.सी. कक्षाओं के लिए बी.एससी. उपाधि में कम से कम द्वितीय श्रेणी (10+2+3 योजनान्तर्गत) होनी चाहिए। पहले से स्नातकोत्तर उपाधि प्राप्त छात्रों को स्थान रिक्त रहने पर ही प्रवेश देना संभव होगा। स्नातक स्तर के प्रथम वर्ष में 22 वर्ष (बी.पीएड. में आयु 25 वर्ष) एवं स्नातकोत्तर स्तर के प्रथम वर्ष में 27 वर्ष से अधिक आयु के आवेदकों को प्रवेश की पात्रता नहीं होगी। आयु की गणना एक जुलाई की स्थिति में की जाएगी। परन्तु आयु सीमा के बन्धन में छात्राओं को 3 वर्ष की छूट रहेगी। अनुसूचित जाति/अनुसूचित जनजाति/पिछड़े वर्ग/विकलांग विद्यार्थियों/महिला आवेदकों के लिए आयु सीमा में तीन वर्ष की छूट रहेगी। एम.फिल., एम.टेक (आप्टो इलेक्ट्रानिक्स एवं लेजर टेक्नालॉजी) तथा शोध उपाधि पाठ्यक्रमों के लिए आयु सीमा नहीं होगी।

किसी स्नातकोत्तर परीक्षा में अनुत्तीर्ण हुए छात्र को प्रवेश नहीं दिया जाएगा। जो छात्र विश्वविद्यालयीन परीक्षा में अनुचित साधनों का उपयोग करने के कारण दंडित किए गए हों, उन्हें प्रवेश नहीं दिया जाएगा। जिन छात्रों के विरुद्ध गंभीर आपराधिक या अनैतिकता—संबंधी प्रकरण अथवा परीक्षा—अधिनियम के अंतर्गत प्रकरण पुलिस विभाग या न्यायालय में लंबित हो, या जिन छात्रों ने परीक्षा में किसी प्रकार का व्यवधान उपस्थित किया हो, उन्हें तब तक प्रवेश नहीं दिया जाएगा, जब तक वे उस कक्षा को पास नहीं कर लेते।

पात्रता हेतु अपनी समस्त पूर्ववर्ती परीक्षाओं की अंकसूची की अभिप्रमाणित स्वच्छ फोटो—प्रतियाँ एवं उपाधि—प्रमाण—पत्र, अस्थायी (Provisional) प्रमाण—पत्र की भी फोटो प्रतियाँ मूल प्रमाण—पत्रों के साथ जमा करनी होगी जिसमें सेकेण्डरी तथा हायर सेकेण्डरी की अंकसूचियों की फोटोप्रति संलग्न करना आवश्यक है। उक्त आवश्यक कागजात प्राप्त होने पर ही पात्रता हेतु निर्धारित फीस जमा करना आवश्यक होगा। छत्तीसगढ़ के बाहर स्थित विश्वविद्यालय/बोर्ड से परीक्षा उत्तीर्ण करके इस विश्वविद्यालय में प्रवेश लेने के इच्छुक छात्रों/छात्राओं को विश्वविद्यालय से पात्रता प्रमाण—पत्र प्राप्त करके संबंधित अध्ययनशालाओं में प्रवेश के पूर्व जमा करना होगा।

विधि पाठ्यक्रमों में प्रवेश हेतु :

एकीकृत स्नातक विधि पाठ्यक्रम में प्रवेश हेतु अधिकतम आयु सीमा सामान्य वर्ग के आवेदकों के लिए 20 वर्ष एवं अनुसूचित जाति, अनुसूचित जनजाति एवं अन्य पिछड़ा वर्ग के आवेदकों हेतु 22 वर्ष होगी।

(आ) आरक्षण

12% स्थान अजा के छात्रों के लिए, 32% स्थान अजजा के छात्रों के लिए, तथा 14% स्थान अन्य पिछड़े वर्ग के छात्रों के लिए, 3% (शारीरिक शिक्षा अध्ययनशाला को छोड़कर) स्थान विकलांगों के लिए तथा 3% स्थान स्वतंत्रता संग्राम सैनिकों के आश्रितों के लिए आरक्षित रहेंगे। इन वर्गों के छात्र न मिलने पर रिक्त स्थान अन्य सुपात्र छात्रों को दे दिए जाएंगे। इन सभी वर्गों में उपलब्ध स्थानों में से 30% स्थान महिलाओं के लिए आरक्षित रहेगा। आरक्षित स्थानों हेतु आवेदन—पत्र देते समय समक्ष अधिकारी का प्रमाण—पत्र संलग्न करना अनिवार्य है। (नोट—आरक्षण छ.ग. शासन के नियमानुसार प्रभावी होगा)

कष्मीरी प्रवासियों के पाल्यों को प्रवेश में छूट (संदर्भ— मानव संसाधन विकास मंत्रालय द्वारा अनुमोदित) :

1. प्रवेश हेतु निर्धारित न्यूनतम प्राप्तांक में 10 प्रतिशत की छूट प्रदान किया जाना है।
2. प्रत्येक पाठ्यक्रम में इन छात्रों के प्रवेश के लिए आवश्यकतानुसार 5 प्रतिशत तक सीट में वृद्धि की जा सकती है।
3. मेरिट के आधार पर निर्धारित तकनीकी एवं व्यवसायिक पाठ्यक्रमों में एक सीट में आरक्षित रखा जावे।
4. निवास प्रमाण पत्र की अनिवार्यता को महत्व न दिया जावे।

(इ) चयन-आधार

छात्र-छात्राओं का चयन निम्नानुसार होगा -

- (i) इस विश्वविद्यालय के प्रथम श्रेणी वाले छात्र-छात्राएँ तत्पश्चात बस्तर वि.वि. की छात्र-छात्राएँ
- (ii) छत्तीसगढ़ के अन्य विश्वविद्यालय के प्रथम श्रेणी के छात्र-छात्राएँ

(14) प्लेसमेंट सेल

विकास के चलते अनेक उद्योग एवं संस्थाएँ जिनमें व्यापारिक, व्यावसायिक आदि संस्थाओं से लेकर गैर-व्यावसायिक संस्थाएँ भी शामिल है की संख्या में लगातार वृद्धि हो रही है। इन इकाईयों में जहाँ मानव संसाधन की लगातार जरूरत बनी रहती है, दूसरी ओर प्रशिक्षित युवाओं को ऐसे इकाईयों में सदैव रोजगार की तलाश रहती है। लम्बी प्रक्रिया के जरिये नौकरी मुहैया करने के बजाय उक्त इकाईया सीधे शैक्षणिक संस्थाओं में आकर योग्य युवाओं का चयन कर सीधे रोजगार देते हैं। सन् 2012 से विश्वविद्यालय प्रशासनिक भवन में एक प्रकोष्ठ के माध्यम से उक्त कार्य संपन्न करने के लिए प्लेसमेंट सेल की स्थापना की गई है। इसके प्रभारी डॉ. निनाद बोधनकर, आचार्य, भू-विज्ञान अध्ययनशाला है।

(15) यौन उत्पीड़न निरोधी प्रकोष्ठ

सामाजिक जागरूकता के चलते विभिन्न अपराधों के रोकथाम के लिए अनेकों उपाय किये जाने लगे हैं। यौन उत्पीड़न एक सामाजिक अपराध है और समाज का कमजोर तबका (महिला वर्ग) इससे सर्वाधिक पीड़ित है। विश्वविद्यालय परिसर के भीतर इसे रोकने के लिए एक यौन उत्पीड़न निरोधी प्रकोष्ठ का 2013 में गठन किया गया है तथा इस प्रकोष्ठ के प्रभारी डॉ.(श्रीमती) रीता वेणुगोपाल, डायरेक्टर महिला अध्ययन केन्द्र एवं आचार्य, शारीरिक शिक्षा अध्ययनशाला है।

2. NRI कोटा के तहत जो विद्यार्थी प्रवेश लेंगे, उन्हें 50,000 रुपये जमा करना होगा।

(ग) शुल्क-संबंधी अन्य जानकारियाँ

- डिप्लोमा / सर्टिफिकेट पाठ्यक्रमों के छात्रों को केवल अध्ययन-शुल्क, अप्रवासन-शुल्क, विश्वविद्यालय नामांकन-शुल्क प्रवेश-शुल्क, ग्रंथालय वार्षिक शुल्क देय होंगे। उक्त छात्र नैमित्तिक छात्र माने जाएंगे, जिन्हें नियमित छात्रों को उपलब्ध छात्राधिकार एवं सुविधाएं (ग्रंथालय-सुविधाओं को छोड़कर) प्राप्त नहीं होंगी।
- शुल्क व अन्य राशि, जो विश्वविद्यालय/कार्यालय में किसी विद्यार्थी द्वारा जमा की जाए, उसकी रसीद नियमानुसार प्राप्त कर लेनी चाहिए तथा उसे प्रमाण स्वरूप संभालकर रखना चाहिए, अन्यथा उसका दायित्व विद्यार्थी पर होगा। प्रवेशार्थी से शुल्क आदि उसी दशा में स्वीकार्य होगा, जब उसे संबंधित अध्ययनशाला-अध्यक्ष द्वारा प्रवेश की अनुमति प्रदान कर दी जाएगी। सुरक्षा-निधि वापस लेते समय संबंधित राशि की रसीद कार्यालय में प्रस्तुत करनी होगी, जिससे विदित हो सके कि आवेदक ने उक्त राशि वापस नहीं ली है।
- विद्यार्थी जिस तिथि को शुल्क जमा करेगा, उसी तिथि को अध्ययनशाला-पंजी में उसका नाम दर्ज होगा। विश्वविद्यालय परीक्षा हेतु विश्वविद्यालय के अध्यादेश में निर्धारित शुल्क विश्वविद्यालय द्वारा निर्धारित तिथि तक जमा करना होगा। शुल्क तथा अन्य राशियों में परिवर्धन और परिवर्तन करने का अधिकार विश्वविद्यालय को है एवं जब भी जो निर्णय विश्वविद्यालय द्वारा लागू किया जाएगा, प्रत्येक विद्यार्थी के लिए अनिवार्य रूप से मान्य होगा तथा वह सत्र के प्रारंभ से अथवा जिस दिन से घोषित किया जाएगा, तब से समझा जाएगा। विद्यार्थी द्वारा प्रस्तुत प्रार्थना-पत्र की तिथि अथवा इस प्रकार की कोई भी आपत्ति इस दिशा में स्वीकार्य नहीं होगी।
- विश्वविद्यालय कार्यालय में सामान्यतः शुल्क शनिवार को छोड़कर प्रत्येक कार्य-दिवस को प्रातः 11 बजे से अपरान्ह 2 बजे तक तथा शनिवार को प्रातः 11 बजे से दोपहर 12 बजे (द्वितीय एवं तृतीय शनिवार को छोड़कर) तक लिया जाता है अथवा स्टेट बैंक ऑफ इंडिया, विश्वविद्यालय परिसर में जमा किया जा सकता है।

5. अध्ययन-शुल्क आदि प्रत्येक मास की प्रथम तिथि अथवा सेमेस्टर के प्रारंभ में ही देय हो जाता है, जो उस मास की अंतिम तिथि तक देना आवश्यक है। तब तक अपना शुल्क जमा नहीं करने पर विद्यार्थी को 10.00 मासिक अर्थदंड देना होगा। अंतिम तिथि को कार्यालय अथवा अध्ययनशाला में अवकाश होने पर शुल्क अगले कार्य दिवस को बिना अर्थदण्ड के दिया जा सकेगा। लगातार दो माह तक शुल्क जमा न करने पर छात्र का प्रवेश निरस्त माना जाएगा। पुनः प्रवेश के लिए अवशिष्ट अध्ययन शुल्क और अर्थदंड के साथ फिर से 100.00 रु. प्रवेश शुल्क देना होगा।
6. ग्रंथालय की पुस्तकें निर्धारित अवधि तक नहीं लौटाने पर प्रति पुस्तक 05 रुपये प्रतिदिन के हिसाब से जुर्माना लगेगा।
7. अर्थदंड की माफ़ी के संबंध में आवेदन पत्र स्वीकार नहीं किया जाएगा।
8. सुरक्षा-निधि की वापसी की मांग करते समय राशि जमा करने की मूल रसीद आवेदन-पत्र के साथ संलग्न करना अनिवार्य होगा, अन्यथा शुल्क वापस नहीं होगा।

(घ) ग्रंथालय-सुरक्षा निधि का प्रत्यावर्तन

(Refund of Library Caution Money)

विद्यार्थी को सत्र के मध्य अथवा सत्रांत में किसी कारण विश्वविद्यालय-अध्ययनशाला-सुरक्षा निधि की वापसी के लिए ग्रंथालय, विभाग-कार्यालय एवं छात्रावास के कार्यालय (छात्रावासी होने पर) से अशेष प्रमाण पत्र प्राप्त करके तथा अपने आवेदन पत्र के साथ उन अशेष प्रमाण-पत्रों को मूल में संलग्न करके संबंधित अध्ययनशाला अध्यक्ष द्वारा कुलसचिव कार्यालय को अग्रेषित करवाना चाहिए। अध्ययनशाला का कार्यालय ही उस आवेदन पत्र को अपनी टिप्पणी के साथ विश्वविद्यालय कार्यालय को अग्रेषित करेगा। सुरक्षा-निधि की वापसी का कार्य केवल ग्रीष्मावकाश में सम्पन्न होगा। कार्य पूर्ण हो जाने के पश्चात् उसकी सूचना दे दी जाएगी। इसलिए विद्यार्थियों को ध्यान रहे कि वे इस संबंध में स्मरण-पत्र आदि प्रेषित न करें। प्रत्येक छात्र/छात्रा को अपनी प्रत्यर्पणीय राशि वापस लेने के लिए अध्ययनशाला छोड़ने के एक वर्ष के भीतर तक आवेदन कर देना चाहिए। ऐसा नहीं करने पर उक्त राशि अदेय समझी जाएगी।

(ङ) प्रयोगशाला सुरक्षा-निधि का प्रत्यावर्तन

संबंधित अध्ययनशाला-अध्यक्ष से अवशेष प्रमाण-पत्र प्राप्त करके कुलसचिव को आवेदन करने से निधि वापस मिल सकती है। उपकरणों और यंत्रों को तोड़ने पर विद्यार्थियों को अर्थदंड देना होगा, जो अध्ययनशाला-अध्यक्ष द्वारा निर्धारित किया जाएगा और वह राशि इस निधि से काट ली जाएगी। अन्य नियम वही हैं, जो (घ) में हैं।

(च) विषय-परिवर्तन शुल्क

विश्वविद्यालय अध्ययनशाला में अंतरविभागीय विषय-परिवर्तन हेतु

- (1) स्थानांतरण शुल्क 100.00 रु.
- (2) प्रवेश शुल्क 60.00 रु.

(छ) शुल्क-मुक्ति

विश्वविद्यालय के कर्मचारियों एवं उन पर आश्रित उनके पुत्र-पुत्री, पति-पत्नी को सामान्य पाठ्यक्रम से अध्ययन शुल्क मुक्त शिक्षा की सुविधा है। विश्वविद्यालय के कर्मचारियों को पी.एच.डी. कोर्स में फीस के छूट के लिये पी.एच.डी. ऑर्डिनेन्स के अनुसार लागू होगा।

नोट : स्ववित्तीय योजना के अंतर्गत चलने वाले पाठ्यक्रमों में वि.वि. के शिक्षक, अधिकारियों एवं कर्मचारियों के पुत्र-पुत्रियों, पत्नी को छूट की सुविधा नहीं होगी।

APPENDIX-3

GLIMPSES OF PANDIT RAVISHANKAR SHUKLA UNIVERSITY

Pandit Ravishankar Shukla University (PRSU), Raipur, was established in 1964. It is named after Pt. Ravishankar Shukla, the first Chief Minister of Madhya Pradesh. The university came into being on May 1, 1964 and started functioning from June 1, 1964 with 46 affiliated colleges. Late Mrs. Indira Gandhi, the then Minister of Information & Broadcasting, inaugurated the university teaching department (UTD) in five PG subjects on July 2, 1965.

Chhattisgarh was carved out of Madhya Pradesh on 1st November, 2000 as a new political entity. PRSU, being the oldest university, is leaving no stone unturned to cater to the needs of the society.

The PRSU has grown enormously over the last 48 years in terms of number of students (approx. 2.04 lac) and disciplines, viz., humanities, natural science, law, education, pharmacy, management, physical education, library science and computer science etc. in 26 Schools of Studies and 248 affiliated colleges spread over 10 districts of the Chhattisgarh State.

MISSION OF PRSU

- To establish Pt. Ravishankar Shukla University as one of the centers of excellence in the realm of higher education & research at the National and International levels
- To create conducive environment for the promotion of quality teaching and research
- To make the students self-reliant, self-esteemed and ethical so that they maintain sanctity of life and contribute to the society
- To collaborate with the peer institutions, industry and government in the development and application of new knowledge for the benefit of society

VISION OF PRSU

To be a world-class University, achieving excellence in higher education and research through incessant competency building

UNIVERSITY INFRASTRUCTURE

The sprawling campus is spread over about 277 acres. The total built-up area of the University is approximately 50000 sq.M. This includes classrooms (15226 sq.m.) and laboratories (8932 sq.m.). The University augments the existing infrastructure through grants from the State Government and

University Grants Commission. The Administrative Building incorporates the offices of the Vice-Chancellor, Rector, Proctor and Registrar supported by ten auxiliary sections. The other prominent facilities in the campus include Auditorium, University Press, USIC, Gymnasium, Stadium, Health Center, Guest House, Staff Quarters, and Student Hostels. A number of student and staff facilities, including food and retail outlets, are operated by the University Employee Union. The University campus has leased link facility (2 Mbps). The campus also houses Railway Reservation Center, a Bank and Post Office.

ACADEMIC STAFF COLLEGE

The ASC is striving hard to cater to the needs of the teachers of Chhattisgarh and that of the country. The ASC aimed at enhancing the professional skills and needs of college and university teachers of Chhattisgarh and other States. The ASC keeps the teachers up to date with the latest developments in different disciplines in the domain of higher education.

PT. SUNDARLAL SHARMA LIBRARY

The library is named after Pandit Sundarlal Sharma, the legendary freedom fighter and social reformer. It is housed in a four-storied independent building with serene environment. The Library is centrally located in the campus. The seating capacity is of 320. The building has two independent reading halls for textbook and research periodicals.

There are more than 100 encyclopedias and about 15 indexing and abstracting periodicals in the library. The library has 2,19,529 books, 24,914 gifted books, and 8,749 World Bank publications. It houses 22,518 copies of theses and dissertations. The library is subscribing to about 135 Indian and 69 foreign research journals. The library is availing all facilities extended to it by INFLIBNET Centre, Ahmedabad, as both are closely associated since 1991.

The University library is currently participating in the first phase of UGC-INFONET program. As a member of the scheme, the library and UTDs in the campus are using leased link connectivity for exploring e-Resources under UGC-INFONET consortium. It provides students and teachers with the databases and full text access to journals and e-Books. This has transformed the campus into a modern knowledge hub for higher learning.

SUPPORT FACILITIES

The University has a Health Center. It provides free

medicines to the students through an Out Patient Department. A full-time Medical Officer and a part time lady-doctor run the Health Center. Recently a Pathological Laboratory has been added to its existing facilities.

As a part of physical education infrastructure, the university has a stadium with facility for football, kho-kho, and lawn tennis. The university has a gymnasium, and facilities for table tennis and badminton. Other major attractions are cinder-track for athletics and basketball court. The university provides its sportsperson with tracksuits and blazers. Winners of zonal, inter-zonal and national events get cash awards. The above get preference at the time of admission on the basis of performance in sports. Ministry of Sports & Youth Affairs has sanctioned Rs. 20.0 lac for an indoor stadium. The proposal for the construction of a state-of-the-art swimming pool is in the pipeline under the sponsorship Raipur municipal corporation.

The University has attained outstanding achievements in the Inter-University Competitions of Power lifting, Table Tennis, Badminton & Volleyball in the past.

Hostel facilities for accommodation of students include 2 men's hostels with single and double rooms and 3 women's hostels. The hostels are equipped with television, telephone, indoor games and dining facilities.

INTERNET CONNECTIVITY

A leased line of 1Gbps is taken from BSNL under MHRD based NKN Project. Almost all the buildings in the Campus are connected through Fiber Optic Cables. Around 600 users are accessing the internet facility.

RESEARCH AND CONSULTANCY

There are a number of ongoing research projects sponsored by Government and Non-Government agencies, like DST, UGC, CSIR, DRDO, DBT, MOEF, ISRO, ICAR, ICMR, IAEA, ISSR, and CCOST. The total annual outlay amounts to about Rs. 250.0 lac. The faculty publishes about 175 papers per year in national and international journals. UTDs, such as Life Sciences, Chemistry, Mathematics and Physics, have been awarded funding under FIST scheme of DST, New Delhi. The School of Life Sciences has been selected as a SAP department under the DRS program of UGC. These departments are engaged in active research and have a potential to grow in R&D areas of natural resources. All Schools of Studies are engaged in research in varied areas. The School of Studies in Physics has 8" & 14" telescopes that are computerized with GPS. These allow the observer to point the celestial objects with a very high precision. The

telescopes have solid-state photometer, CCD camera and CCD spectrograph as accessories. The School of Life Sciences is having research facilities, such as Tissue Culture Laboratory, HPLC, Chronocubicles, Human actigraphy system, and Vital View. The Chemistry and Geology departments are equipped with Atomic Absorption Spectrophotometer and Flow Injection Analyzer. Anthropology is equipped with PCR instrument. The Institute of Pharmacy is equipped with HPLC, UV-Pharmaspec 1700, Gas Chromatograph, FTIR, Digital Dissolution Apparatus, Digital Disintegration Apparatus and Friability Apparatus.

YOUTH WELFARE

Youth Festivals are convened with spirited admiration and joviality. These find vital place in the annual calendar of the university. Cultural/literary activities including dance and music performance, skits, mono-plays, one-act plays, quizzes and drawing/ painting/ rangoli/ cartooning / craft competitions among others are the regular features of the Youth festivals. The university contingent has been securing exceptional distinctions in the Inter-University Youth Festivals organized by Association of Indian Universities in collaboration with Ministry of Youth Affairs. In the current session university students have excelled in debate and elocution in the East Zone and national youth competitions.

ASTRONOMICAL OBSERVATORY

University is constructing an independent astronomical observatory on the campus. It will have a motorized dome of size 15 feet diameter for housing the 14" Celestron telescope. This will be a unique facility in the Chhattisgarh that shall be used for teaching and research in the field of Astronomy. It will also help in popularizing astronomy and astrophysics among the masses.

ALUMNI

Of its 49 years of establishment, thousands of alumni are working on prestigious posts in the country and abroad. There are several alumni associations. The alumni meet on designated occasions to share their experiences and enrich by interaction.

PUBLIC OUTREACH CENTER

The Public Outreach Center (POC) has been created on the campus. The POC enhances the credibility of PRSU in the Society. The individual responsibility of all stake holders augment dramatically. The increased accountability would increase the work efficiency of individual components of RSU. The RSU would be able to create benchmark that would be stout as it will pass through the public scrutiny.

SCIENCE PARK, TRIBAL MUSEUM & OTHER CENTERS

The university has envisioned creation of a Science Park and Tribal Museum on the campus. The academic and executive councils of the university have already nodded their consent for the creation of the Center for Translational Chronobiology (CTC) and the Center of Advanced Teaching & Research in Material Science and Astrophysics (CATRMA).

INSPIRE PROGRAM

Innovation of Science Pursuit for Inspired Research (INSPIRE) is one of the innovative programs proposed by the Department of Science & Technology, New Delhi for attraction young of talent to science. The basic objective of INSPIRE would be to communicate to the youth population of the country the excitements of creative pursuit of science and attract talent to the study of science at an early stage and build the required critical human resource pool for strengthening and expanding the Science & Technology system and R&D base.

INSPIRE Scheme has included three components. They are: i) Scheme for Early Attraction of Talents for Science (SEATS), b) Scholarship for Higher Education (SHE), and c) Assured Opportunity for Research Careers (AORC).

This University, on the behest of DST, New Delhi, is going to organize Summer and Winter Camps on regular basis for toppers (top 1%) of this region from Board Examinations in Class 10th.

GLIMPSES OF SCHOOLS OF STUDIES, CENTERS AND INSTITUTES

Ancient Indian History, Culture and Archaeology

The thrust areas of research of this School (Year of establishment: 2001) are Regional history, Art-history and Numismatics. It offers M.A., M.Phil. and Ph.D. programs. In future, new program in Museology has been planned.

ANTHROPOLOGY

This is one of the oldest Schools of the campus (Year of establishment: 1965) under the Faculty of Life Sciences. It offers M.A./M.Sc., M.Phil. and Ph.D. Courses. Besides, it runs P.G. Diploma in Criminology and Forensic Science. The research interest includes Tribal Health, Genomic Diversity, Ethno-medicine, Medical Biotechnology, Tribal Development, Ethno-Archaeology, Tribal Culture, and Genetic Epidemiology. The school has well equipped laboratories for conducting Anthropometric, Serological and Molecular Genetics practicals. It has museum, library and computational facilities. Students are given field training in tribal village, as compulsory component of the syllabus. The school

has been identified for support in level-1 category by DST-FIST (2014-2019)

BIOTECHNOLOGY (DST-FIST-LEVEL-1 2014-19)

The School came into existence in 2004. It offers M.Sc., M.Phil. and Ph.D. programs. The major focus of the School is to harness indigenous knowledge systems for its potential applications. It offers postgraduate program in Biotechnology and research programs in various fields, like Genetic Engineering, Plant Biotechnology, Fungal Biotechnology, Industrial Biotechnology, Aerobiology and Environmental Biotechnology. Faculties from many prominent institutions of India visit this School under faculty exchange programs to deliver lectures to the students. It enrolls 20 students annually strictly based on merit. The School of Biotechnology aims at achieving preeminence in quality education and research in the realm of Biotechnology. Various programs of this School are aimed at training skilled manpower in different areas to suit the requirements of the Biotechnology-related industries.

CHEMISTRY

School of Studies in Chemistry was founded in 1972. It offers postgraduate and research degree programs in Chemistry. The major fields of research are : Co-ordination Chemistry, Environmental Chemistry : Aerosol Deposition, Acid Rain, Black Carbon, Ozone Layer Depletion, VOC, PAH; Nanotechnology: nano particle synthesis and its application, Targeted Drug Delivery, Medicinal Chemistry, QSAR and drug designing for Anti-Tumor/Anti-Cancer and Anti-Sickling activity. Surface Chemistry, Detoxification of pesticides and Chemical Warfare agents. Regular training programs, workshops and field visits are organized in collaboration with the Industries. The School is a recipient of research grants under the DST-FIST program (2002-2006).

COMPUTER SCIENCE & INFORMATION TECHNOLOGY

This academic department was founded in 1992, and provides central computing facility for the university. It offers various courses, such as M.C.A., M.Sc. (IT), M.Phil and Ph.D. Programs. The thrust areas of research are: Parallel Computing, Networking, Mobile Adhoc Networking, and Data Mining. For Internet facility 1Gbps leased line is taken from BSNL upto the Server room situated at SoS in Computer Science from where, it is distributed to all buildings/ departments through Fiber Optic Cables/Wireless Connection. Entire Campus Area Network is run and maintained by Computer Science Department only. Two UGC sponsored Minor Research Projects were completed in June 2013.

ECONOMICS

This School was established in the year 1971, and offers M.A., M.Phil. and Ph.D. degree courses. It has expertise for research in Population Study, Poverty, Agricultural Economics, Indian Economics, Public Finance, and Labour & Industrial Economics, Macroeconomics and Quantitative Economics.

ELECTRONICS & PHOTONICS

The School of Studies in Electronics & Photonics established in 1994, provides an unrivalled education in Electronics and photonics. The department has vibrant atmosphere with a combination of strong academic and research activities. Both complement to each other and the students at all levels under the able guidance of the faculty members maintain this brilliant combination and help the Institute to reach the zenith of knowledge and innovation. The department provides the Opportunity to choose the best of committed professionals. The department has always been proactive to groom the student to meet the future needs. The courses offered are M.Sc., M.Tech. in Optoelectronics & Laser Technology, M.Phil. and Ph.D in Electronic Science. The job oriented Two-year M.Tech Programme in Opto-electronics and Laser Technology approved by UGC & AICTE under its Innovative Programme is an endeavor to attract best of the minds towards teaching and research and to give emphasis in teaching in Interdisciplinary and Emerging Areas and research in emerging technologies. It has been developed realizing the rapidly growing need for well-trained manpower in the field of optoelectronics and lasers. The department has academic understanding with RRCAT, Indore, CEERI, Pilani, IIT Mumbai, NARL, Tirupati, CREDA, Raipur CSIR NPL, New Delhi, ISRO, Bangalore and other National Labs for one year project of M.Tech. students. The faculty has attained international recognition and prestigious award like USA Fulbright, UKIERI Cambridge fellowship, SAARC Fellow, UGC Research award and invited as Visiting Professor at University of California and other universities. An MoU has been made with University of California, Santa Cruz USA to recognize the value of educational, cultural and scientific exchange, The computer based data acquisition and instrumentation laboratory enables training in virtual lab and e-classes. The research interest includes Organic electronics, Simulation and Modeling, Solar Cells and OLEDs optoelectronics, Digital Electronics, Speech & Image signal processing.

GEOGRAPHY

The School of Studies in Geography (established: 1965) is one of the oldest departments of the

University. A large number of students seek admission for various courses (M.A./M.Sc., M.Phil and Ph.D.). It attracts a large number of students (about 75% of its enrollment) from various parts of the country. The focal areas of research are Regional Development, Resource Development, Population Geography, Urban Studies & Social Geography. Initiatives for development of facilities and courses in Remote Sensing and GIS are underway.

GEOLOGY AND WATER RESOURCE MANAGEMENT

It came into existence in the year 1984. The thrust areas of research are Precambrian Geology, Petrology and Groundwater Resource Evaluation & Management. It offers courses for M.Sc., M.Phil. and Ph.D. degrees. Also, PG Diploma's in Water Resource Management; Remote Sensing & GIS; and Watershed Technology & Management are offered. The department encourages extensive field training. It offers consultancy to the industries in the areas of groundwater exploration and management and mineral characterization.

HISTORY

This School has been carrying out research in Regional History and Modern Indian History since its inception in 1971. The research activity highlights the political, administrative and socioeconomic history of Chhattisgarh and Madhya Pradesh. It offers M.A., M.Phil. and Ph.D. courses. It is the oldest and the most important academic center in Chhattisgarh.

INSTITUTE OF TEACHERS EDUCATION

Keeping in view of the national objective, to provide education to all, a fundamental right, Institute of Teachers Education was established in the year 2005. The current intake is of 100 students for B. Ed. It has started M.Ed. from the academic session, 2006-07, with a capacity of 40 students. The emphasis is to impart training of the highest order so that trained teachers can contribute to the development of school education even in the remotest tribal areas of Chhattisgarh.

LAW

Established in 1982, offers B.A.L.L.B (5 yrs.), LLB, LLM, M.Phil., and Ph.D. courses. Criminal Law, Tort and Family law are the main focus of research.

LIBRARY & INFORMATION SCIENCE

This School was established in 1971 under the Arts faculty. It offers B.Lib.I.Sc. M.Lib.I.Sc., M.Phil. and Ph.D. courses. M.Lib. I. Sc. syllabi contain Information Technology and Information System Analysis & Data Processing and MIS. Bibliometrics, Users' study, and

Management are the major areas of research.

LIFE SCIENCE [(DST-FIST LEVEL I (2011-2016) & DRS-SAP PHASE II (2010-2015))]

This School is one of the leading centers of study and research in Biological Sciences. It was established in 1977. It offers postgraduate degrees in Bioscience, Microbiology, and Biochemistry. In addition, it offers M.Phil. degree in Bioscience and Ph.D. program in all three disciplines. This School has been recognized as the DST-FIST sponsored department (2001-2005; 2011-2016), and is the recipient of the UGC DRS-SAP (2004-2007; 2010-2015) for Chronobiology. Thrust areas of research are Animal Physiology & Behaviour, Chronobiology, Environmental Biology, Ethnobotany, Microbial Enzyme, Parasitology & Immunology, Plant Tissue Culture, Plant Physiology and Seed Biology.

LITERATURE AND LANGUAGES

The School of Studies in Literature and Languages (Established in 1965) serves for the promotion of teaching and research in linguistics. It offers M.A., M.Phil., Ph.D. (Linguistics, Hindi, and English), P.G. Diploma in English/ French/ German and Certificate Course in Translation. The focal themes of the research are Regional Dialects and Literature (Chhattisgarhi, Hindi, Sanskrit and English).

MANAGEMENT

The Institute of Management was established in year 1993. It aims to provide professional education, training and research in the field of management. It also offers Ph.D. in Management. Consultancy and EDP are the major activities of the Institute. More than 500 alumni are rendering services in national and international organizations. Institute offers specializations in areas of Marketing, Finance, HRM, and IT. Reputed companies, such as Reliance Infocom, Godrej, HLL, CIPLA, P&G, Grasim, LG Electronic, ICICI, HDFC, Birla, Sunlife etc. visit the campus for placement.

MATHEMATICS

This School was initiated in 1991 and has infrastructure for postgraduate course in Mathematics. The research area is targeted towards Analysis, Operator theory, Cryptography/General & Algebraic topology, Fuzzy set theory, Variational Inequality & Complementary Problem, KKM Theory, and Best Approximation theory. The school has received grants from the DST under FIST program (2010-2014).

PHARMACY

The University Institute of Pharmacy was established in the year 2001 with a view to promote excellence in

pharmaceutical education. The Institute is presently offering Bachelor in Pharmacy, Master in Pharmacy (Pharmaceutics) and PhD in pharmaceutical sciences with total strength of nearly 280 students. The Institute possesses excellent working, well designed and equipped state-of-art central instrumentation facility having HPTLC, UV, HPLC, GC, FTIR Gel electrophoresis, probe sonicator, High speed homogenizer, Spectrofluorimeter, florescent microscope, Stability chamber, Brookfield Viscometer, Automatic 12 station tablet punching machine, 8 basket dissolution apparatus etc. Research, together with teaching is a major activity of the institute. The research are focuses on drug delivery, targeting systems, enhancement of oral bioavailability, herbal drug standardization, phytochemical studies or medicinal plants, Development of new methods for drug analysis through sophisticated instruments and Biotechnological approaches for drug development.

The institute provides opportunity and environment to the students for the exchange of views and updating the knowledge by organizing guest lectures/Workshops/ Seminars/Symposium/ Conference in the field of pharmaceutical sciences. Continuous Teacher-Student Academic interaction is maintained to ensure that the learning program remains relevant to the innovative trends in field of pharmacy. In the last 5 years, more than 100 research/ review papers have been published and presented at various national and international conferences. The institute has received research grants from UGC, AICTE, DST and CCOST.

PHILOSOPHY & YOGA

This School, initiated in 1985, offers M.A. in Philosophy, M.A. in Applied Philosophy and Yoga, M.Phil. in Comparative Religion & Philosophy and Ph.D. It also offers P.G. Diploma in Yoga Education and Philosophy. This Diploma course is extremely popular. Main areas of research are: Comparative Religion, Applied Philosophy and Social Philosophy.

PHYSICAL EDUCATION

This School was established in the year 1972. It runs the course for the degree of B.P.Ed. (1-Year Degree Course after UG) and M.P.Ed. (2-year PG course). It offers sports facility for outdoor and indoor games. Sports Chronobiology, Tribe Talent, Cybernetics, Sports Psychology, Adapted Physical Education, Sports Injuries Rehabilitation, Sports Nutrition, and Sports Anthropometry are the major areas of research. It provides consultancy and extension services.

PHYSICS & ASTROPHYSICS

This School was established in 1972. It has reputation for carrying out research in the areas of Nano technology, Photovoltaic Solar Cells, Photoconductivity, Solid State Ionic Materials, Solid State Battery Applications, Observational Astronomy Surface, Photometry of Galaxies, Dynamics/Modeling of Galaxies. Supernovae and Variable Stars. It offers postgraduate, M.Phil. and Ph.D. programs in Physics. In the Postgraduate level, the department offers specializations in : Solid State Physics, Astronomy & Astrophysics, Physics of Nano-Materials & Space Science. It has received grants from the DST under FIST program 2004 - 2008 (completed); 2013-2018 (ongoing) The M.P. Higher Education Grants Commission recognized this School as the Center of Excellence (1987). The School is IUCAA Reference Centre. The teaching faculties conduct collaborative research with IUCAA, IIA, ARIES, TIRF, IUC, BHU and DU.

IUCAA RESOURCE CENTER (IRC)

The Inter-University Centre for Astronomy and Astrophysics (IUCAA), Pune, a premier research organization in the field of Astronomy & Astrophysics, has played a significant role, and since 1999 the IUCAA has created its Resource Centre (IRC) at the Physics Department for the promotion of teaching and research in Astronomy & Astrophysics in this region.

Recently, a high speed data center has been established for Astronomical Data archival and analysis. There are PCs, Servers with sophisticated softwares already been installed, LCD Projector, Printer, Scanner and 6" Newtonian telescope for the sky watching programme. Facilities are available for the Research works, Ph.D, M.Phil. and M.Sc. Courses.

PSYCHOLOGY

Established in 1965, it has synthesized the scientific study of behaviour with the application of psychological knowledge to render solution for the real world problems. The School offers postgraduate, M.Phil., Ph.D. and Diploma courses and provides a wide range of consultancy, training and psychological assessment services. Faculty Members provide extension services to the local community. The counseling center of the School provides counseling to the students and professionals. It handles socio-emotional problems, ranging from personal to interpersonal level, including marital conflict/discord. It provides guidance and treatment to school students with learning and/or behavioural disorders.

REGIONAL STUDIES AND RESEARCH

It is a Research Center and offers Ph.D. program. Initiated (in 1993) to undertake study of multidimensional aspects of regional problems and their solution. It coordinates the regional researches mainly in the area of Social Sciences.

SOCIOLOGY

University Grants Commission, New Delhi, had recognized this School for its research activities and awarded it with the Special Assistance status (1982-1987). The School was established in the year 1965. It runs the courses for M.A., M.Phil. and Ph.D. degrees. This School carries out research on Rural Family Marriage; Industrial area; Rural Economics and Technological change.

STATISTICS

This School was initiated in the year 1977. Research focus is on Statistical Quality Control, Reliability Theory, Sampling Theory and Operations Research. It offers postgraduate and research degree courses in Statistics.

TOURISM AND HOTEL MANAGEMENT

The center offers P.G. Diploma in Tourism & Hotel Management since 2002. The students get employment in tourism and leisure industries.

CENTER FOR WOMEN'S STUDIES

The center for Women's Studies came into existence during the celebration of the "Women Empowerment Year" in 2001. The center addresses important issues related to empowerment of women. It focuses on: Recognition of women's needs; Enhancement of quality of life and empowerment of women; Women as Special target groups; Vocational training facilities for women to suit their needs and skills; Self-dependency and self-reliance of women; Provision of forum for discussion and guidance on their socio-economic problems; and Enhancement of decision-making ability in the M.

EXPANSION OF UTDs

Independent buildings for the School of Studies in Anthropology and Biotechnology are under completion. The constructions have been made with the support of the Ministry of Higher Education and Government of Chhattisgarh.

रैगिंग क्या है ?

रैगिंग के अंतर्गत—

कोलाहलपूर्ण अनुचित व्यवहार करना, चिढ़ाना, भद्दे या अशिष्ट आचरण करना, उपद्रवी एवं अनुशासनहीन क्रिया—कलापों में संलग्न होना, जिससे नए छात्र को गुस्सा, अनावश्यक परेशानी, शारीरिक अथवा मानसिक क्षति हो, अथवा उसमें आशंका या भय बढ़ाने वाला हो, अथवा छात्रों से ऐसा कार्य करने के लिए कहना, जो छात्र/छात्रा सामान्यतया नहीं कर सकता/सकती और जिससे उसे शर्म या अपमान का अनुभव होता हो, अथवा उसके जीवन के लिए खतरा हो।

छत्तीसगढ़ राज्य की शैक्षणिक संस्थाओं में रैगिंग रोकथाम अधिनियम, 2002

कर्नाटक शिक्षा अधिनियम, 1983 (कर्नाटक अधिनियम नं. 1, 1995), अनुच्छेद 2(29) के अनुसार रैगिंग की परिभाषा इस प्रकार है :—

किसी छात्र को मजाक में या अन्य किसी प्रकार से ऐसा कार्य करने के लिए कहना, प्रेरित करना या बाध्य करना, जो मानव-मर्यादा के खिलाफ हो या जो उसके व्यक्तित्व के विपरीत हो या जिससे वह हास्यास्पद हो जाए या डरा-धमकाकर गलत ढंग से रोककर गलत ढंग से बंद करके या उसे चोट पहुँचाकर या उस पर अनुचित दबाव डालकर या उसे इस प्रकार की धमकी, गलत अवरोध, गलत ढंग से बंदी बनाने, चोट या अनुचित दबाव का भय दिखा कर वैधानिक कार्य करने से मना करना।

रैगिंग का स्वरूप :—

रैगिंग निम्नांकित रूपों (सूची केवल निर्देशात्मक है, संपूर्ण नहीं) में पाई जाती है :—

स्पष्ट आदेश

- * सीनियर छात्रों को "सर" कहने के लिए
- * सामूहिक कवायद करने के लिए
- * सीनियरों के क्लास—नोट्स उतारने के लिए
- * अनेक सौंपे हुए कार्य करने के लिए
- * सीनियरों के लिए भृत्योचित कार्य करने के लिए
- * अश्लील प्रश्न पूछने या उनका उत्तर देने के लिए
- * नये छात्रों को अपने सीधेपन के विपरीत आघात पहुँचाने हेतु अश्लील चित्रों को देखने के लिए
- * शराब, उबलती हुई चाय, आदि पीने के लिए बाध्य करना
- * कामुक संकेतार्थ वाले कार्य—समलैंगिक कार्य सहित करने के लिए बाध्य करना
- * ऐसे कार्य करने के लिए बाध्य करना, जिससे शारीरिक क्षति, मानसिक पीड़ा, या मृत्यु तक हो सकती है।
- * नंगा करना, चुंबन लेना, आदि
- * अन्य अश्लीलताएँ करना।

रैगिंग में लिप्त होने पर दिए जाने वाले दंड

1. प्रवेश निरस्त किया जाना।
2. कक्षा/छात्रावास से निष्कासित किया जाना।
3. छात्रवृत्ति अथवा अन्य सुविधा रोकना।
4. परीक्षाओं से वंचित करना।
5. परीक्षा—परिणाम रोकना।
6. राष्ट्रीय, अंतरराष्ट्रीय तथा युवा उत्सव में भाग लेने पर प्रतिबंध।
7. संस्था से रेस्ट्रिकेट किया जाना।
8. आर्थिक दण्ड रु. 25000/- तक।

उपर्युक्त से यह विदित होता है कि प्रथम पाँच को छोड़कर अधिकतर रैगिंग के विकृत रूपों से युक्त हैं।
