

# Institute of Teachers Education Pt. Ravishankar Shukla University, Raipur

## ***INTRODUCTION:***

Institute of Teacher Education is one of the vital bodies of Pt. Ravishankar Shukla University which epitomizes the manifestation of teaching excellence and research attitude among its pupil teachers and researchers. ITE has been envisioned to introduce and initiate future teachers into the process of transformation into efficient and competent beings who can lead and guide the children of tomorrow towards the world of knowledge. With holistic training components, skill-orientation and value-education as the foundation of the teacher education, ITE has a vision of developing the future teachers who can take the task of shaping the next generation of students with a sense of responsibility for the nation. It has facilities to carry out research work in various aspects of education. ITE attracts large numbers of students from all corners of the country.

## ***ABOUT THE INSTITUTE:***

The Institute of Teacher Education came into existence in the year 2005, At present Prof. C. D. Agashe is holding the post of Head of the Institute and his endeavor is par excellence in nurturing ITE. The institute offers graduate and post graduate degree programs in Education. It enrolls 50 students in B.Ed. course and 50 students in M.Ed. course annually. Students of B.Ed. course are required to qualify the Pre- B.Ed. Examination conducted by the SCERT and students of M.Ed. course are selected through Entrance Examination conducted by Pt. RSSU on the basis of merit.

## ***VISION:***

We aspire to be a premier institution that offers to the society globally competent teachers who are humane, collaborative and multicultural in their outlook.

## ***MISSION:***

To create teachers of tomorrow with the transformative knowledge of Indian tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.

- Our Vision is to impart Quality Education to the students based on innovative teaching practices, preparing them to excel, to face all the challenges in their professional life and to develop them with competence and skills in their respective discipline
- Our programme shall provide for sustain engagement with the self, the child, community and school at different levels and through establishing close connection between different curricular areas.
- To promote understanding the value of self-learning, creativity and competence building:
- By creating environment conducive to nurture creativity and scientific temper.
