

Five Days Hands-on-Training cum Workshop

on

Advance Biotechnology Techniques

Genetic Engineering

Immunology

Molecular Biology

Microbiology

&

Yeast Genome Engineering

25-29 August 2023

10:30 am onwards

Only 15 seats

First come,
first serve

Jointly Organized by

School of Studies in Biotechnology

Pt. Ravishankar Shukla University Raipur 492 010 CG

&

Alumni Association of Biotechnology

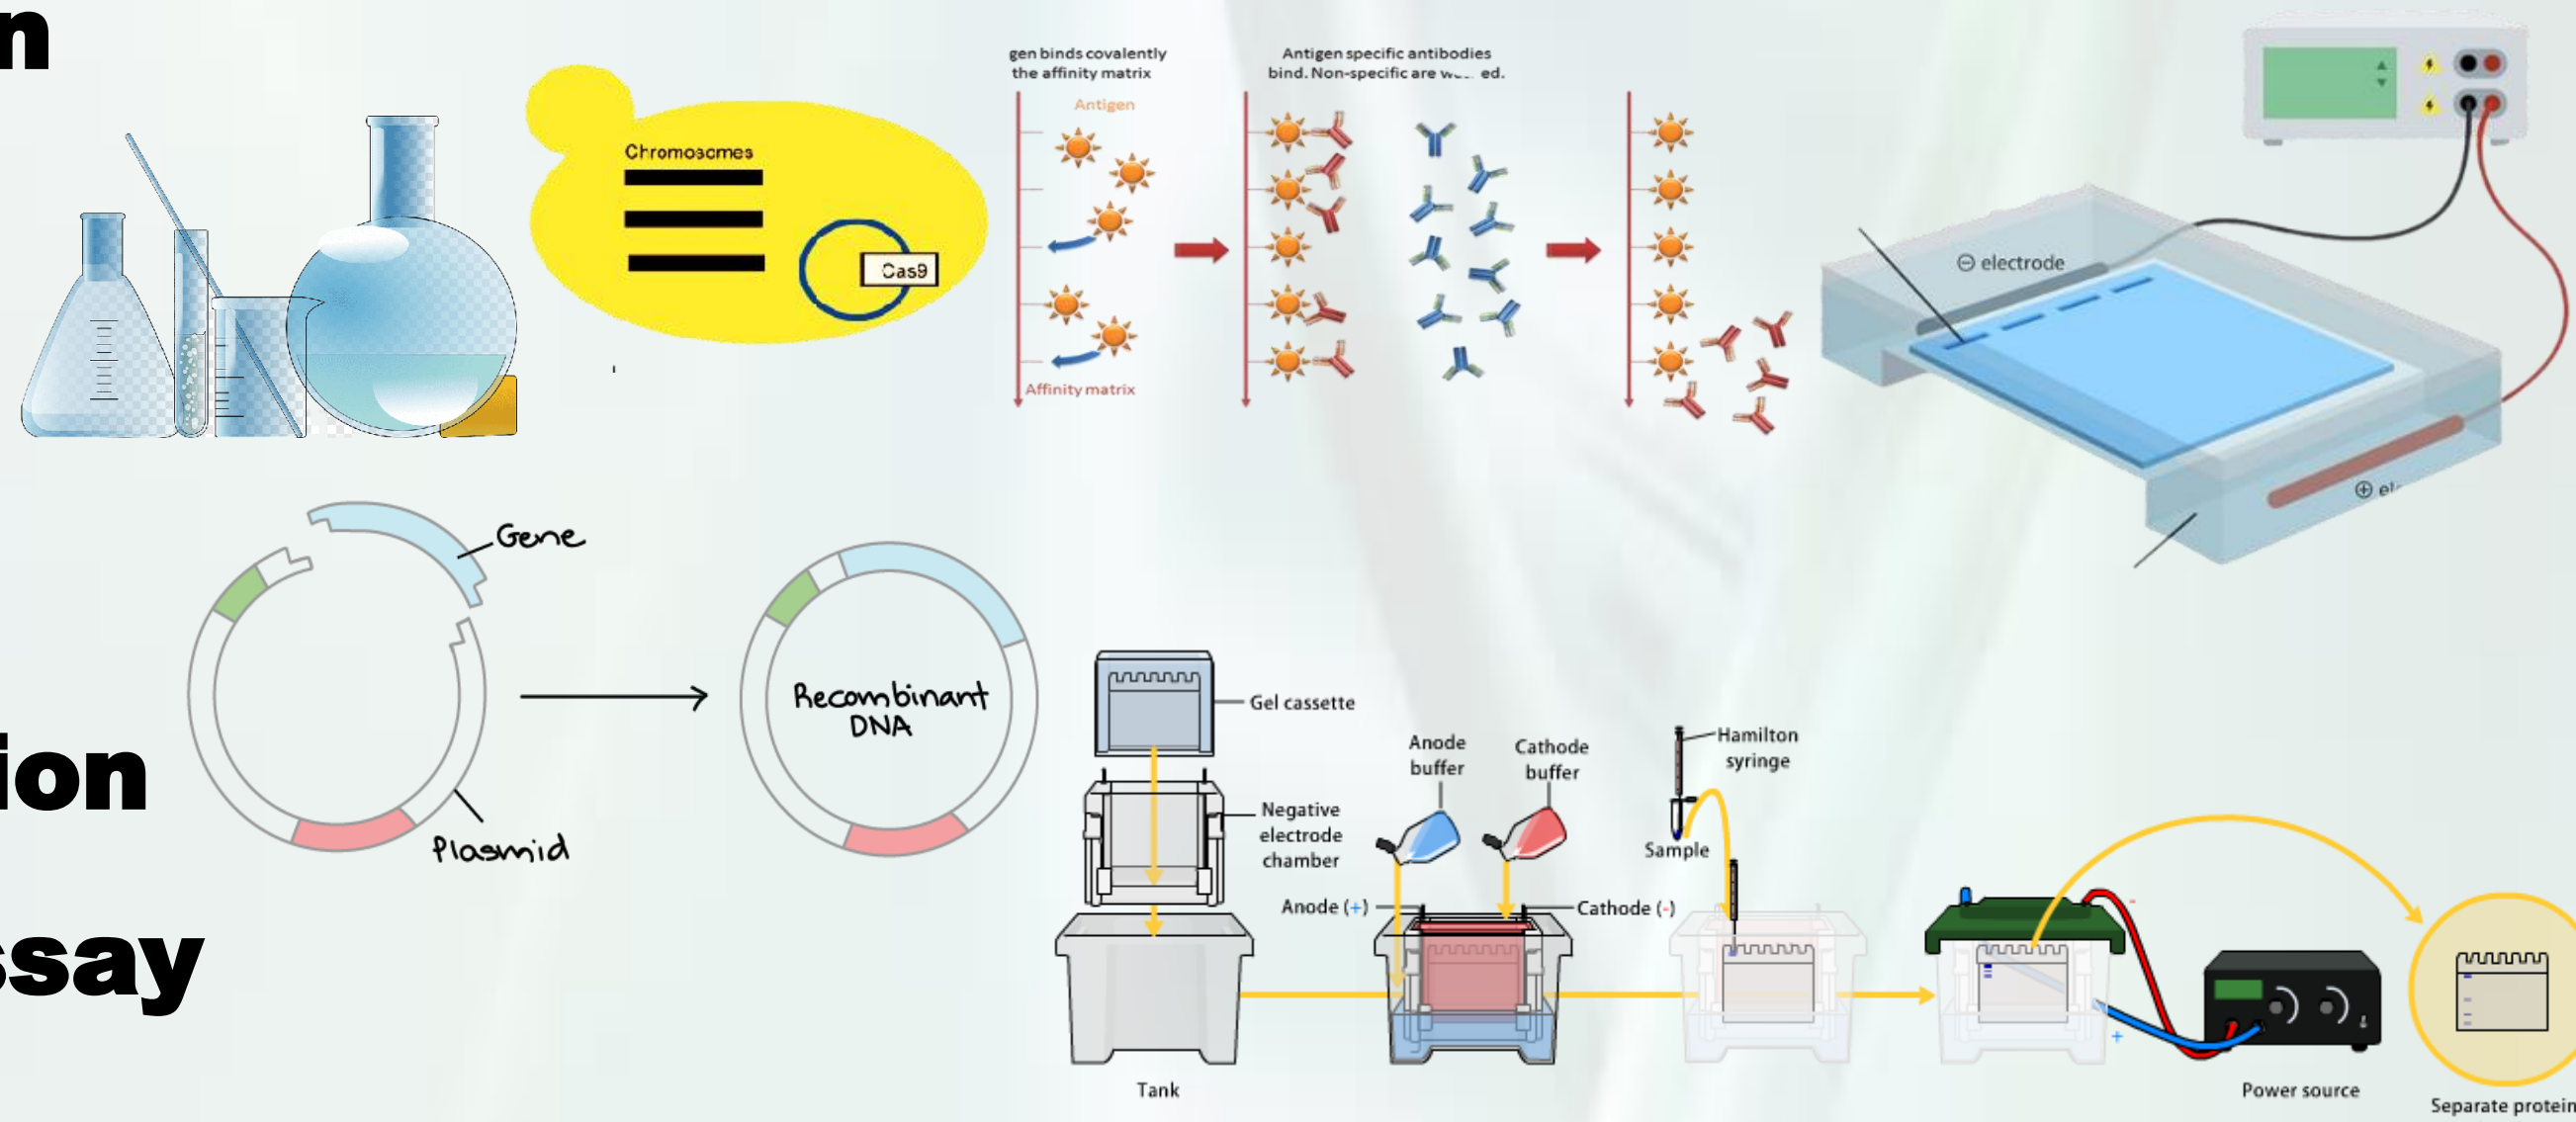

&

HiMedia Laboratories Pvt. Ltd. Mumbai, Maharashtra

Theory and Hands-on

Instrumentation Techniques

- ✓ Reagent & media preparation
- ✓ Agarose gel electrophoresis
- ✓ SDS-PAGE
- ✓ Gel documentation
- ✓ Restriction digestion & ligation
- ✓ Qualitative & quantitative assay
- ✓ Yeast genome engineering
- ✓ Antibody purification

Experts

Dr. Rohini Nair
Faculty

Medical Biotechnology
Gujarat Biotechnology University
Gandhinagar, Gujarat

Dr. Mangesh Mankar
Product Expert

Molecular Biology
HiMedia Laboratories Pvt. Ltd.
Mumbai, Maharashtra

Coordinator: Dr. Nagendra Kumar Chandrawanshi

Scan and pay Fee: ₹ 500/-
