In 1988, M Lib I Sc course was started to give the students specialized Knowledge of the vital role of Information as an input and to impart them necessary skill in designing, operating and managing Information system.

In view of the emerging networked environment and paradigm shift in the goals of the library, and in view of the Changes in Information storage and delivery mechanism, the School retrained its syllabus on the basis of the UGC model curriculum.

Research guidance at the level of the Ph D is provided. The School has a well equipped computer laboratory for imparting practical knowledge of the students. Presently 28 scholars have been awarded with Ph D degree, and the research works of 8 scholars in progress.

Strengths

- Close association with central library of university.
- Strong alumni list with 100% placement.
- Continuous evaluation of students through class test&. personal contact.
- Student feedback on regular basis.
- Graduates from Library Science Department have very fair chance of getting jobs in the state itself.

Future Plan

- Consultancy for modernization of libraries.
- Short term courses viz Library automation, Archive management, Manuscript preservation&. maintenance.
