Applications are invited for the position of **Project Fellow** to work on the research project titled "**Modelling Infectious Disease Dynamics with Neural Ordinary Differential Equations**" funded under the Seed Money Research Grant of Pt. Ravishankar Shukla University, Raipur. The project has been sanctioned to the undersigned for a period of **two years**.

Note: The post mentioned above is **temporary** and will cease upon completion of the project.

Eligibility Criteria:

- The candidate must have a strong academic background, holding a Bachelor's degree and a Master's degree in Mathematics or Computational Mathematics, with a minimum of 55% marks at the postgraduate level.
- Preference will be given to candidates who have completed a Ph.D. or have qualified NET/SET/GATE.

Fellowship: A consolidated amount of Rs. 10,000/- per month will be offered.

Application Process: Interested candidates should submit a completed application along with:

- An updated CV (including a valid email ID and mobile number),
- Self-attested copies of mark sheets and other relevant documents.

Applications must reach the undersigned **on or before 5 August 2025**.

Shortlisted candidates will be informed in due course and invited to appear for a **personal interview** at the **Center for Basic Sciences, Pt. Ravishankar Shukla University, Raipur – 492010, Chhattisgarh**. Candidates must bring all original documents to the interview.

Note: No TA/DA will be provided for attending the interview.

(Dr. Govind Prasad Sahu)
