The UGC-HRDC, PRSU, Raipur, Chhattisgarh is organizing an Online Refresher Course in Home Science during **September 22, 2021 to October 06, 2021** between **10:30 to 17:30** for college and university teachers of Home Science.

**Objective:** Home science is an applied and interdisciplinary field. Interdisciplinary field of home science can contribute to the benefits of family as well as community at every level to inspire change in desired direction. Objective of this refresher course is to provide opportunities and resources to the participants for their professional and personal enrichment, which will ultimately benefit the society. This course will focus on different areas of Home Science. Eminent resource persons from various disciplines will be invited for sharing their knowledge on all streams of Home Science, which will surely strengthen knowledge of the participants, and will encourage initiating fruitful collaborative relationships among the participants and; also, between participants and scholarly resource persons.

**Salient Features of the Course:** The course will have two parts: 45 h of thematic lectures by resource persons, and 27 h of other activities, like Microteaching, Project Work and Seminar. Above activities will highlight creative and innovative practices in teaching and research. There will be assessment exercises and activities as part of the progression of the course. Moreover, a MCQ based examination at the end of the course will also be conducted. All the participants who will complete the refresher course successfully will get certificate with gradation.

**Target Group:** All regular faculties of different disciplines of Home Science in the Universities/ Colleges that are included under section 2 (f) of the UGC act. The teachers of the colleges affiliated to the University for at least five years can also participate.

**Mode of Delivery:** Live web session, Discussion and Assignment on Google Meet/ Classroom/Jitsi.

**Requirement for the Course:** Desktop/ Laptop/ Smart phone with good Internet Connectivity (Webcam, Microphone, headphones and Multimedia enabled).
