

SCHOOL OF STUDIES IN ELECTRONICS, PT. R.S.UNIVERSITY, C.G.

ACTION TAKEN REPORT ON FEEDBACK FROM STUDENTS OF M.SC. & M.TECH. I & III SEMESTER (SESSION 2016-17)

Feedback form, in prescribed format had been collected from students of M.Sc. & M.Tech, I & III Semester (session 2016-17). Free and frank opinion of students on classroom teaching of individual teachers, the course content, laboratory experiments & overall atmosphere of the department, written in feedback form, were made open to all teachers and examined critically.

- In spite of good performance, all the teachers have been advised to enhance their mode of teaching to the best of their capabilities.
- About strengthening the Wi-Fi facility, process for enhancing/upgrading internet/Wi-Fi facility has already been started in terms of procuring more numbers of routers ,I/O boxes /patchcards/computers etc.
- Faculty recruitment is one of the major demands from students. Regarding this, as per UGC Regulation 2016, all the vacant teaching positions are in the process of advertisement by the University and to be filled very soon.
- All teachers are instructed to be very honest towards teaching and learning process. Be careful in laboratory classes.

SCHOOL OF STUDIES IN ELECTRONICS, PT. R.S.UNIVERSITY, C.G.

ACTION TAKEN REPORT ON FEEDBACK FROM STUDENTS OF M.SC. & M.TECH. II & IV SEMESTER (SESSION 2016-17)

Feedback form, in prescribed format had been collected from students of M.Sc. & M.Tech, II & IV Semester (session 2016-17). Free and frank opinion of students on classroom teaching of individual teachers, the course content, laboratory experiments & overall atmosphere of the department, written in feedback form, were made open to all teachers and examined critically.

- The general comment, received from majority of students regarding the classroom teaching skill of all the teachers of the department is good.

Action Taken :

In spite of good performance, all the teachers have been advised to enhance their mode of teaching to the best of their capabilities.

- The students also made comments on the content of syllabi .Majority of students are satisfied with the syllabi. However, some felt that the course content is a little lengthy.

Action Taken :

The meeting of Board of Studies (BOS) in Electronics is held every year and syllabi of all the theory papers are reviewed and the course contents are revised / changed if necessary.

- Students gave feedback on Networking/Internet facilities of computer lab. According to them, it should be strengthened.

Action Taken :

Process for enhancing/upgrading internet facility has already been started in terms of procuring more numbers of computers, hardware / software tools for networking, antivirus etc.

- Majority students commented on lack of appropriate number of teaching faculty in the department. They felt that the vacant posts should be filled as early as possible.

Action Taken :

As per UGC Regulation 2016, all the vacant teaching positions are in the process of advertisement by the University and to be filled very soon.

ACTION TAKEN REPORT ON FEEDBACK FROM STUDENTS OF M.SC. & M.TECH. (SESSION 2017-18)

Feedback form in prescribed format had been collected from students of M.Sc. & M.Tech. (Session 2017-18). Free and frank opinion of students on classroom teaching of individual teachers, the course content, laboratory experiments & overall atmosphere of the department, written in feedback form, were made open to all teacher form, were made open to all techers and examined critically.

Staff members discussed the implications of the students' feedback and to strategize how to make students experience more pleasant and seamless. Student feedback has provided staff and faculty with meaningful information that initiates fruitful and insightful conversations and results in significant actions to change programs, pedagogical approaches, and so forth. The actions that were taken as a result of feedback from this survey are summarized below.

- The general comment, received from majority of students regarding the classroom teaching skill of the entries department is good. There was query on use of modern teaching skills.

Action Taken

In spite of good performance all the teachers have been advised it enhances their mode of teaching to the best capabilities. All the teacher are computer literate and use technology for class room teaching.

- Enhancement of internet facilities

Internet facility is accessible to student in computer laboratory which students use in their practical and other works. Student and other staff were training to use computers, internet sent e-mails etc through ASC of University.

- The students also made comments on the content of syllabi. Majority of students are satisfied with the syllabi, some felt that the course content is little lengthy.

Action Taken

The meeting of board of studies (BOS) in electronics is held every year and syllabi of all the theory paper are reviewed and the course content is revised. Changed if Necessary.

- Student gave feed back on networking internet facility of computer lab. According to them, it should be strengthened.

Action Taken

Internet facility of computer lab has been improved.

Majority Students Commented on lack of appropriate number of teaching faculty in the department. They felt that the posts should be filled as early as possible.

Action Taken

As per UGC Regulation all the vacant teaching position are in the process of advertisement by the University and to be filled very soon.

- Required for formation of Alumni association and meet.

Action Taken

Alumni meet will be organized and all the past students from last batches will be invited for the function. Students participating in the function and shared their experiences about the department, course and teachers, they also shared their experiences about their job. All this helped the student teachers to know more about the profession and also united all the students in one bond. Alumni association was formed and it also gets registered.

Student and other staff were training to use computers, internet sent e-mails etc through ASC of University. A part from this they did T.B.T. practical through which they learned to use power point, excel, word document etc.

- The students also made comments on the content of syllabi. Majority of students are satisfied with the syllabi, some felt that the course content is little lengthy.

Action Taken

The meeting of board of studies (BOS) in electronics is held every year and syllabi of all the theory paper are reviewed and the course content is revised. Charged if Necessary.

- Student gave feed back on networking internet facility of computer lab. According to them, it should be strengthened.

Action Taken

Internet facility of computer lab has been improved.

Majority Students Commented on lack of appropriate number of teaching faculty in the department. They felt that the posts should be filled as early as possible.

RAIPUR (C.G.) 492 010

As per UGC Regulation 2018 all the vacant teaching position are in the process of advertisement by the University and to be filled very soon.

- Required for formation of Alumni association and meet.

Action Taken

Alumni meet will be organized and all the past students from last batches will be invited for the function. Students participating in the function and shared their experiences about the department, course and teachers, they also shared their experiences about their job. All this helped the student teachers to know more about the profession and also united all the students in one bond. Alumni association was formed and it also get registered.

- Software training for students.

Action Taken

SoS Electronics with IUAC New Delhi has organized Expeyes Workshop National Mission on Education through Information Communication through Technology lunched by MHRD, Govt. of India.

SoS Electronics with SETFOS Company organizing a webinar on *Optical and Electrical Modeling and Simulation for Organic Semiconductor Devices using SETFOS software.*

ACTION TAKEN REPORT ON FEEDBACK FROM STUDENTS OF M.SC. & M. TECH. (SESSION 2020-21)

Feedback form in prescribed format had been collected from students of M.Sc. & M.Tech. (Session 2020-21). Free and frank opinion of students on classroom teaching of individual teachers, the course content, laboratory experiments & overall atmosphere of the department, written in feedback form, were made open to all teacher form, were made open to all teachers and examined critically.

Staff members discussed the implications of the students' feedback and to strategize how to make students experience more pleasant and seamless. Student feedback has provided staff and faculty with meaningful information that initiates fruitful and insightful conversations and results in significant actions to change programs, pedagogical approaches, and so forth. The actions that were taken as a result of feedback from this survey are summarized below.

- The general comment, received from majority of students regarding the classroom teaching skill of the entries department is good. There was query on use of modern teaching skills.

Action Taken

In spite of good performance all the teachers have been advised it enhances their mode of teaching to the best capabilities. All the teachers are computer literate and use technology for class room teaching.

- Enhancement of internet facilities

Internet facility is accessible to student in computer laboratory which students use in their practical and other works. Student and other staff were training to use computers, internet sent e-mails etc through ASC of University. A part from this they did T.B.T. practical through which they learned to use power point, excel, word document etc.

- The students also made comments on the content of syllabi. Majority of students are satisfied with the syllabi, some felt that the course content is little lengthy.

Action Taken

The meeting of board of studies (BOS) in electronics is held every year and syllabi of all the theory paper are reviewed and the course content is revised. Charged if Necessary.

- Student gave feed back on networking internet facility of computer lab. According to them, it should be strengthened.

Action Taken

Internet facility of computer lab has been improved.

Majority Students Commented on lack of appropriate number of teaching faculty in the department. They felt that the posts should be filled as early as possible.

Action Taken

As per UGC Regulation 2018 all the vacant teaching position are in the process of advertisement by the University and to be filled very soon.
