---

**School of Studies in Biotechnology and Alumni Association of Biotechnology, Pt. Ravishankar Shukla University, Raipur (C.G.)** jointly organized a virtual interactive session with **Dr. Neha Pandey, Research Mentor, Credge EdTech Pvt. Ltd., Bengaluru** on 21 November 2024. The session commenced at 3:30 PM. Prior to the virtual interaction, Dr. Neha Pandey provided a brief overview of Credge Edtech, highlighting its features such as the provision of high-quality certification, assistance in excelling in various competitive examinations, and give guidance to the students for getting admission to their dream institutions. Furthermore, she elaborated on the company’s premium services, which include internships and online courses. Additionally, she informed the students about the various avenues for career counselling, career assessments, and strategies for preparation. Dr. Neha also discussed several PhD funding options, including fully funded, partially funded, and non-funded PhD programmes. Ultimately, the students posed various inquiries regarding the application process for courses and strategies for succeeding in competitive examinations, all of which were addressed with considerable enthusiasm and thought-provoking insights. In summary, it was an enriching interactive session that contributed significantly to the professional development of students.
