On 30 August 2024, an Interactive Meeting was jointly organized by the School of Studies in Biotechnology & Alumni Association of Biotechnology, Pt. Ravishankar Shukla University, Raipur (C.G.), on the topic “**Business Development Ideas & New Business Opportunities**” with **Mr Piyush Patel, Business Development Executive, NeubergerSupratech Reference Laboratory, Hyderabad.**

The event began with a warm welcome of the esteemed speaker, who have been presented with a Bouquet by **Professor Keshav Kant Sahu, Head of the Department, School of Studies in Biotechnology.** Professor S.J.Daharwal, Director, Institute of Pharmacy of this University was also with us in the seminar hall. Mr Piyush began his interaction by introducing himself as an alumnus of this School. He has been completed his Master's from this School and passed out in the year 2021. Thereafter, he shared his work experience with the company in Hyderabad for the Hepatitis-A vaccine production; then, he switched to a similar company. Afterwards, he was joined the field of business in genomics, that is, next-generation sequencing. He is currently in a business development executive position at NeubergerSupratech Reference Laboratory, Hyderabad.

It was a motivating and interactive session for the students in which he was discussed career opportunities with guidance and ideas. Then, several queries were asked by the students, such as his journey, what are different opportunities, and how to reach MNCs. He suggested that students should do well in handling techniques, communication skill, regular laboratory tasks, academics, and a strong resume.

At the end, **Dr Nagendra Kumar Chandrawanshi** presented a memento to Mr Piyush as a token of appreciation, and then vote of thanks was given.
