Career Opportunities in Abroad

Organized by

School of Studies in Biotechnology

&

Alumni Association of Biotechnology

Pt. Ravishankar Shukla University, Raipur (C.G.)

The School of Studies in Biotechnology and the Alumni Association of Biotechnology, Pt. Ravi Shankar Shukla University, Raipur (C.G.), organized an invited talk on “**Career Opportunities in Abroad**” on **18 February 2025** at the Seminar Hall, School of Studies in Biotechnology, Pt. Raishankar Shukla University, Raipur (C.G.).

The session commenced at 4:30 pm with a talk by **Dr. Santosh Kumar Verma, Associate Professor, Chemistry and Chemical Engineering, Yulin University, China**. Dr. Nagendra Kumar Chandrawanshi, Assistant Professor at the School of Studies in Biotechnology, Pt. Ravishankar Shukla University, Raipur (C.G.), welcomed him with a sapling.

The primary objective of the talk was to provide insights into the wide range of job opportunities available in abroad, the procedures for securing them, and key factors to consider when exploring international career options. Dr. Verma emphasized the benefits of studying abroad, including the opportunity to live and work in a new environment, learn a foreign language, and gain exposure to diverse cultures and lifestyles. He provided a detailed explanation of the steps involved in securing a scholarship to study in abroad, covering aspects such as researching and shortlisting scholarships, building a strong profile, applying early, and tailoring applications to meet university-specific requirements. Dr. Verma concluded his talk by emphasizing the vast opportunities available in abroad for students who are dedicated, hardworking, and eager to make an impact in their respective fields.

The session ended with an interaction, where students asked their doubts to the speaker. The event concluded with a vote of thanks.
