

REPORT
Student Induction Program (DEEKSHARAMBH) 2025
&
Teachers Day Celebration at CBS

SIP 2025 and Teachers Day was organized on 9th September 2025 in Center for Basic Sciences. The program was conducted by Dr Veenu Joshi and Dr Smita Sharma it started with the welcome address of Dr Kallol K Ghosh, Director Center for Basic Sciences. He welcomed Hon'ble Vice Chancellor Prof Sachchidanand Shukla, Dr. A.K. Srivastav, Proctor, Dr Rajeev Chowdhary, DSW and all the newly admitted students. He shared his views on the importance of organizing such events/programs in the center. He described the Diksharambh, Teachers' Day and the celebration of 10 years of the department as a *Triveni Sangam*, and wholeheartedly appreciated the event. Thereafter, Dr Srivastav briefed rules and regulations of the campus to the new students and advised to strictly follow the same. Dr Chowdhary advised students to maintain discipline and told students about various certificate courses and extra-curricular activities organized in the university. Some of the senior students shared their experience in CBS with newly admitted students and encourage them to make their choices in the field of interest. A few first semester students also expressed their views about the department and their aim to pursue research or academics. Then the th edition of the CBS annual magazine **JARAI** was released by all the guests. After that Hon'ble VC sir addressed students and told about various facilities in the university and how the teachers and administration are working for the betterment of the students and wished the students for their bright future. He also congratulated for the organizing three events successfully on the same day. Senior students presented the 10 years beautiful journey of CBS in a short video which and thereafter release the banner entitled ***Dashotkarsh*** which represents 10 years successful journey of the department. Hon'ble VC and all the guests appreciated the event.
