

Student Induction Program 2024

SIP 2024 was organized on 13th August 2024 in Center for Basic Sciences. In the inaugural program welcome address was given by Dr Kallol Ghosh, Director Center for Basic Sciences. He welcomed Hon'ble Vice Chancellor Prof Sachchidanand Shukla, Dr. A.K. Srivastav, Proctor, Dr Rajeev Chowdhary, DSW and newly admitted students. Thereafter, Dr Srivastav briefed rules and regulations of the campus and advised to strictly follow the same. Dr Chowdhary advised students to maintain discipline and told students about various extra- curricular activities organized in the university. After that Hon'ble VC addressed students about various facilities in the university and how the teachers and administration are working for the betterment of the students and wished the students for their bright future. The program was conducted by the coordinator SIP Dr Veenu Joshi.

After this there was a plantation program under the banner of “EK Ped Maa Ke Naam”. After the inaugural program Director Prof Kallol Ghosh briefed students about university set up and about the CBS rules and regulations through presentation. After this Dr Laxmikant explained students about examination system of CBS, Dr Bhanushree Gupta explained about academic activities of CBS, Dr Govind Sahu explained about Time table and discipline of CBS. Dr Smita Sharma explained by CBS magazine Jarai. The Program ended with the vote of Thanks by Dr G.S Gautam. After this, students conducted few cultural activities.
