PARENT TEACHER MEETING 2025

20 SEPTEMBER 2025

School of Studies in Biotechnology
Pt. Ravishankar Shukla University, Raipur-492010 (C.G.)

A Parent-Teacher meeting was organized by the School of Studies in Biotechnology on September 20, 2025, in both online and offline modes at 12:00 pm for M.Sc. Biotechnology III and I semesters. The meeting was conducted by Prof. Afaqur Quraishi, Coordinator of the Program, and the program was initiated with the welcome speech of Prof. S.K. Jadhav, explaining the objectives and significance of it, focusing on students' performance, and talking about the rules and regulations of the New Education Policy (NEP) 2020. Afterwards, the meeting was presided over by Prof. Keshav Kan Sahu, Head, School of Studies in Biotechnology who shared a detailed account of department and its various aspects including the syllabus, dissertation and internship program, achievements of the alumni, recent students and research scholars and at last briefed about the class tests and the highest scorers of the respective tests and also showed attendance record of the students to the parents and encouraged the students to enhance their capabilities in all the aspects. Subsequently, all the subject teachers, Prof. Keshav Kant Sahu, Prof. S. K. Jadhav, Prof. Afaqur Quraishi, Prof. Kamlesh Kumar Shukla, Dr. Nagendra Kumar Chandrawanshi, Dr. Jai Shankar Paul, and Dr. Shubhra Tiwari, interacted with parents, shared their views, and suggested better performance of their wards. Parents engaged with faculty members during this meeting, offering their perspectives, ideas, and recommendations. A few parents asked the faculty members about the details of the internship and dissertation. The parents were individually shown the test marks of their wards, and they asked for suggestions for improvement. After the meeting, a final vote of thanks was given by Dr. Nagendra Kumar Chandrawanshi to the gathering. During the meeting, the parents enquired about the dissertation criteria, its importance, and opportunities, and suggested that Guidance and Coaching for all the national-level exams, such as CSIR-NET, GATE, etc., should be provided on campus for the students, and placement opportunities must be driven by the department.
